CHAPTER 14

Having had the piece of his brain put back in his head at the Yabui Clinic, Rat-Man remembered the Vampire Tree he had made from Mishima Yukio.

COMIN' IN!

THAT'S RIGHT. I STILL NEED LAND AND A HOUSE.

WELL, MAYBE FOR YOU...

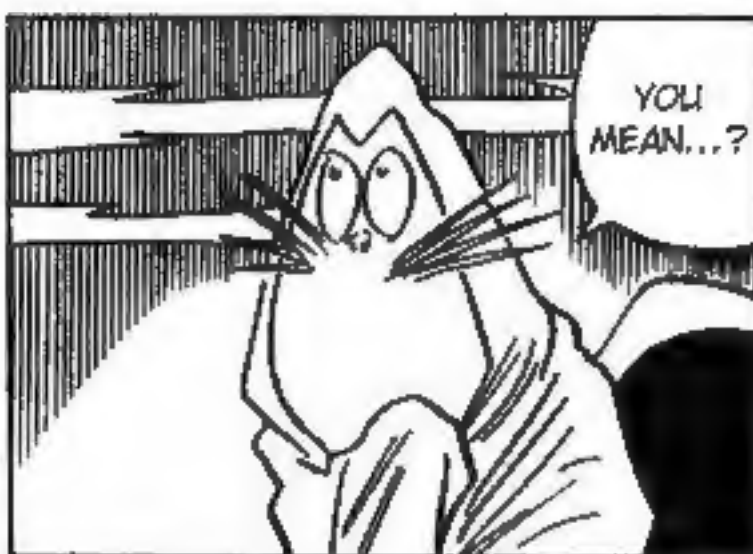

HMM...

THERE AREN'T A LOT OF PLACES THAT CHEAP THESE DAYS...

WHAT? YOU WANT A HOUSE FOR A HUNDRED THOUSAND YEN!?

I DON'T CARE HOW OUT OF THE WAY IT IS. I JUST NEED IT FAST...

YOU MEAN...?

I'LL TAKE IT!

THAT'S CHEAP!

TRUTH IS, THERE'S A BIG FARMHOUSE ON A SMALL ISLAND IN THE MIDDLE OF A RIVER CALLED HEBIGASHIMA, RIGHT OUTSIDE OF FUCHU. I CAN GIVE IT TO YOU FOR A HUNDRED THOUSAND!

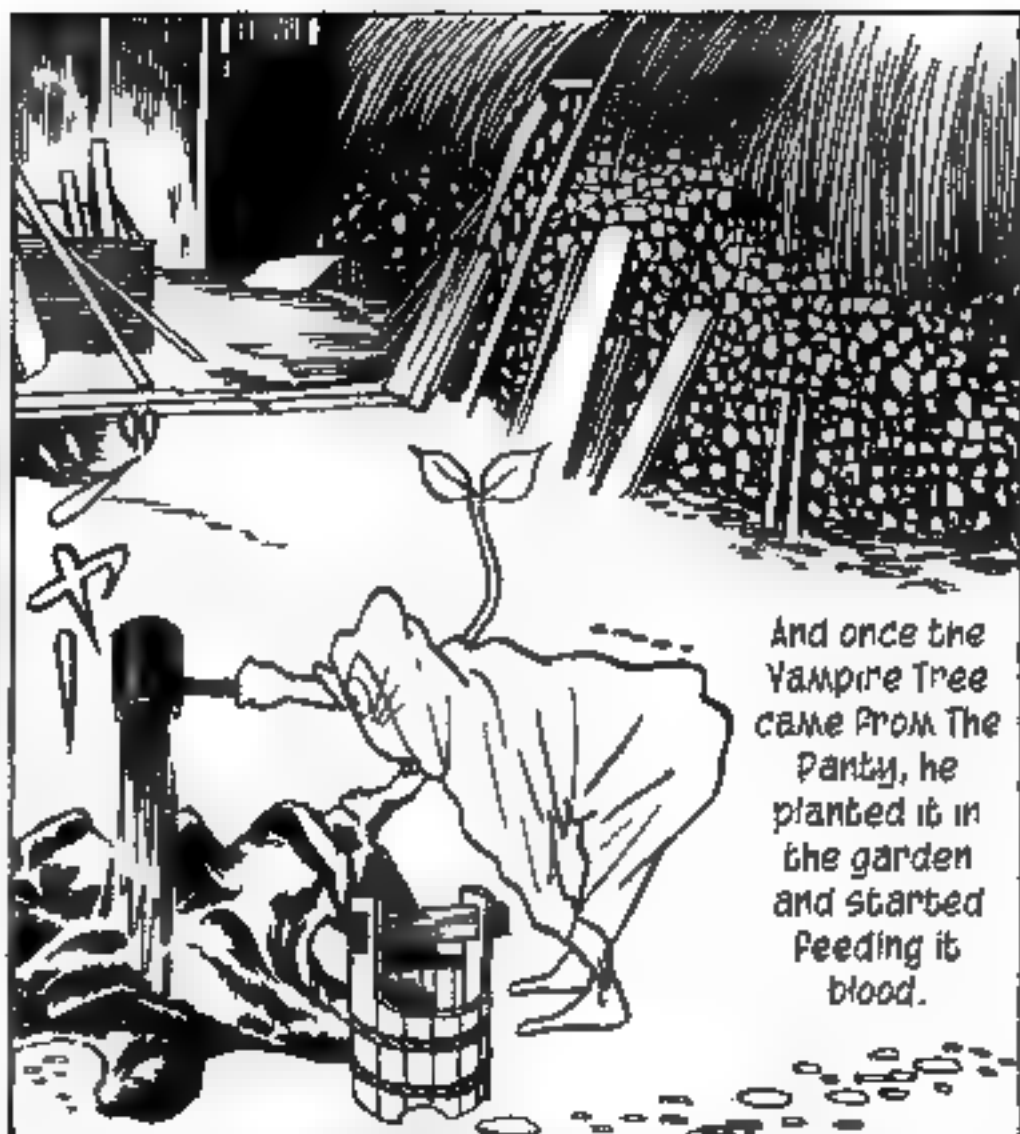

And so, he led him to Hebigashima. This island had been for sale since Meiji year 30, and no one had bought it since.

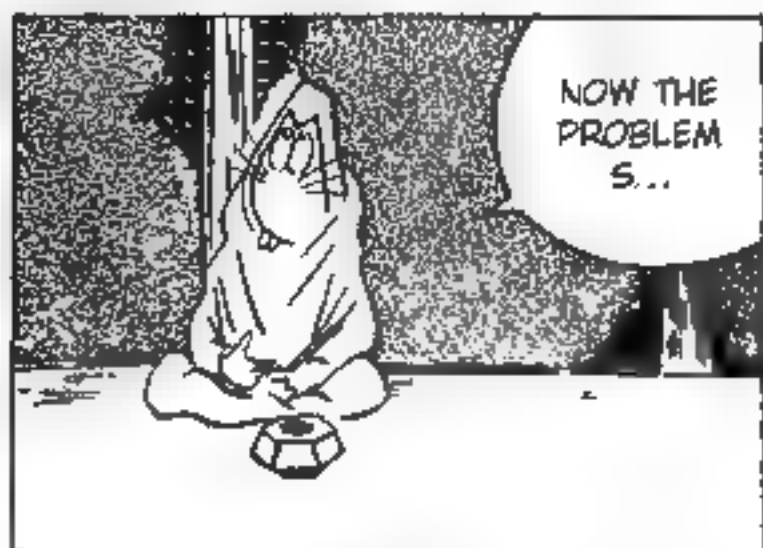

And once the Vampire Tree came from The Party, he planted it in the garden and started Feeding it blood.

FINDING ENOUGH FOOD FOR THE TREE.

NOW THE PROBLEM S...

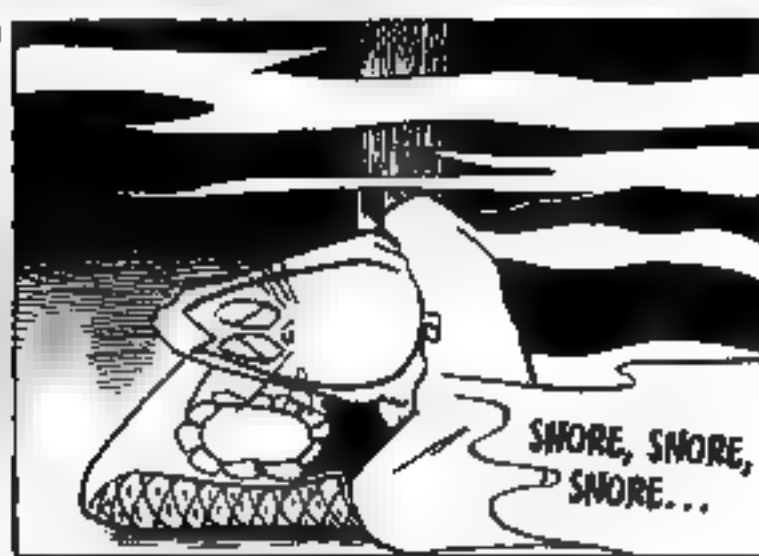

AND TRAIN THE MOSQUITOES.

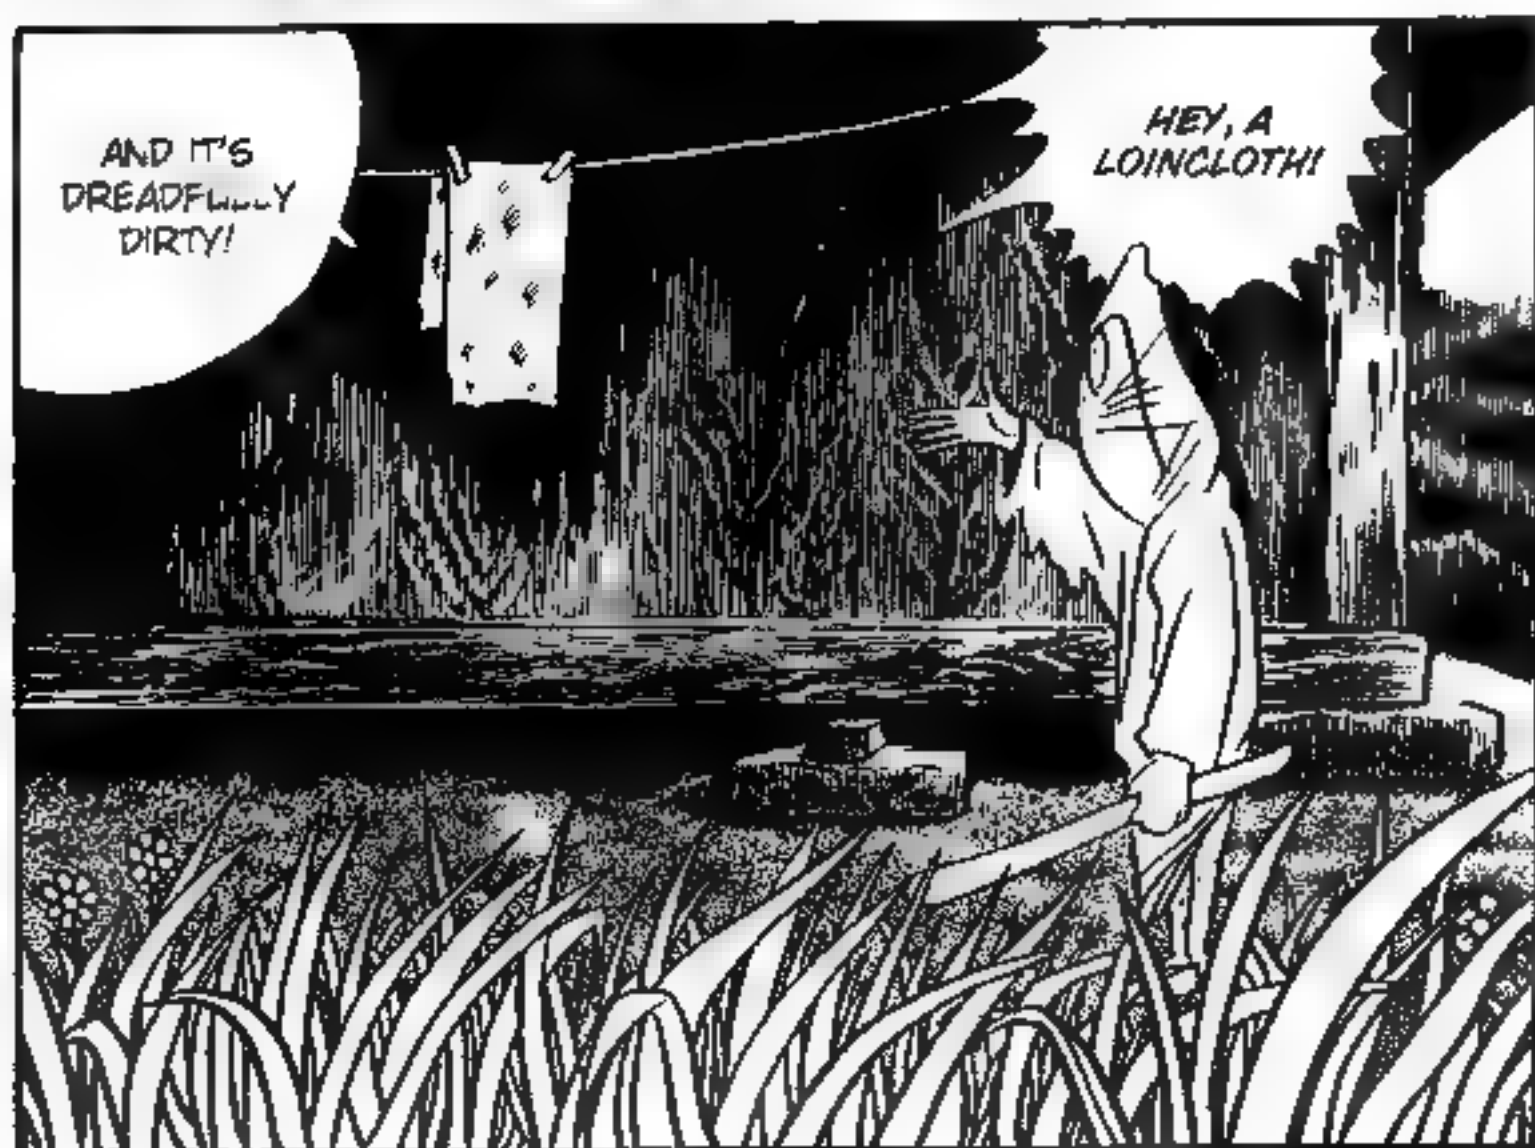

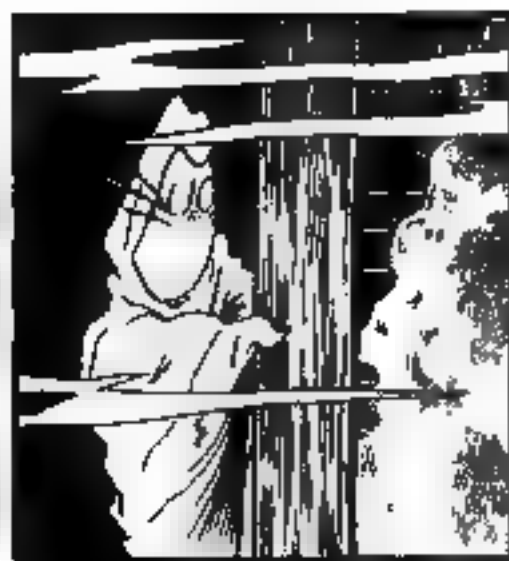

MAYBE I COULD RAISE SOME MOSQUITO LARVA...

I DON'T HAVE MONEY TO BUY BLOOD.

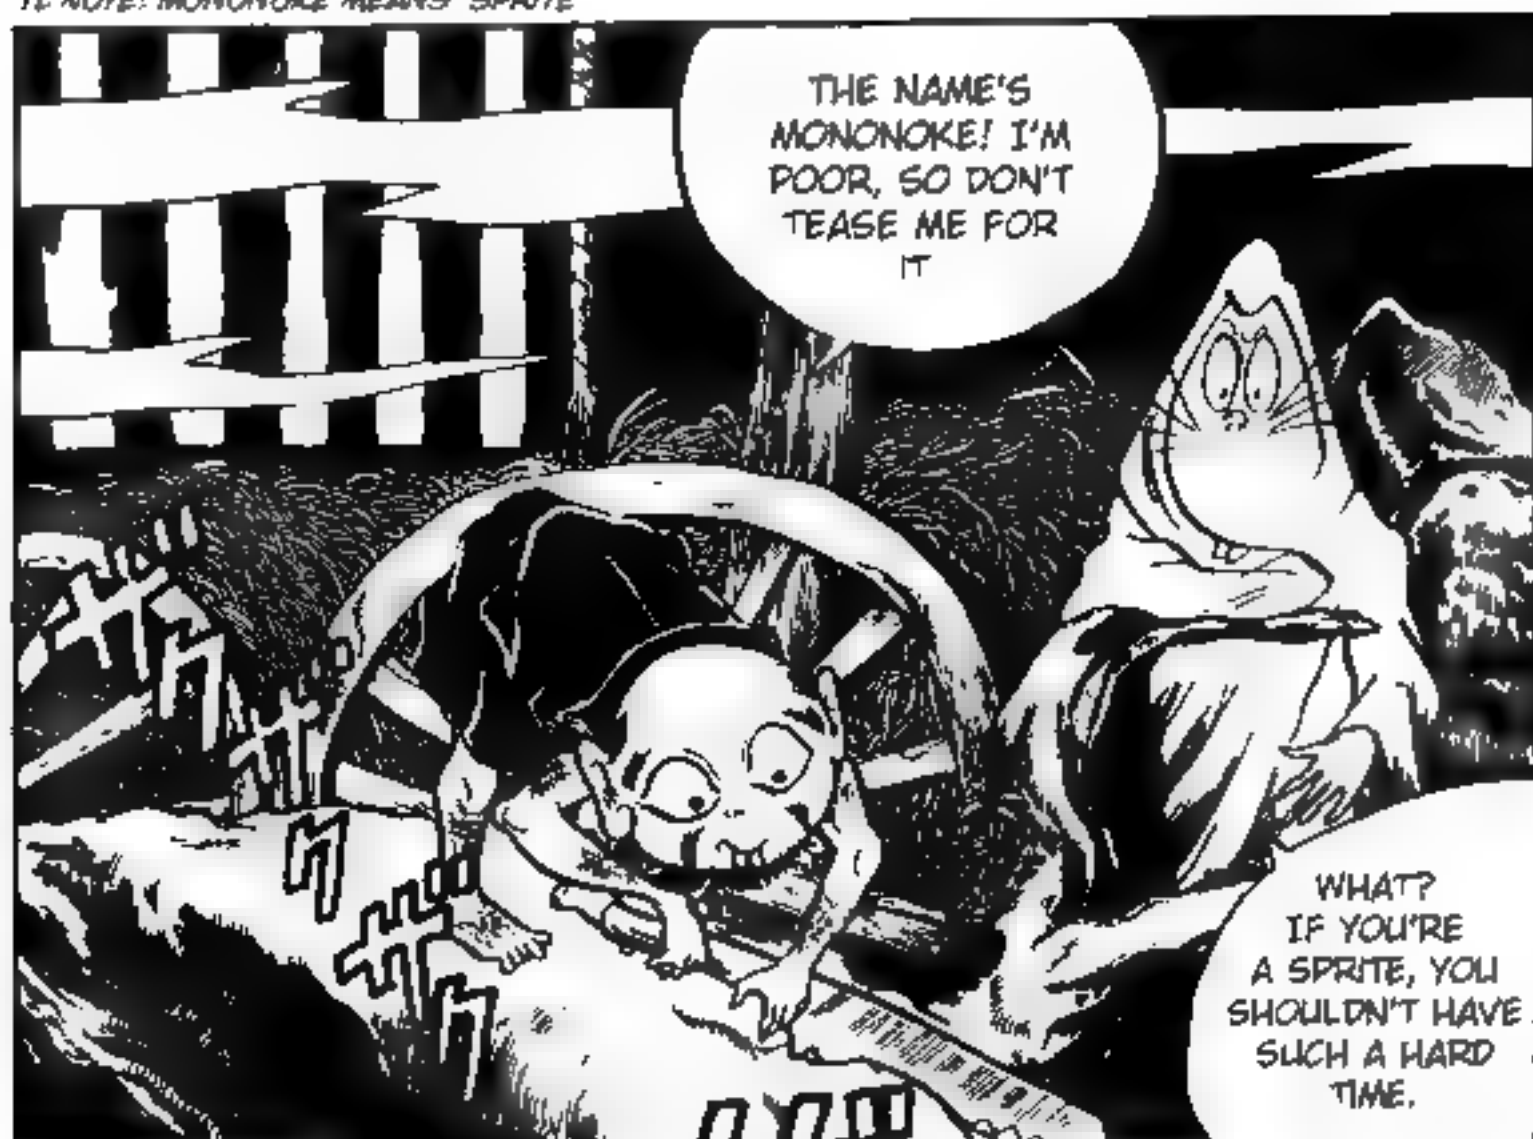

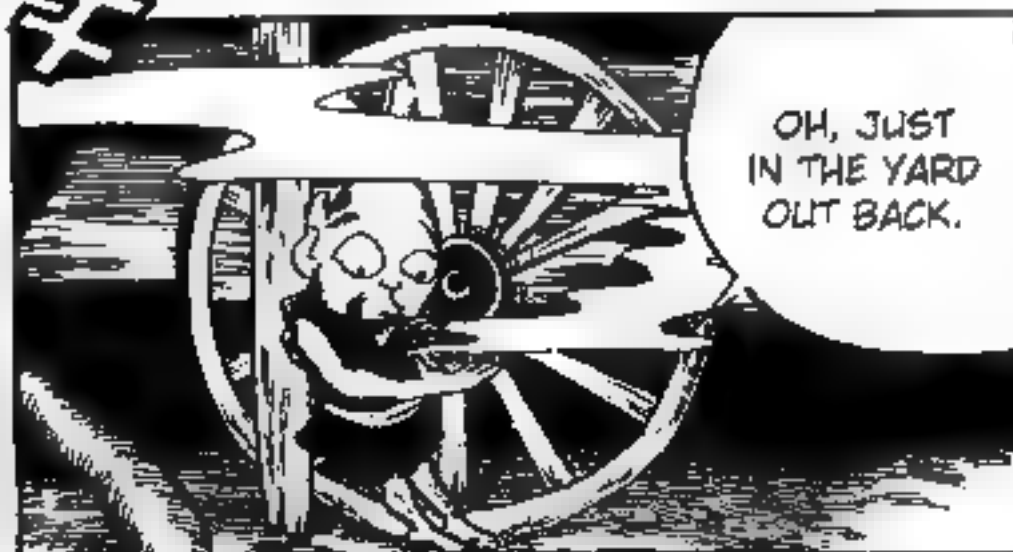

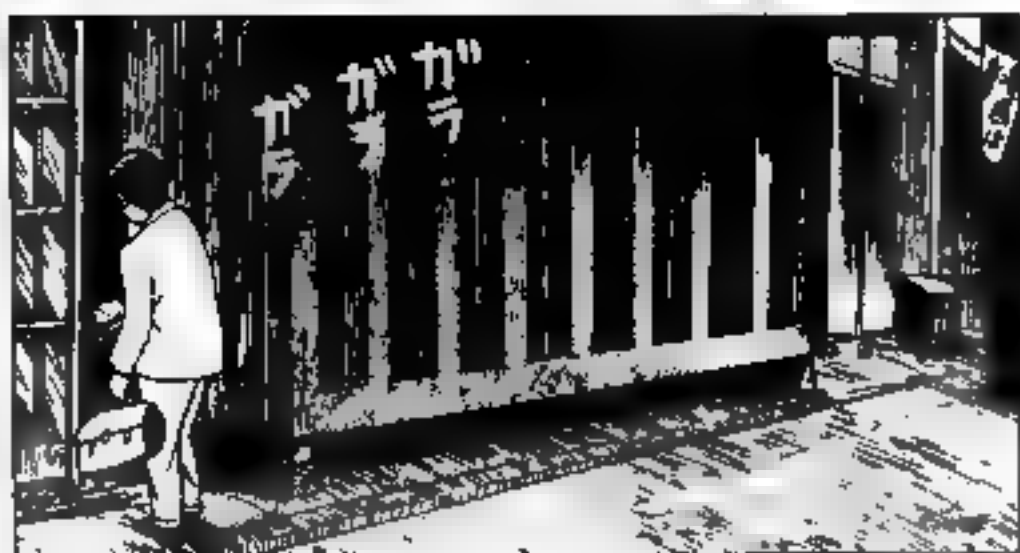

And now our tale turns to a town gloomier than you've ever seen before,  
where a penniless businessman is walking down the road

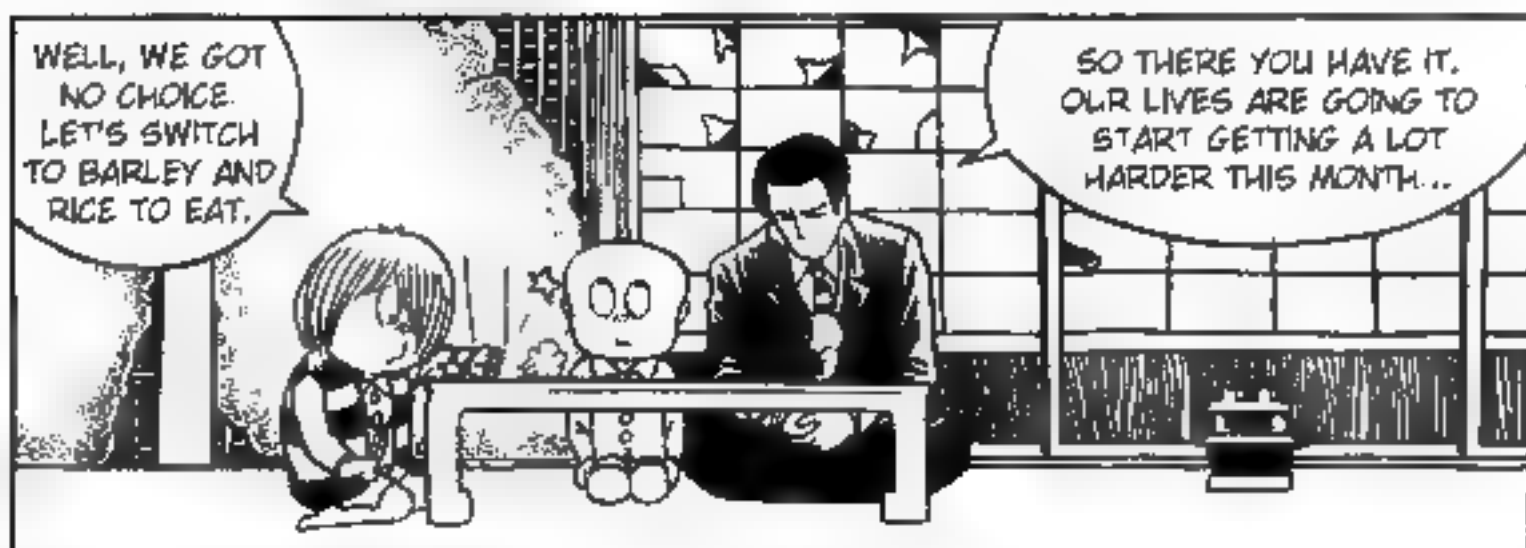

WELL,  
THAT'S NOT  
MY PROBLEM  
NOW, IS IT?

BUT MY  
SALARY HASN'T  
DOUBLED.

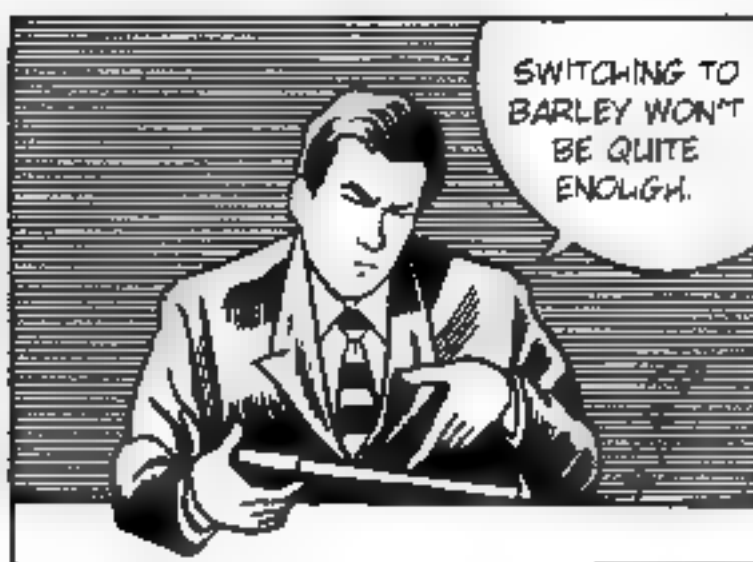

I'LL BE CHARGING  
TEN THOUSAND YEN,  
STARTING THIS  
MONTH

WELL, WE GOT  
NO CHOICE.  
LET'S SWITCH  
TO BARLEY AND  
RICE TO EAT.

SO THERE YOU HAVE IT.  
OUR LIVES ARE GOING TO  
START GETTING A LOT  
HARDER THIS MONTH..

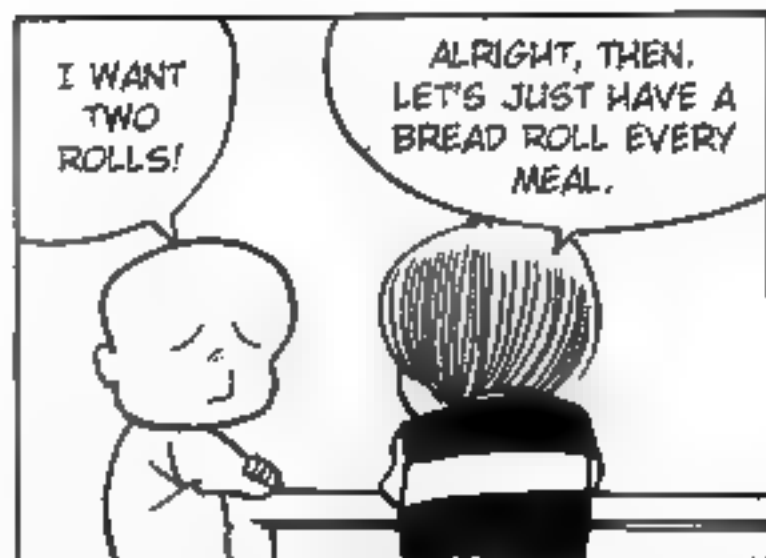

SWITCHING TO  
BARLEY WON'T  
BE QUITE  
ENOUGH.

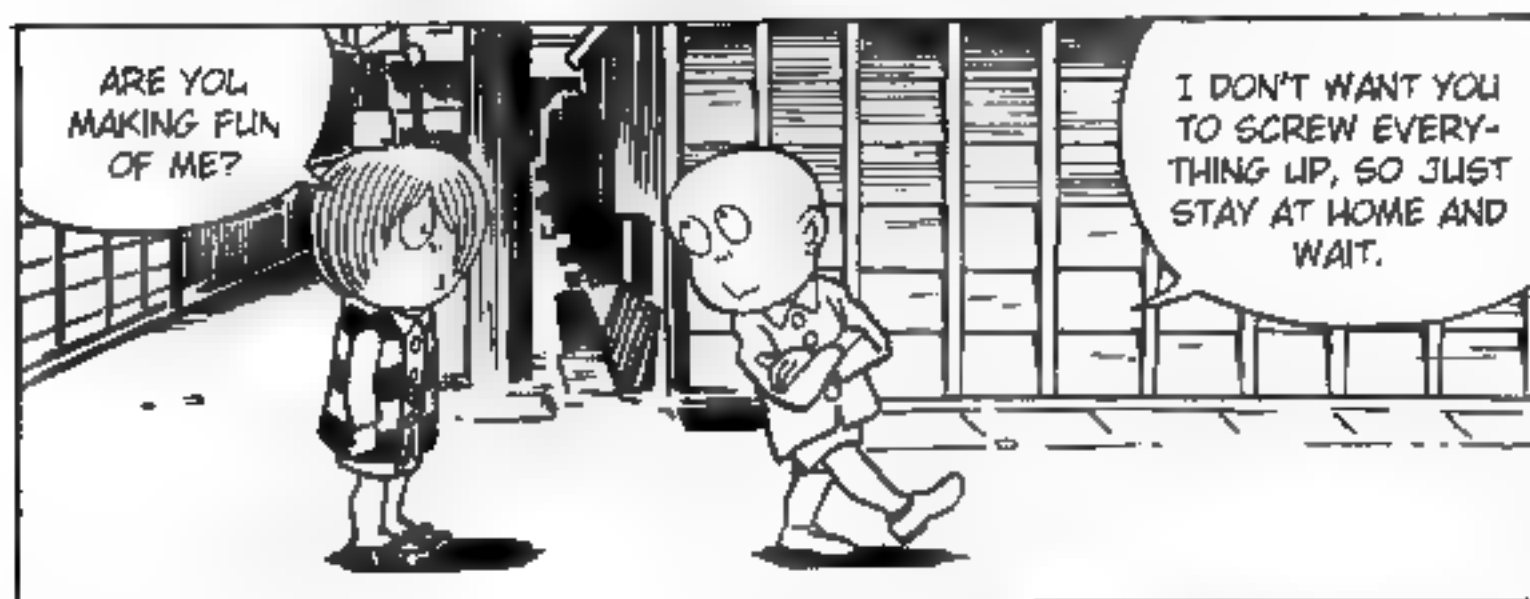

YOU SURE  
COMPLAIN A LOT  
FOR A FREE-  
LOADER.

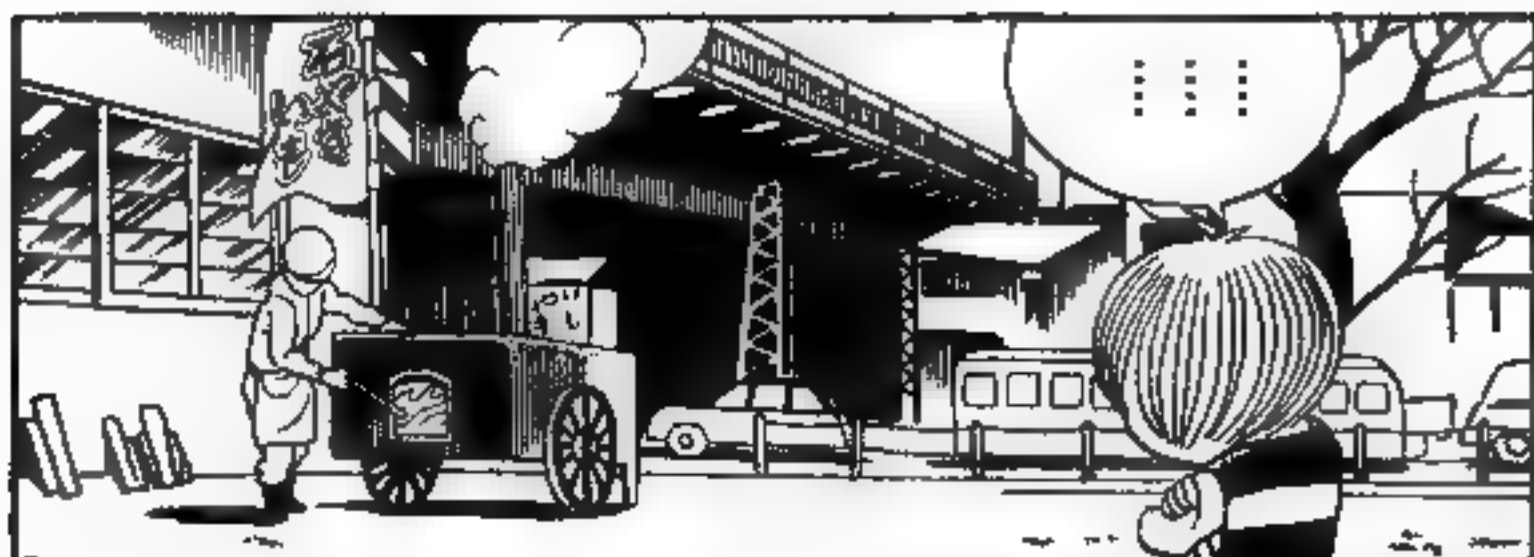

said the  
now-  
righteous  
fake  
Kibaro.

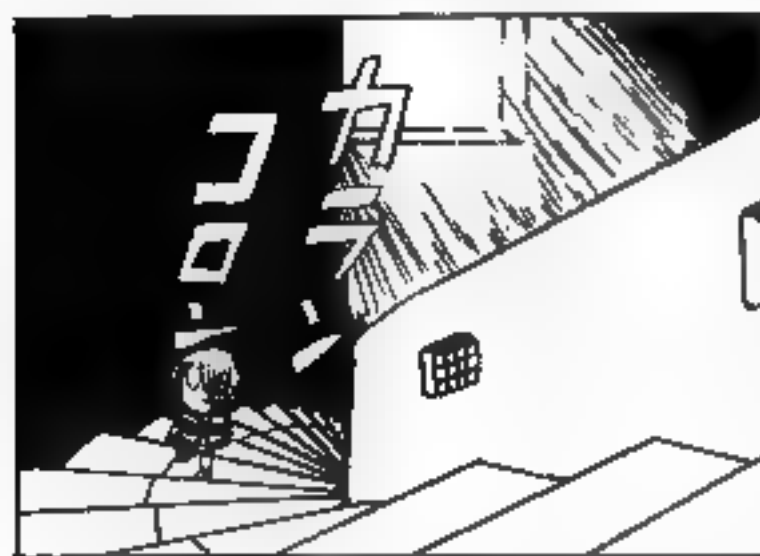

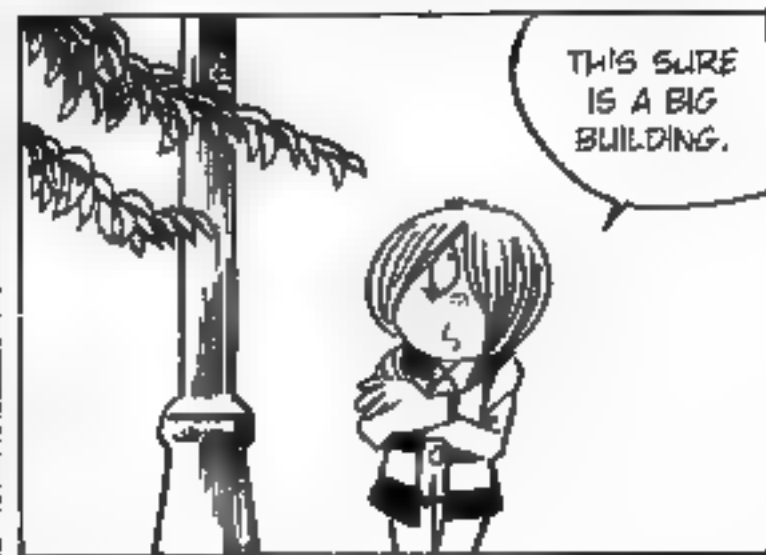

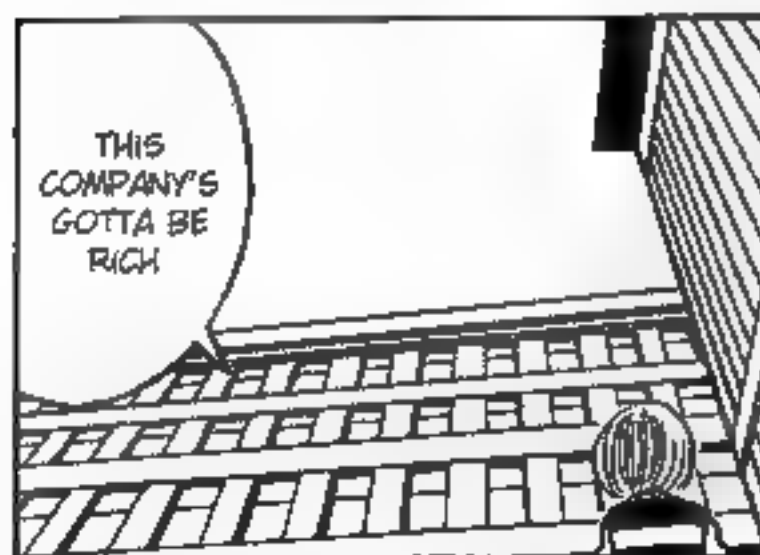

BUT  
FOREIGN  
RICE IS  
BETTER!

SFX: HAHAHAA!

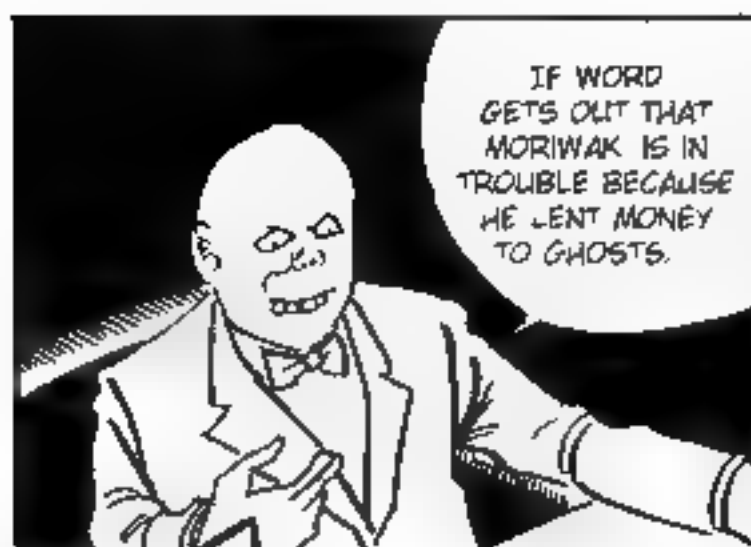

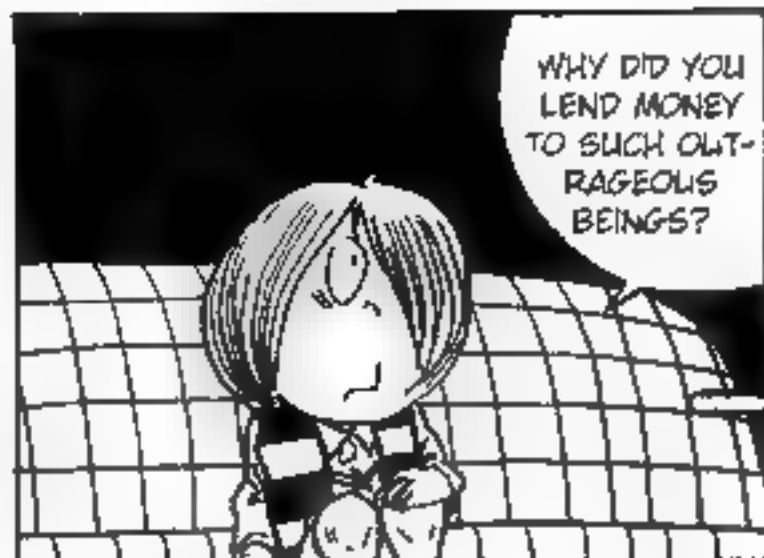

When I was young in Taisho year 9,  
I lent a thousand yen to a sprite and  
a thousand yen to a water god.

Now, with all the interest piling on  
interest, they owe me ten million yen,  
but I can't track them down.

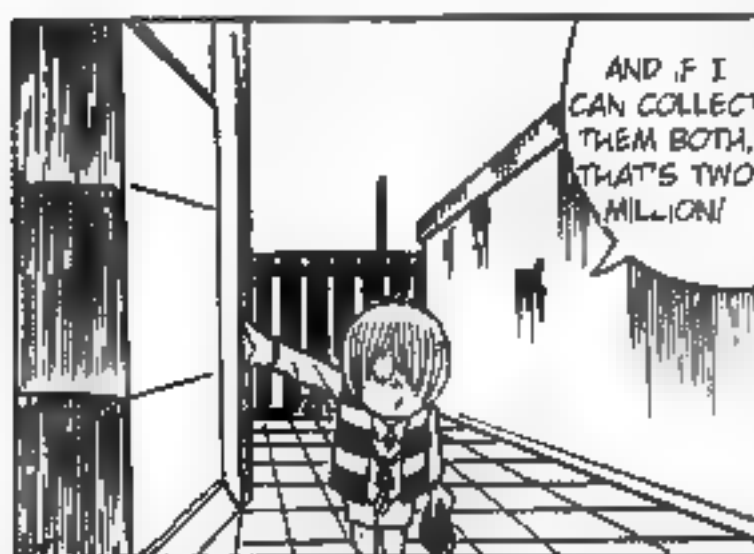

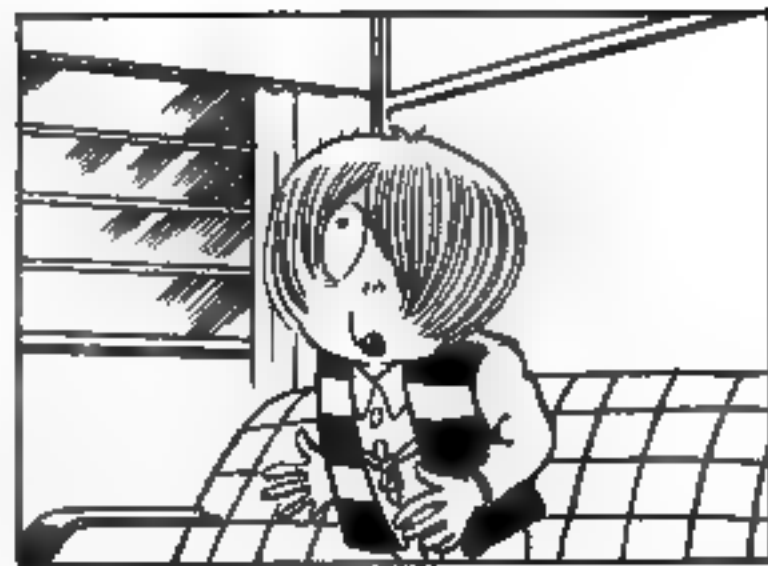

I have the contracts right here, so  
I want you to find where these ghosts  
live and collect the money.

Shigeru Mizuki  
& Mizuki Pro

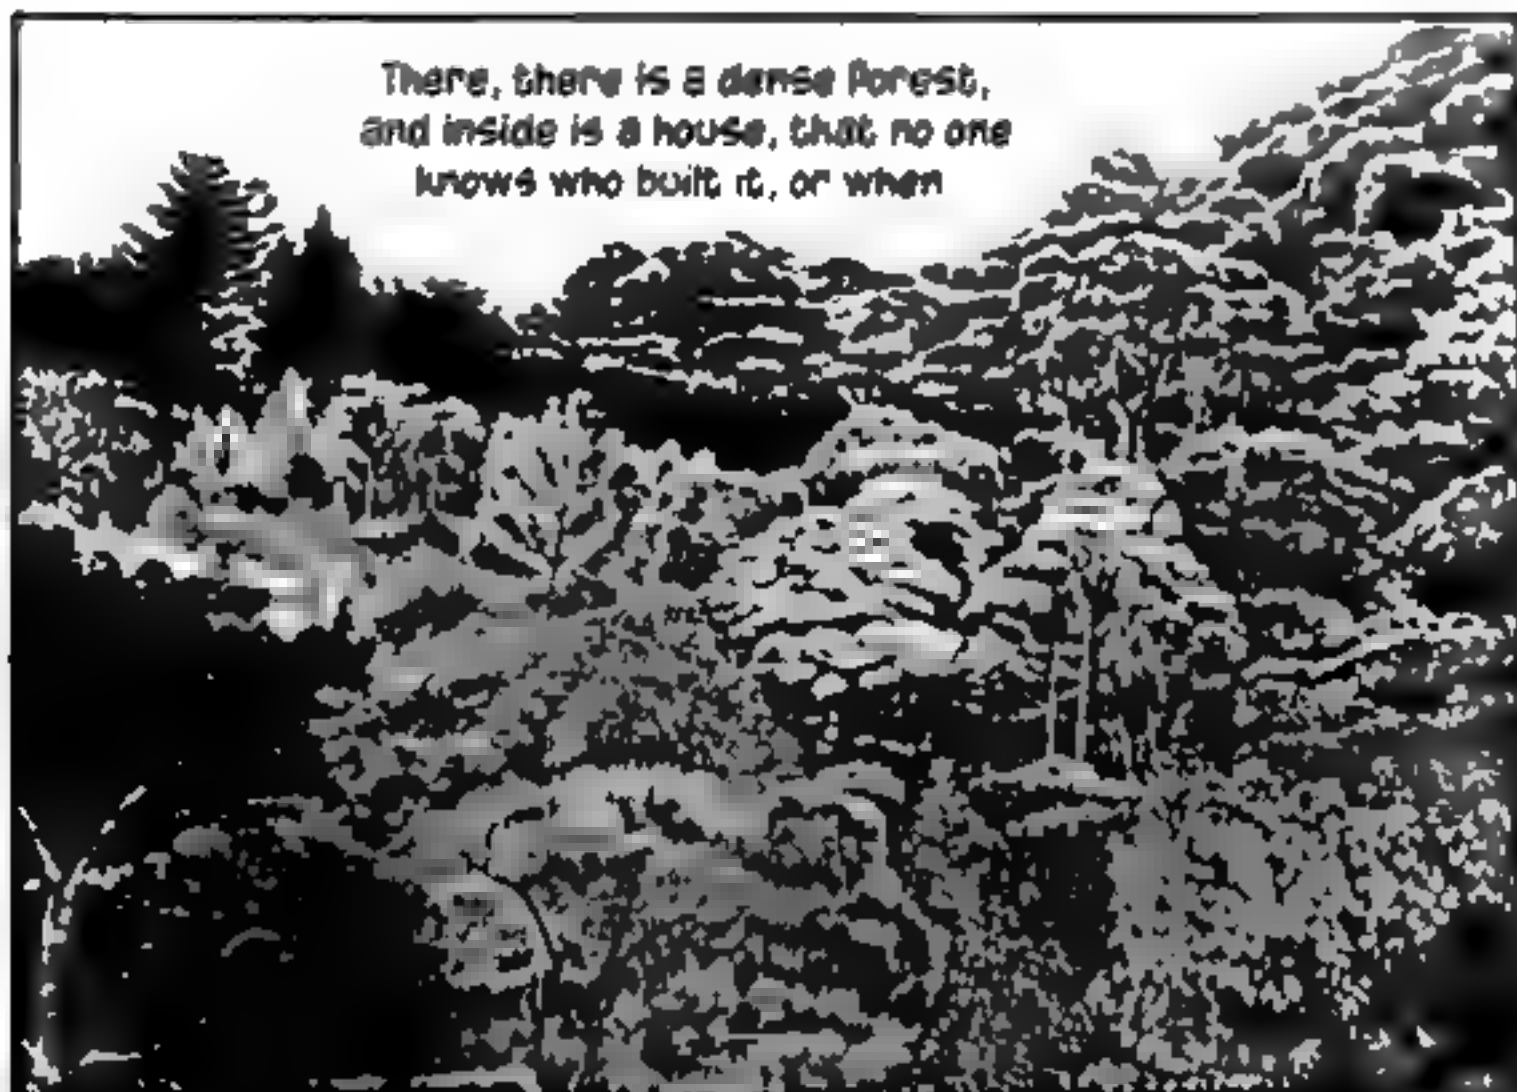

A hundred  
kilometers  
from Tokyo,  
at the  
edge of  
Musashino.

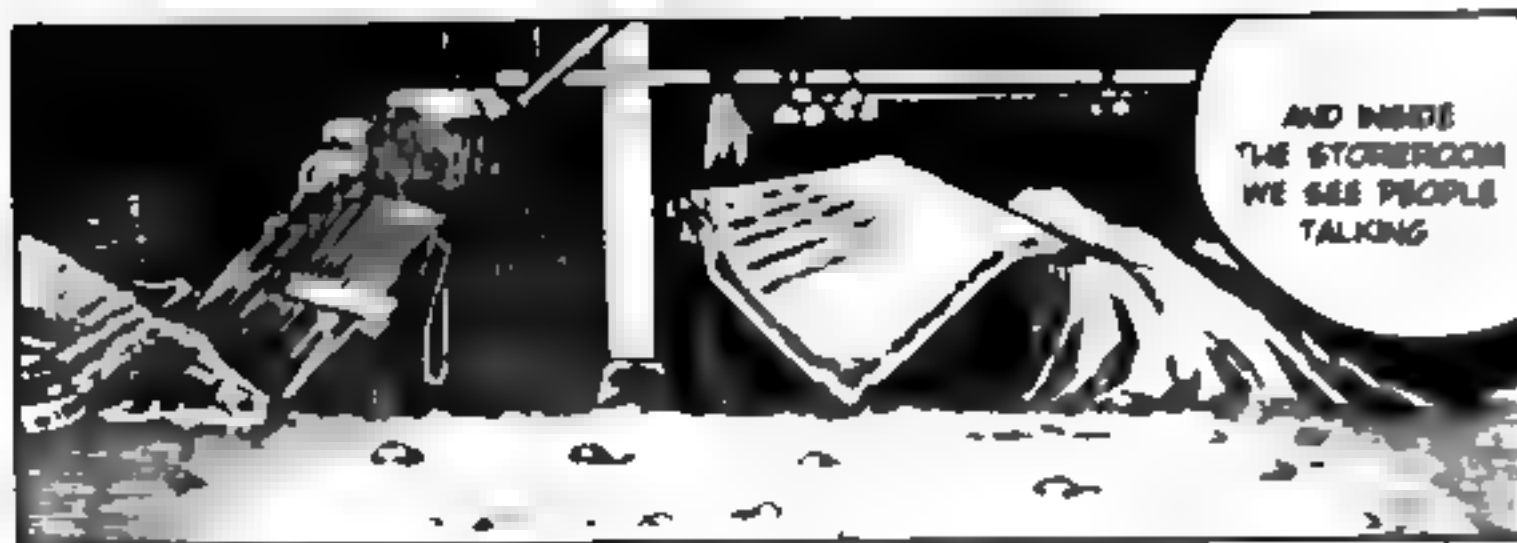

Upstream of  
the Tama River,  
is a place called  
Nobigashima.

There, there is a dense forest,  
and inside is a house, that no one  
knows who built it, or when

AND INSIDE  
THE STOREROOM  
WE SEE PEOPLE  
TALKING

IS ACTUALLY  
THE VAMPIRE  
TREE I'VE  
BEEN TRYING  
TO GROW

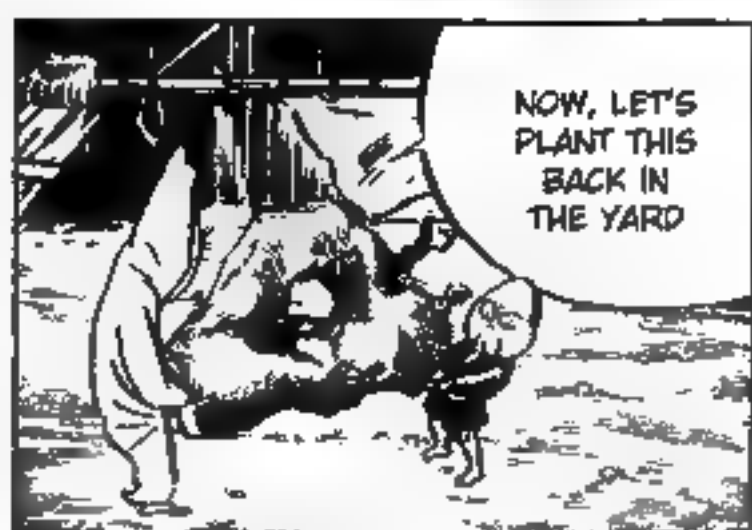

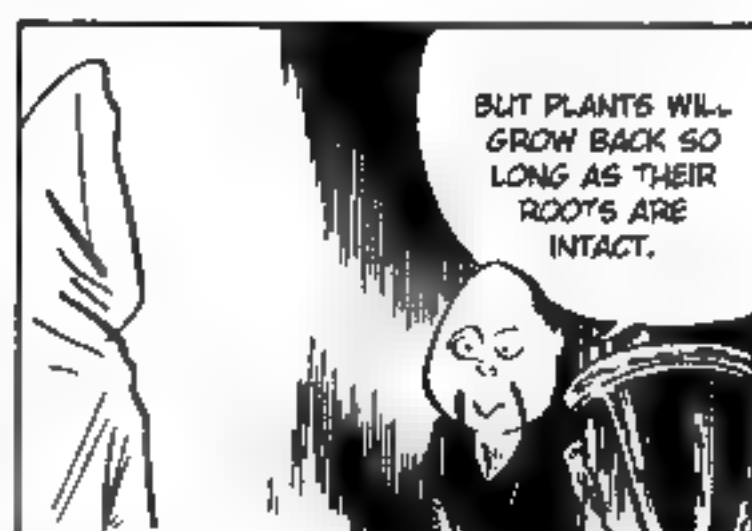

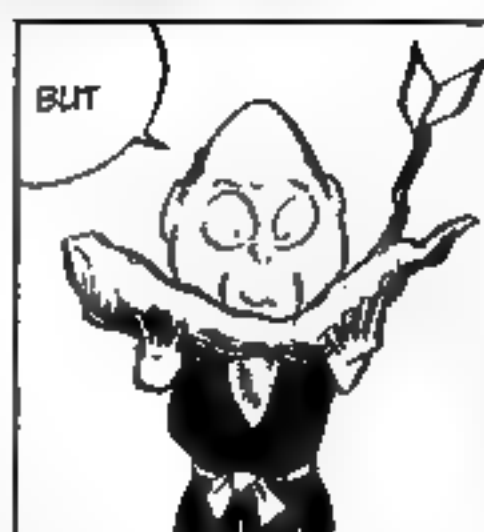

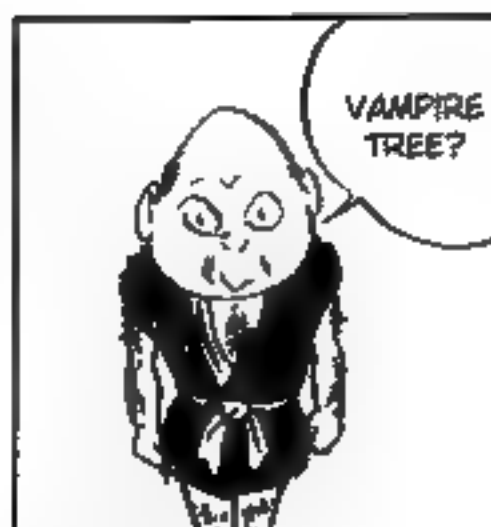

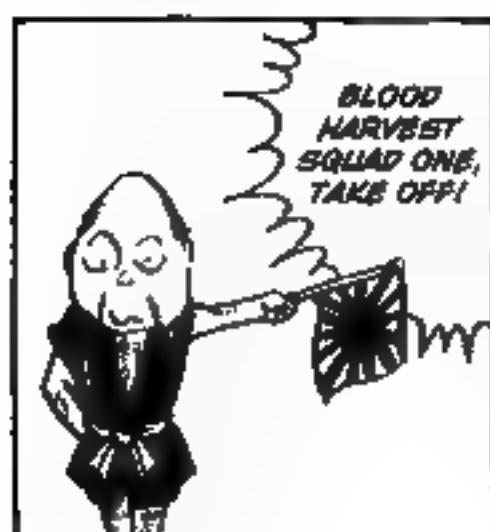

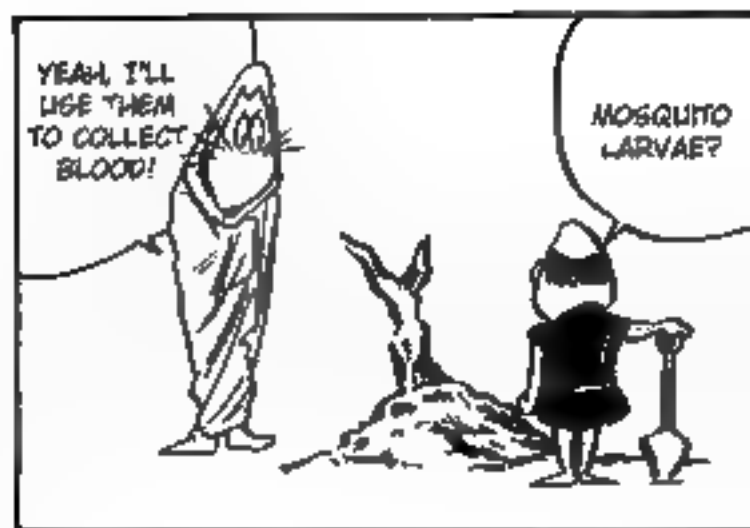

WELL,  
THE THING YOU  
WERE SAYING  
EARLIER

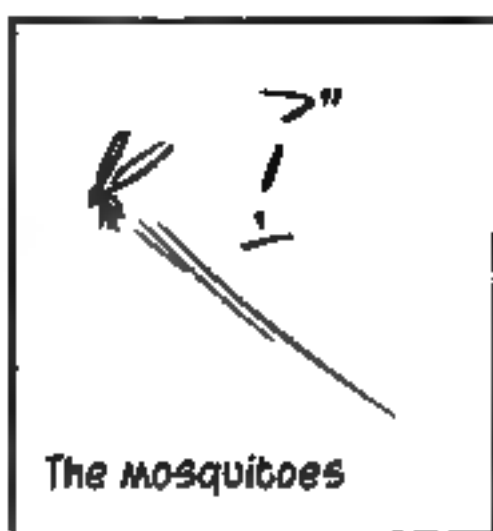

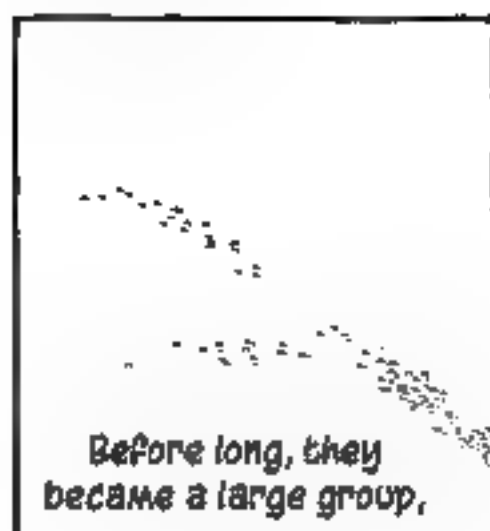

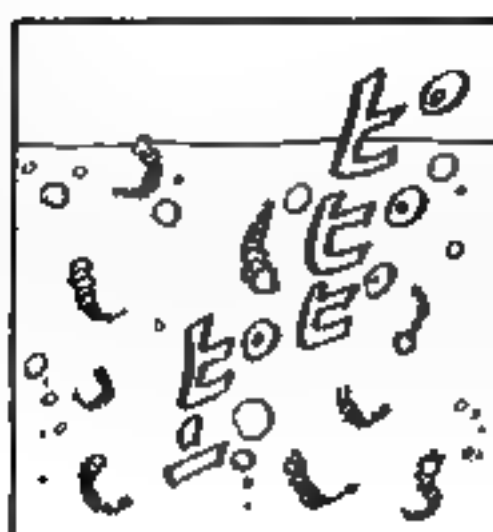

WHAT'S THE  
MATTER WITH YOU?  
YOU JUST FAINTED  
BACK THERE!

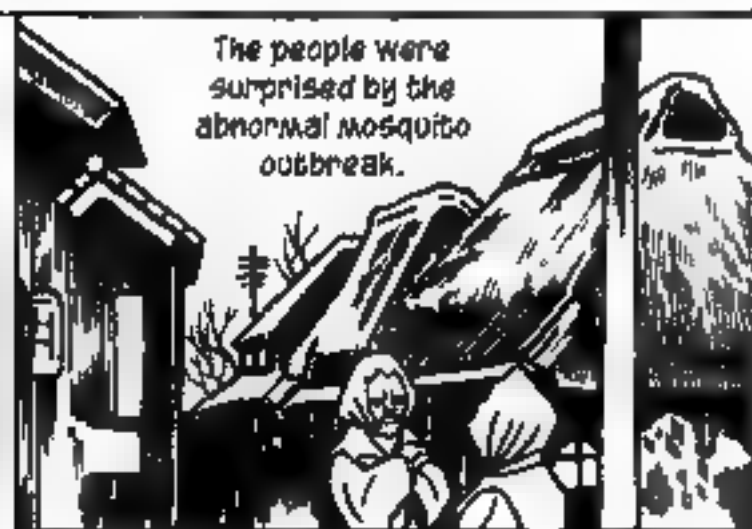

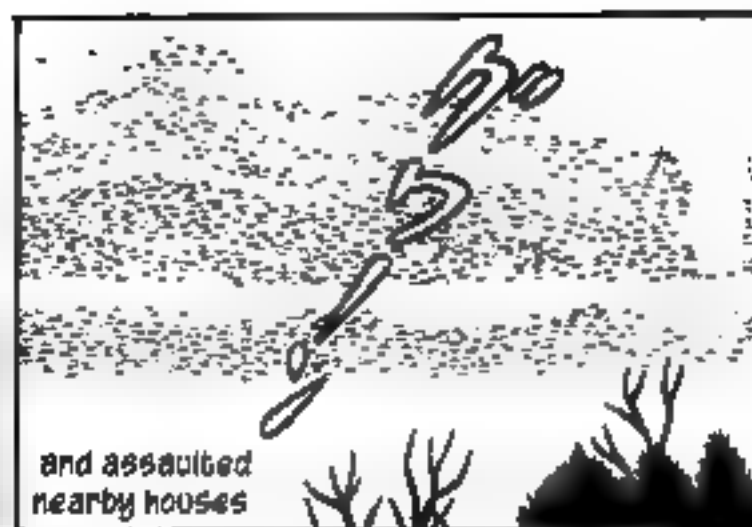

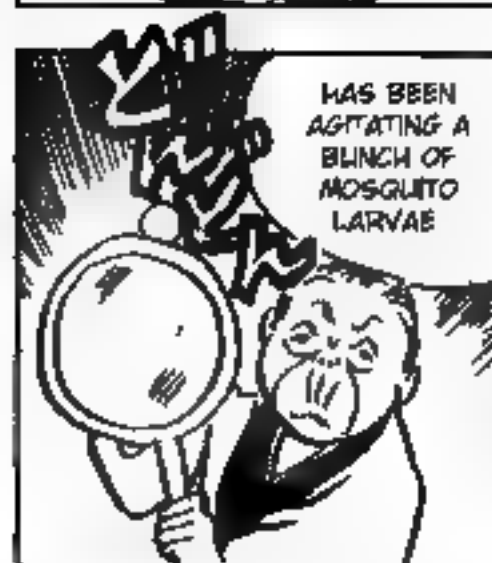

After about a month, the mosquitoes that grew from those larvae were put through training beyond human imagination.

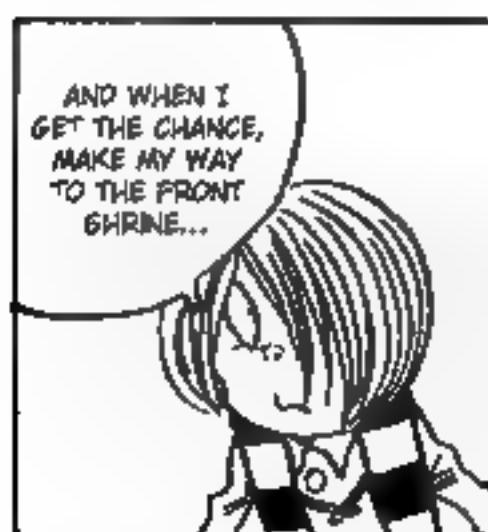

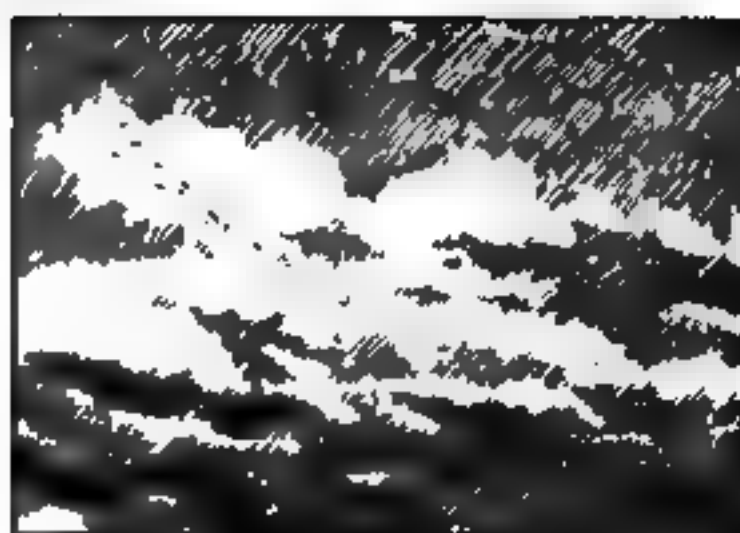

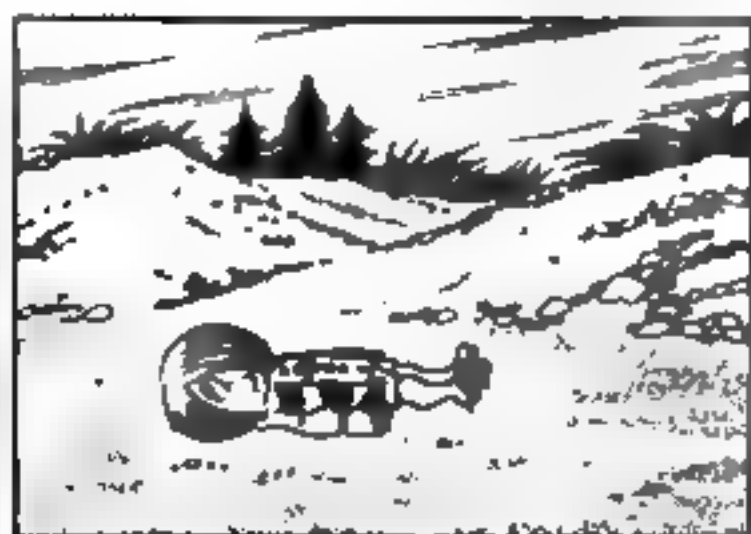

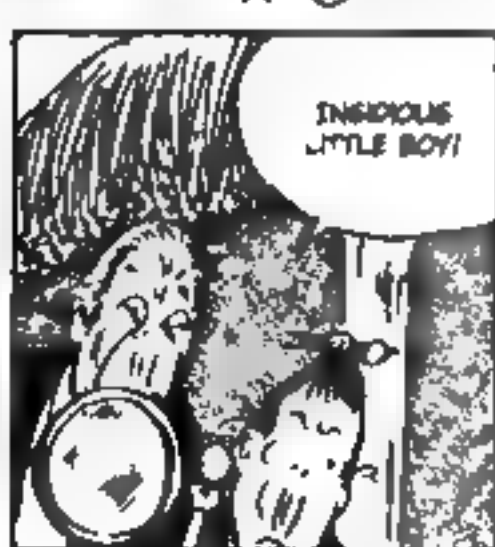

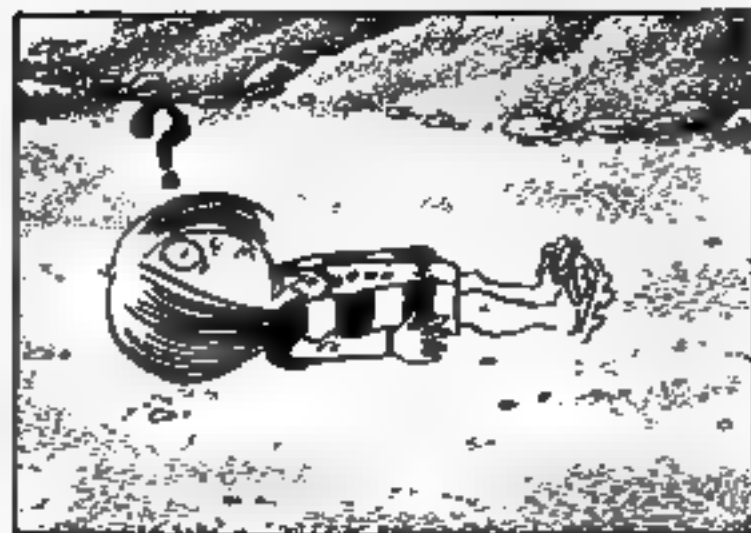

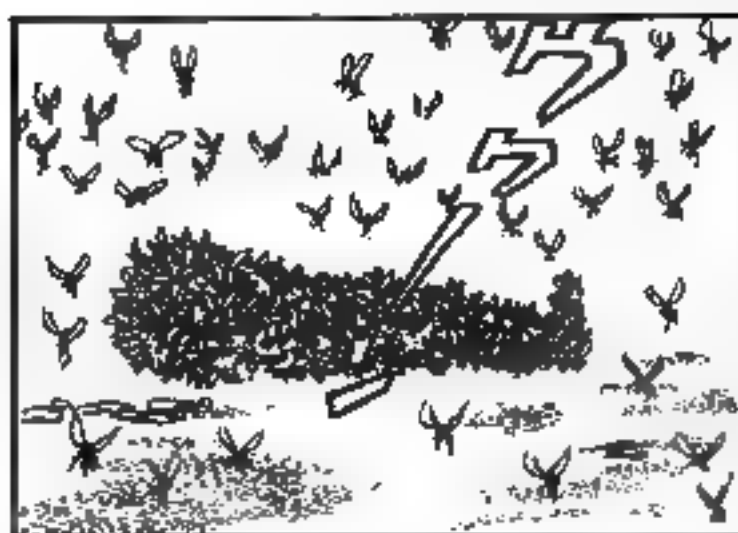

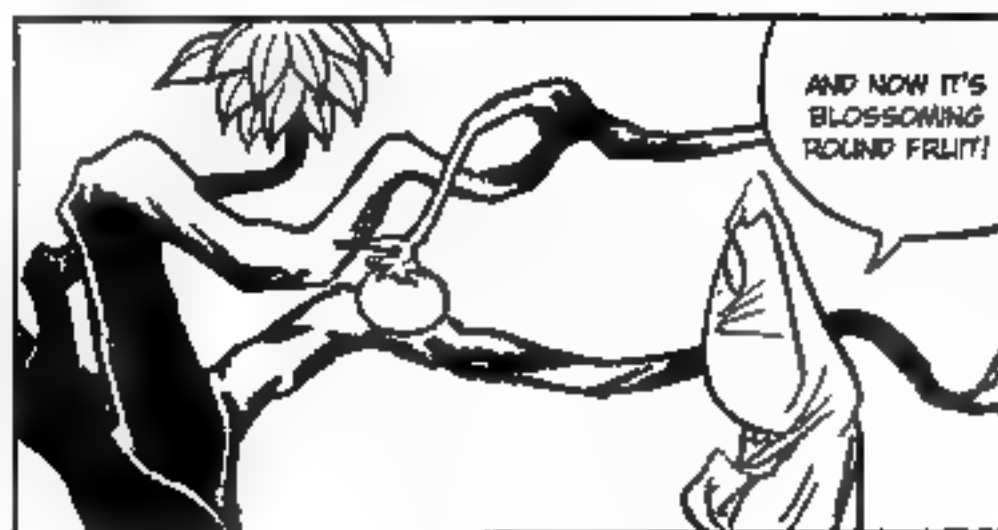

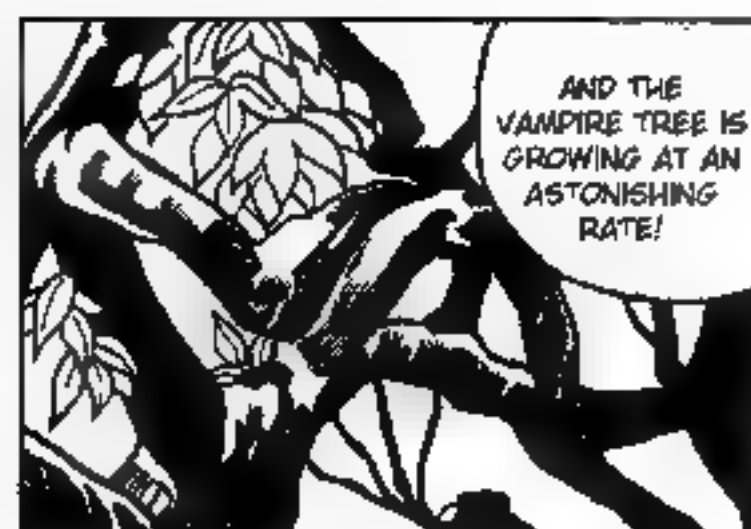

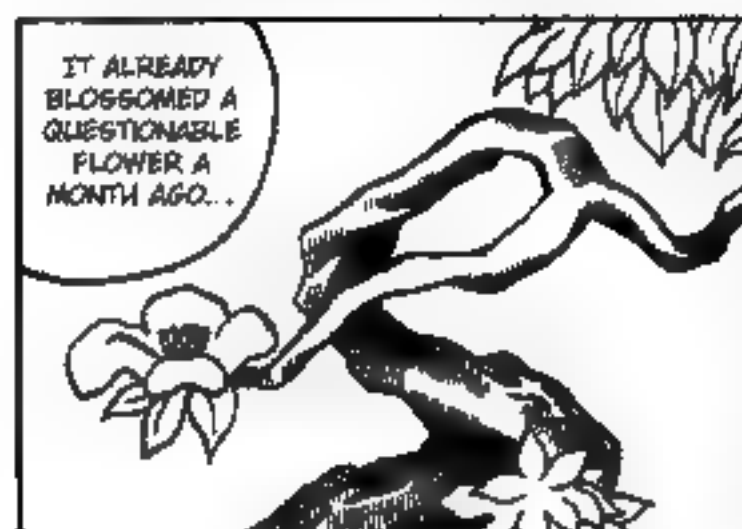

SFX: WE THANK THEE, WE THANK THEE

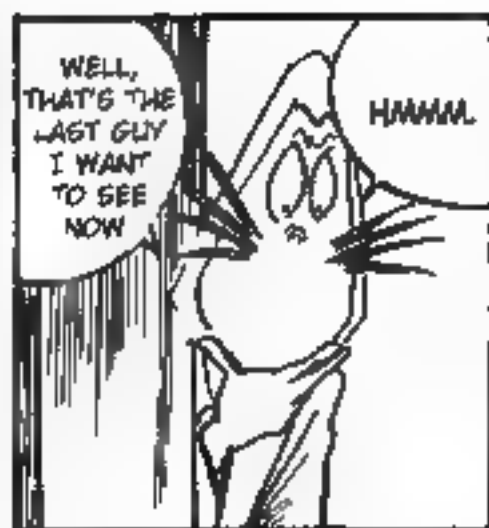

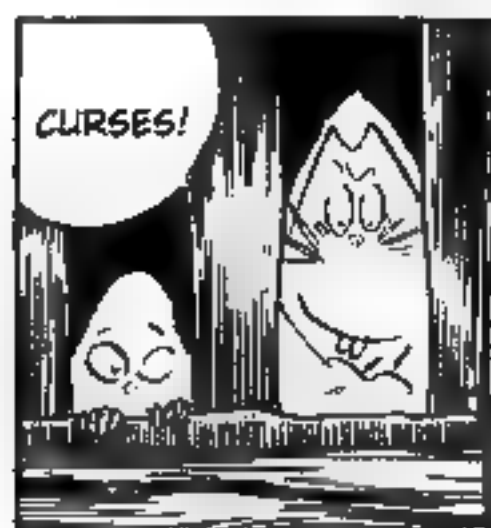

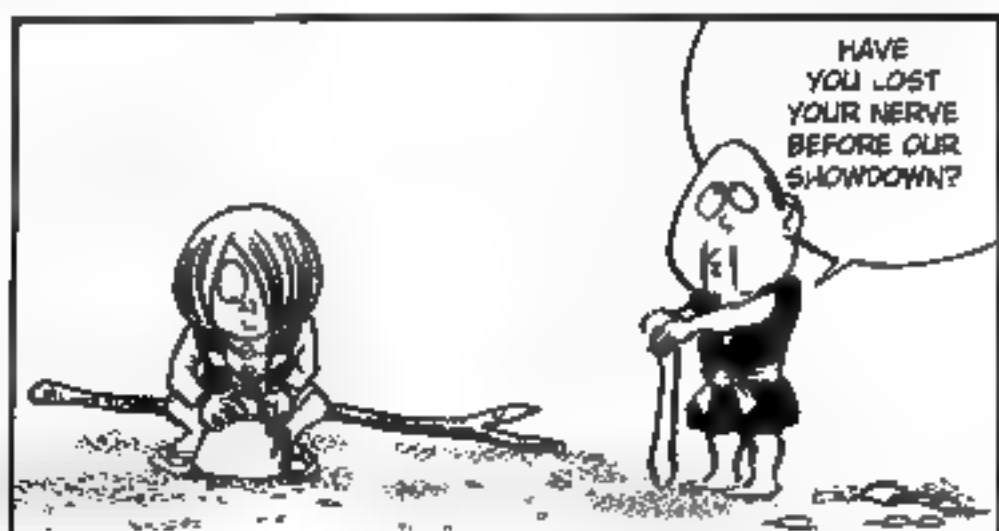

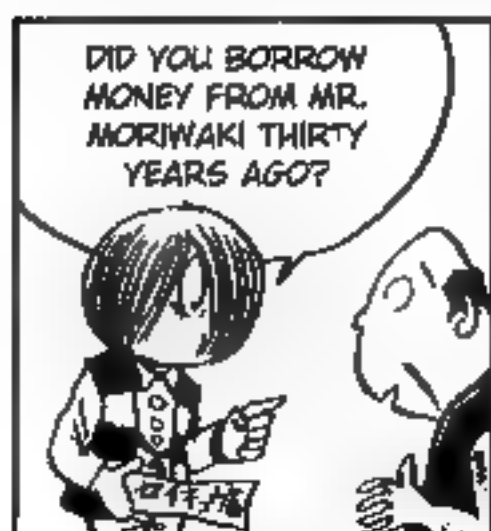

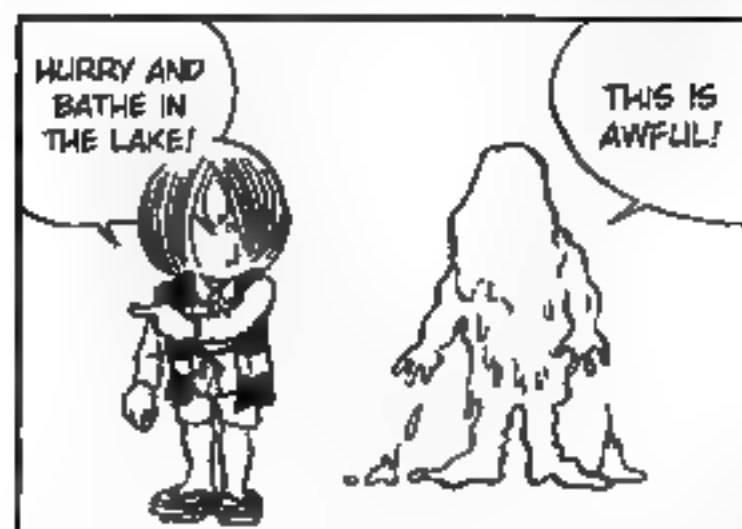

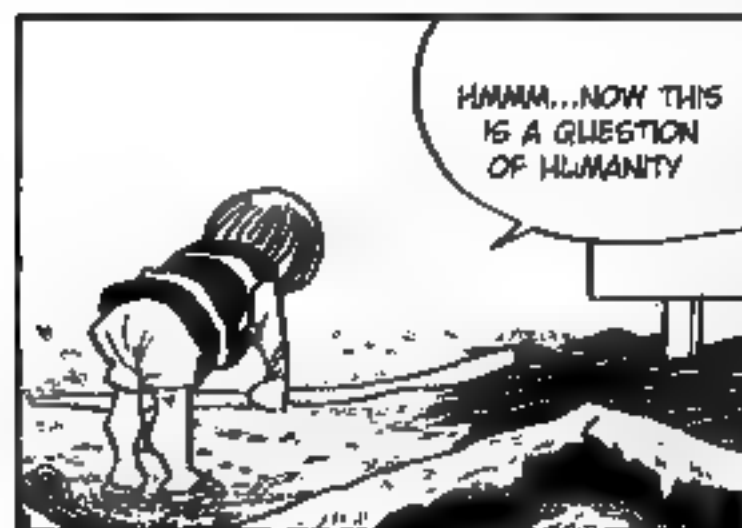

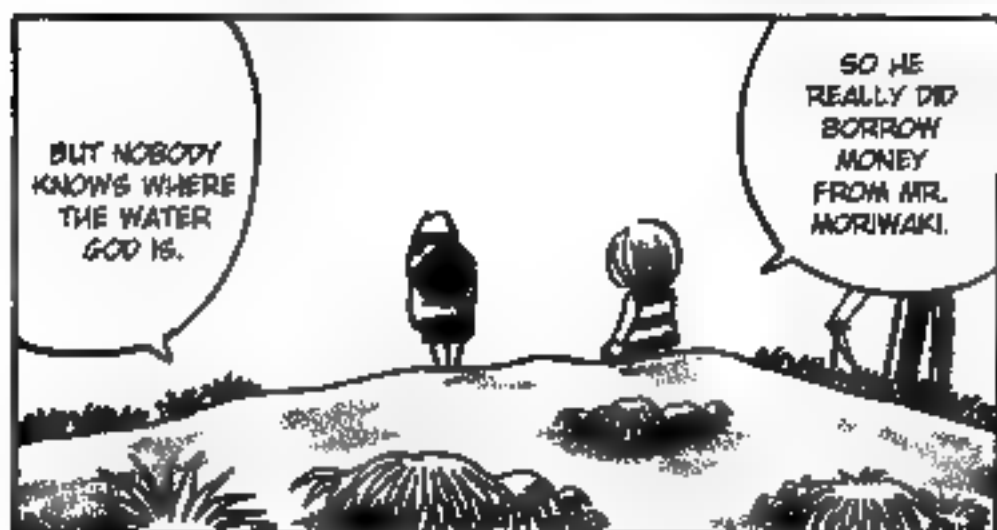

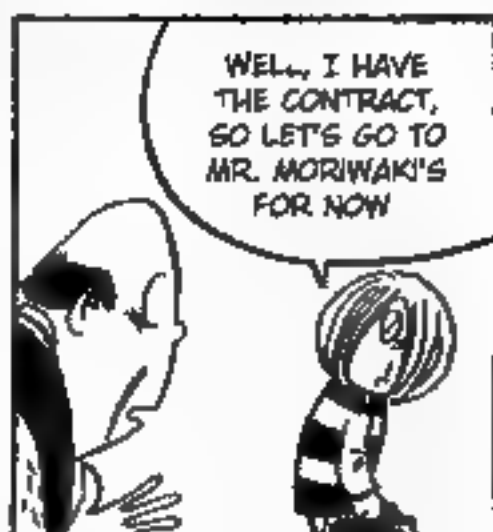

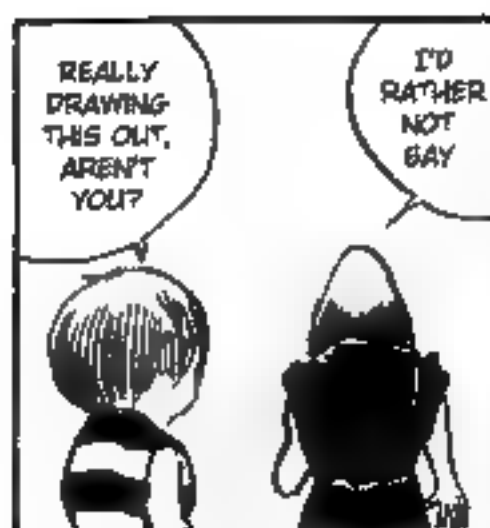

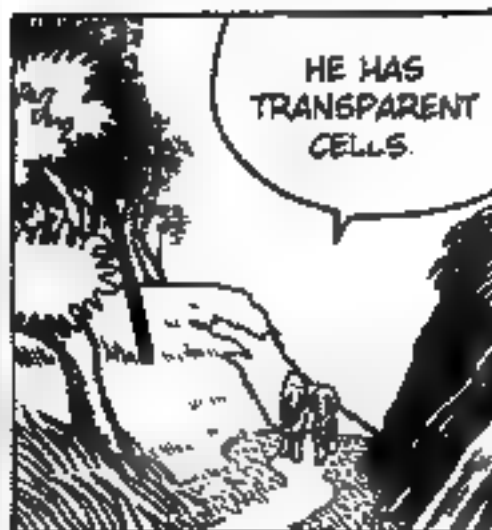

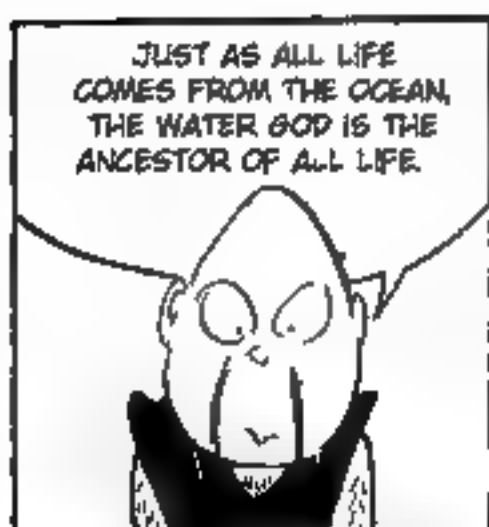

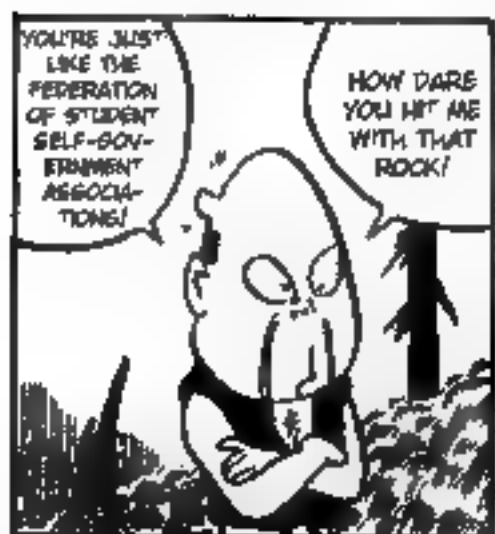

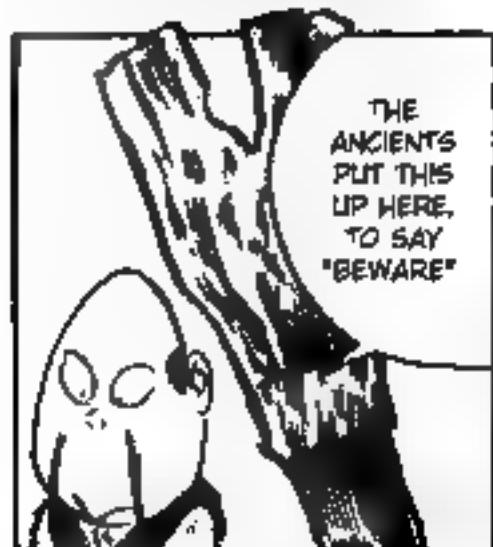

For instance, there are times when people are in need of blood at sea, and they're saved by transfusing sea water instead of blood. This shows that blood and sea water are incredibly similar, but with different colors, demonstrating that all life comes from the sea.

CHAPTER 16

Shigeru Mizuki & Mizuki Pro

Sometimes he takes the form of rain, sometimes mist, sometimes cloud. The dreadful Water God has been devouring people without anyone noticing since ancient times... Fortunately he's been in a deep sleep ever since the Great Kanto Earthquake. The ancients would worship this liquid lifeform as the Water God, and silently prayed that he would rest. But you are now trying to shake this dreadful Water God awake! Fortunately, he's small today because the air is dry, but when the humidity is high, he is very large. The Water God is a master of transformation. When it is in water, it moves the water, and when it is in sea water, it moves the sea water.

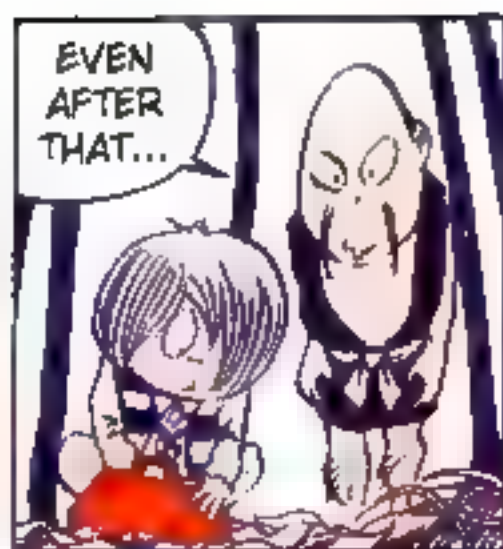

THEY'VE ALL BEEN  
EATEN BY THE  
WATER GOD

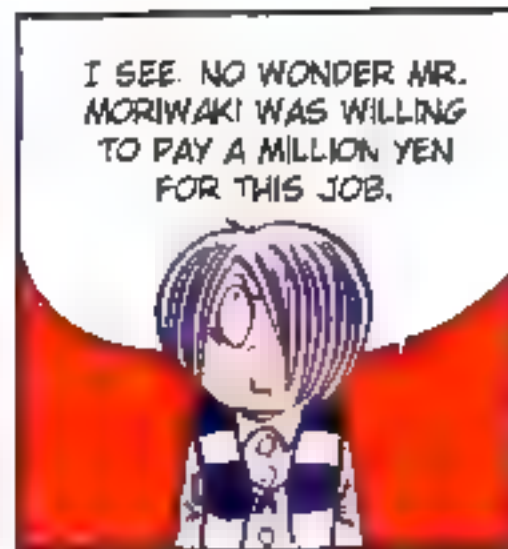

YOU'RE  
STILL  
GOING?

EVEN  
AFTER  
THAT...

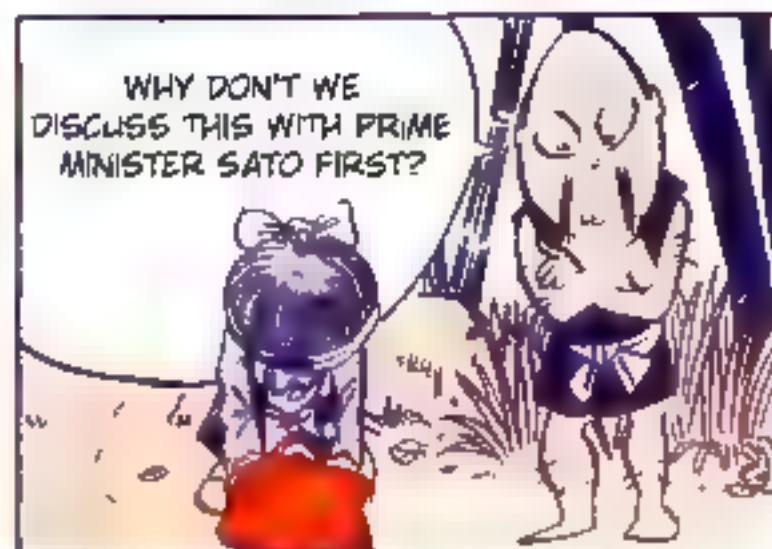

I SEE. NO WONDER MR.  
MORIWAKI WAS WILLING  
TO PAY A MILLION YEN  
FOR THIS JOB.

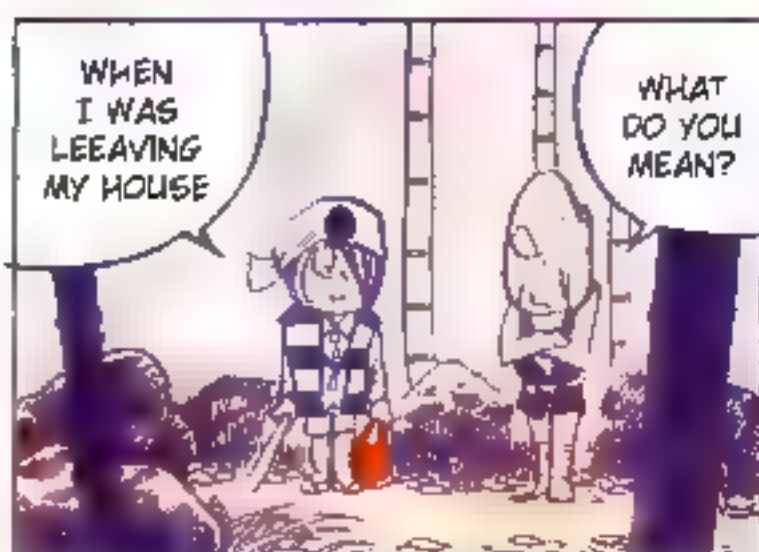

NO,  
TALKING TO  
MR. SATO  
WON'T DO  
ANYTHING.

NO,

WHY DON'T WE  
DISCUSS THIS WITH PRIME  
MINISTER SATO FIRST?

WHEN  
I WAS  
LEAVING  
MY HOUSE

WHAT  
DO YOU  
MEAN?

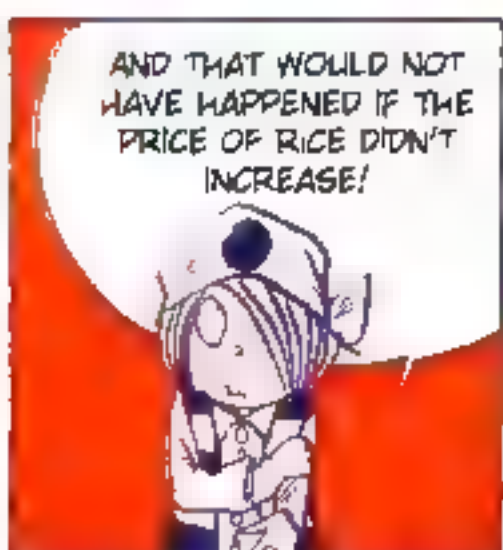

OF  
COURSE  
IT WILL!

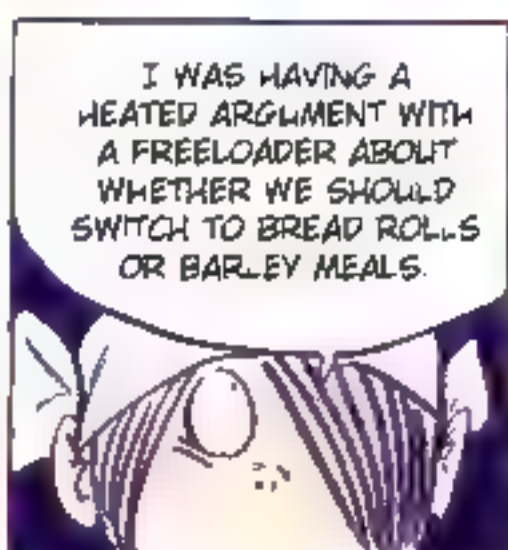

BUT SATO'S GOVERNMENT  
WILL BE CRUSHED IF THE  
WATER GOD IS ANGERED!

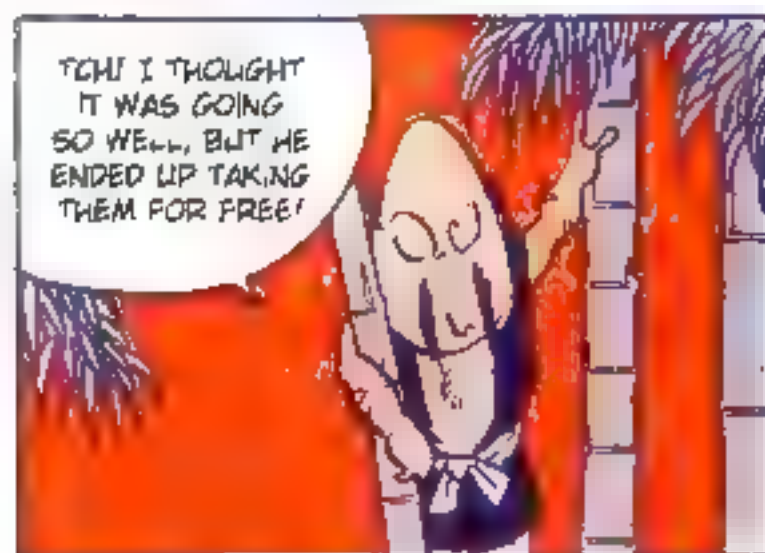

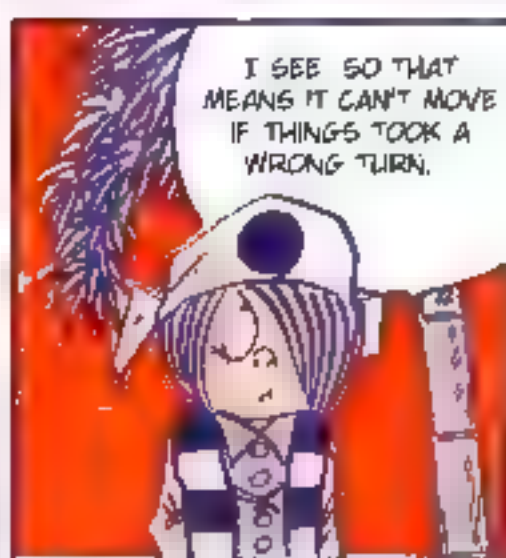

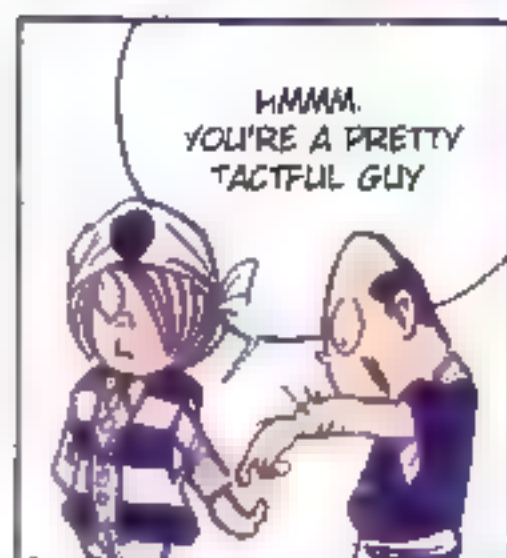

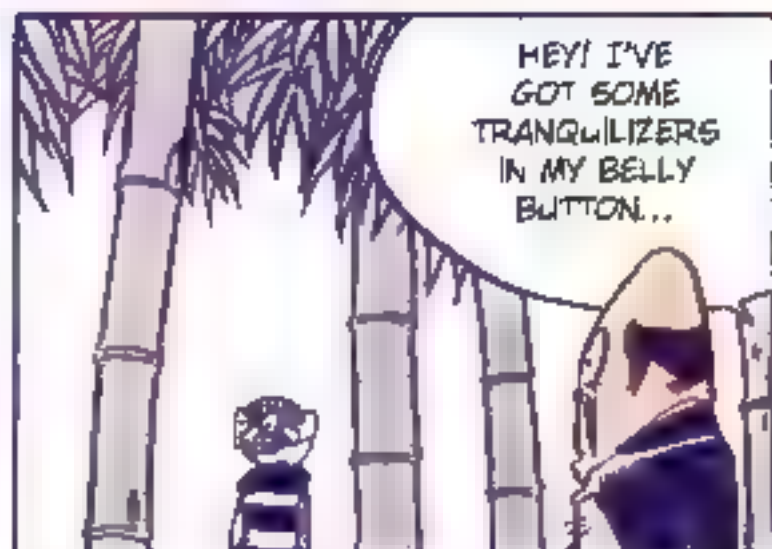

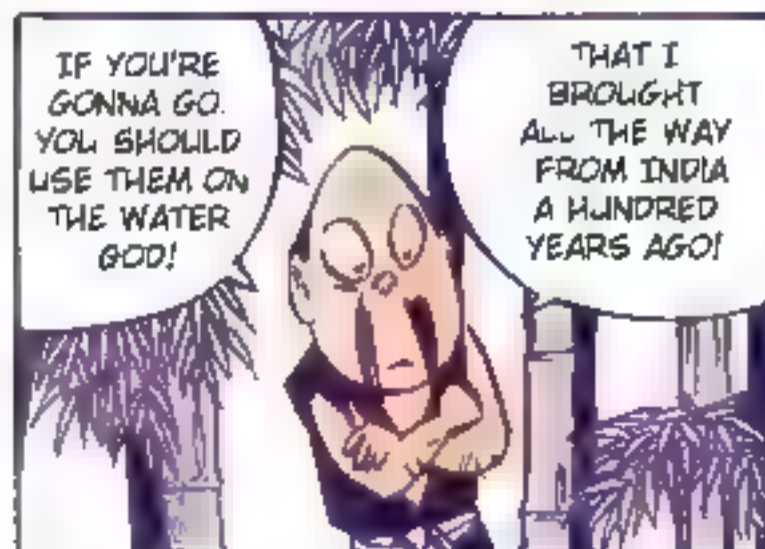

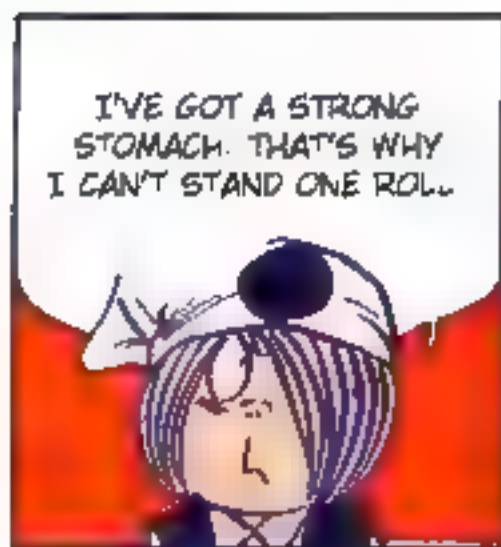

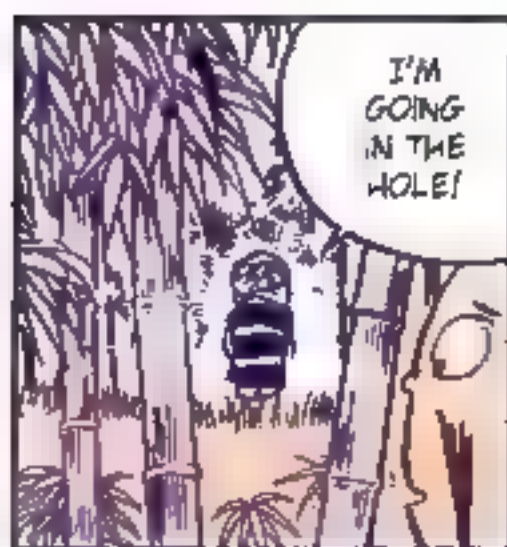

WELL, I UNDERSTAND  
THAT YOU WANT TO  
EAT GOOD MEALS!

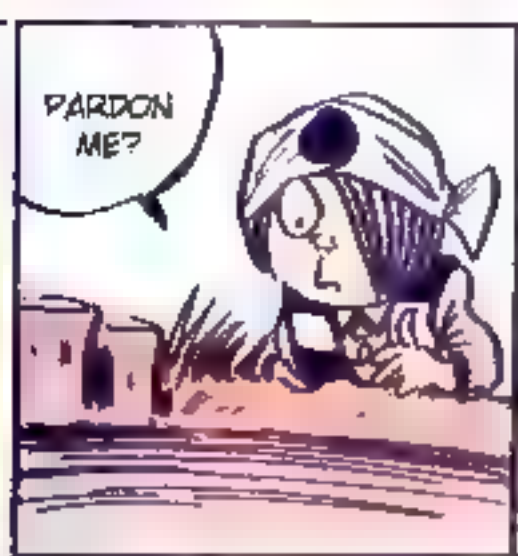

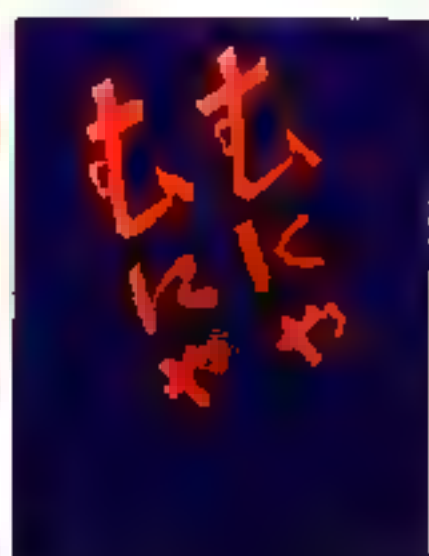

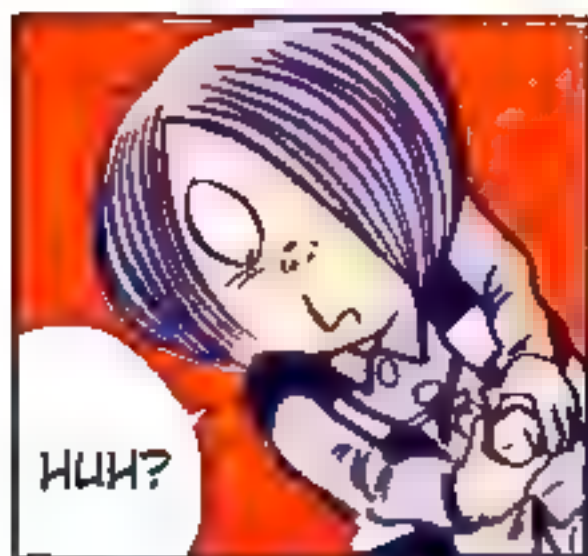

AND THAT WOULD NOT  
HAVE HAPPENED IF THE  
PRICE OF RICE DIDN'T  
INCREASE!

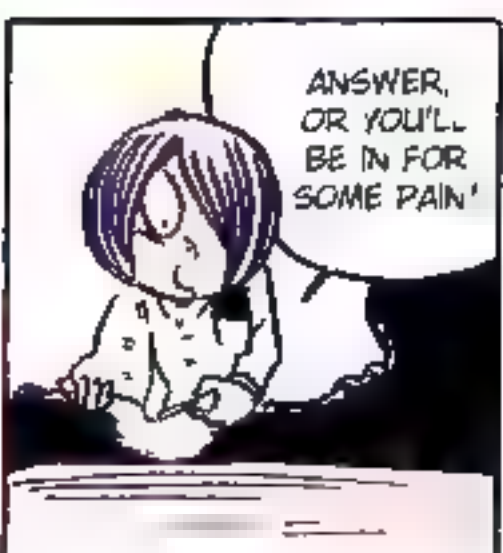

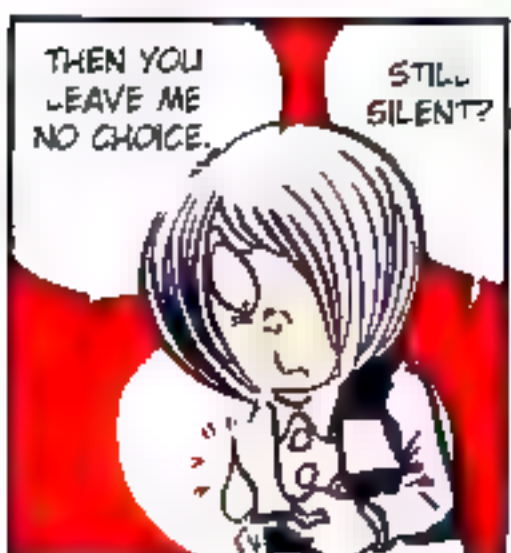

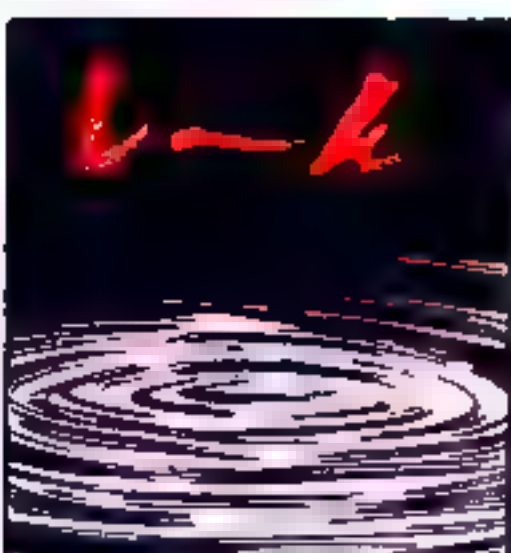

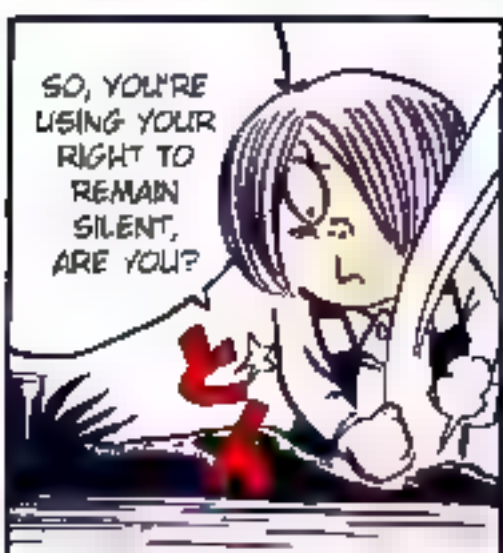

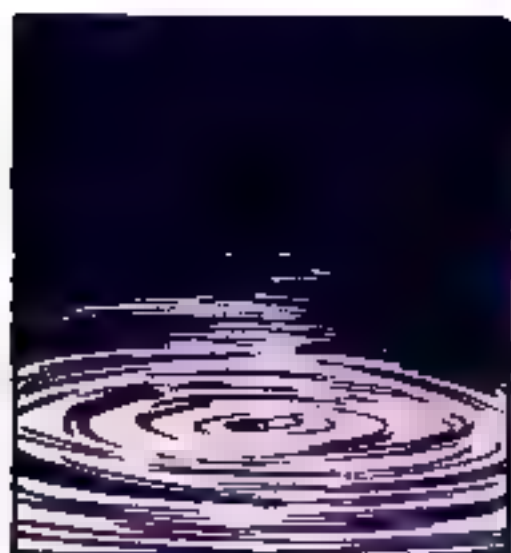

I WAS HAVING A  
HEATED ARGUMENT WITH  
A FREELoader ABOUT  
WHETHER WE SHOULD  
SWITCH TO BREAD ROLLS  
OR BARLEY MEALS.

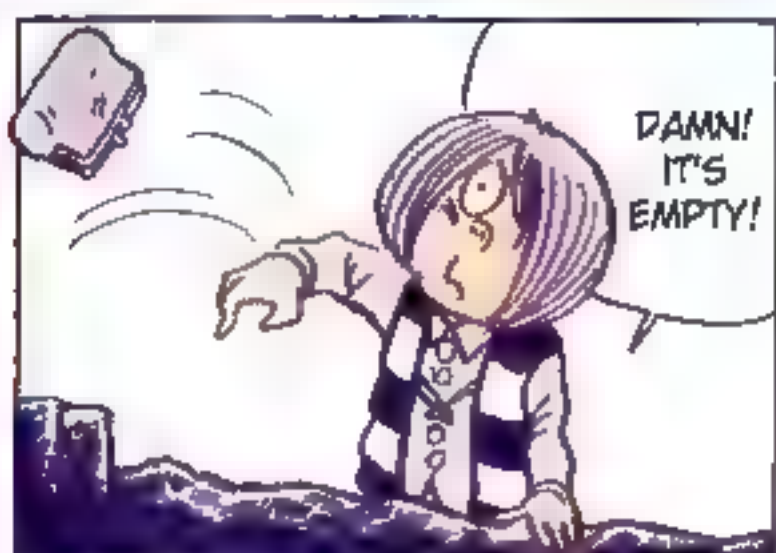

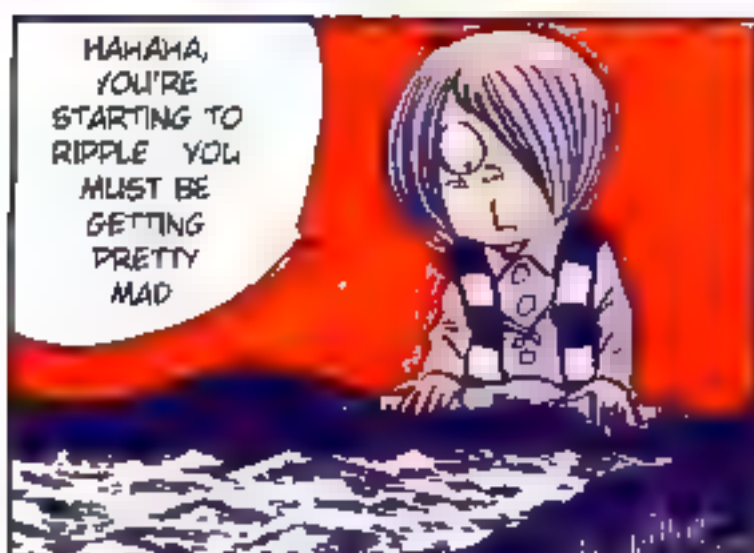

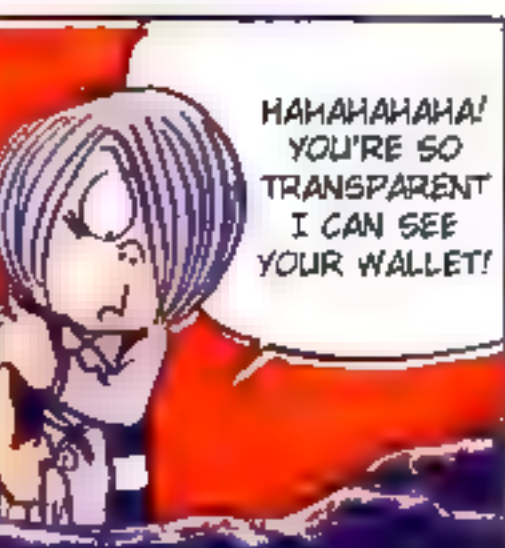

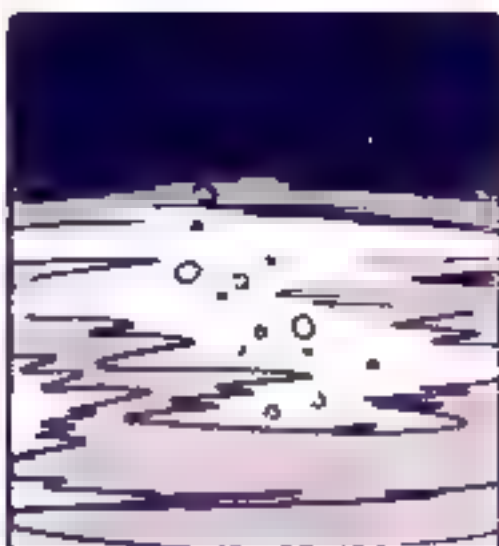

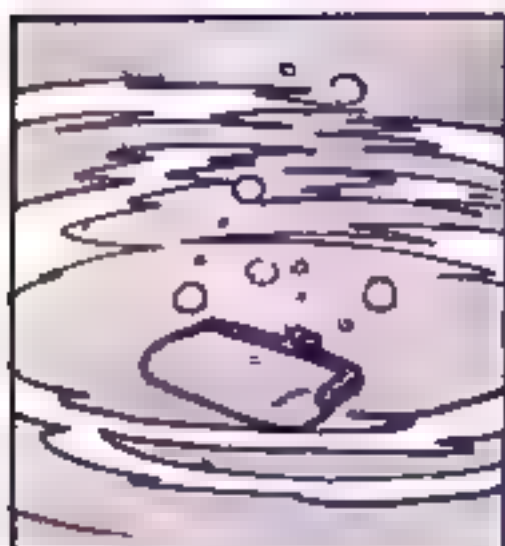

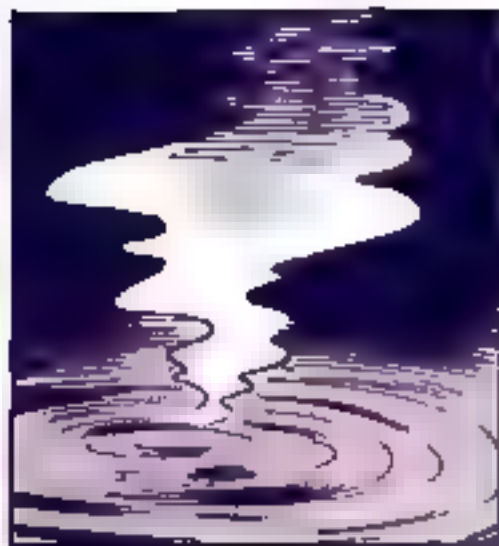

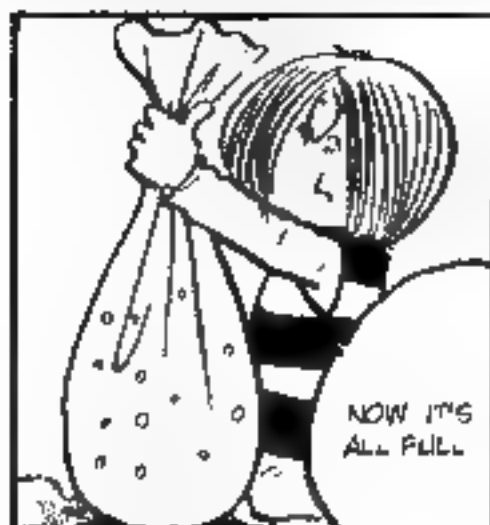

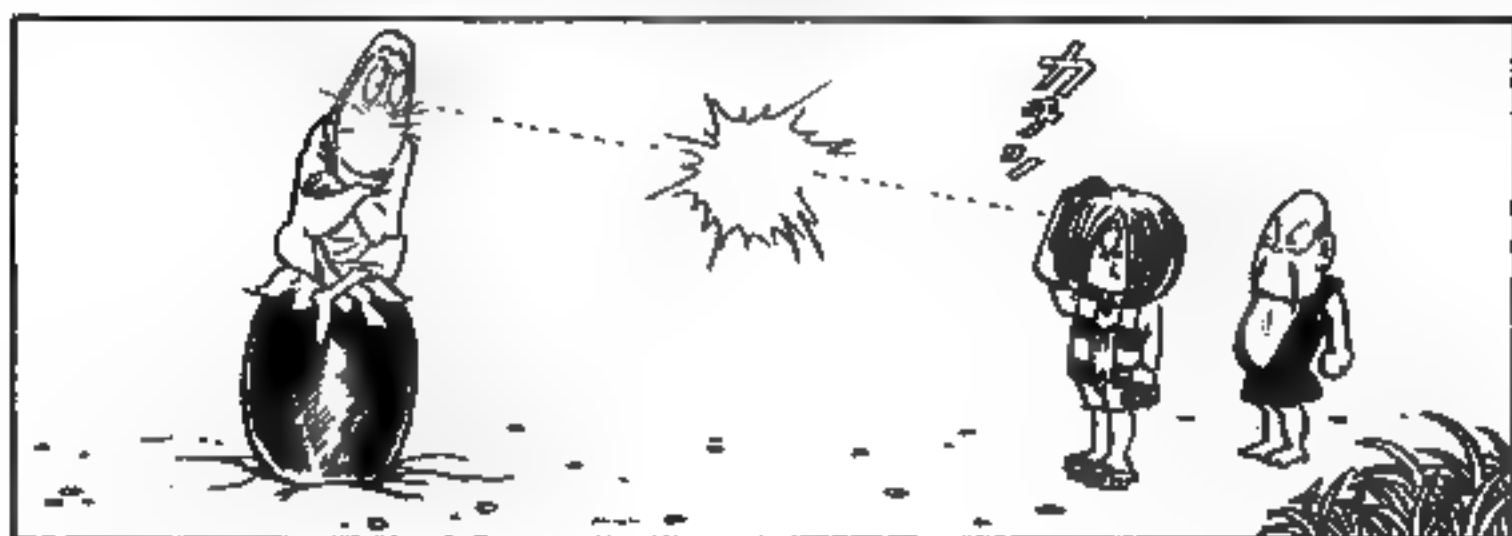

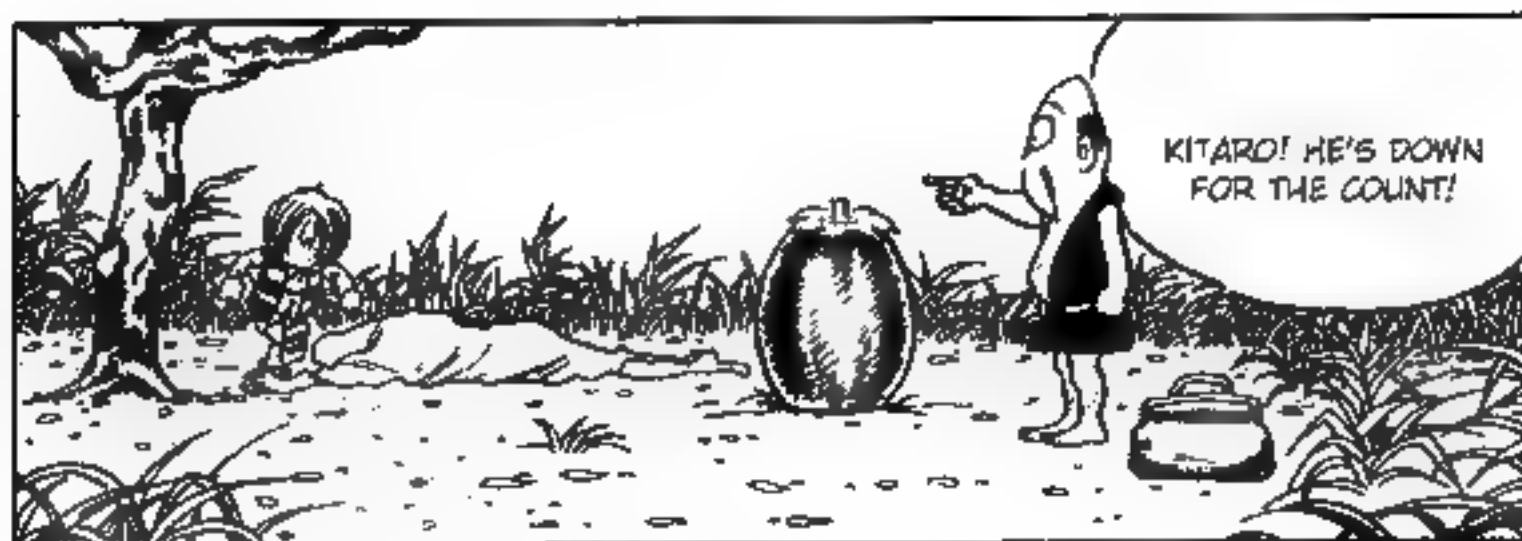

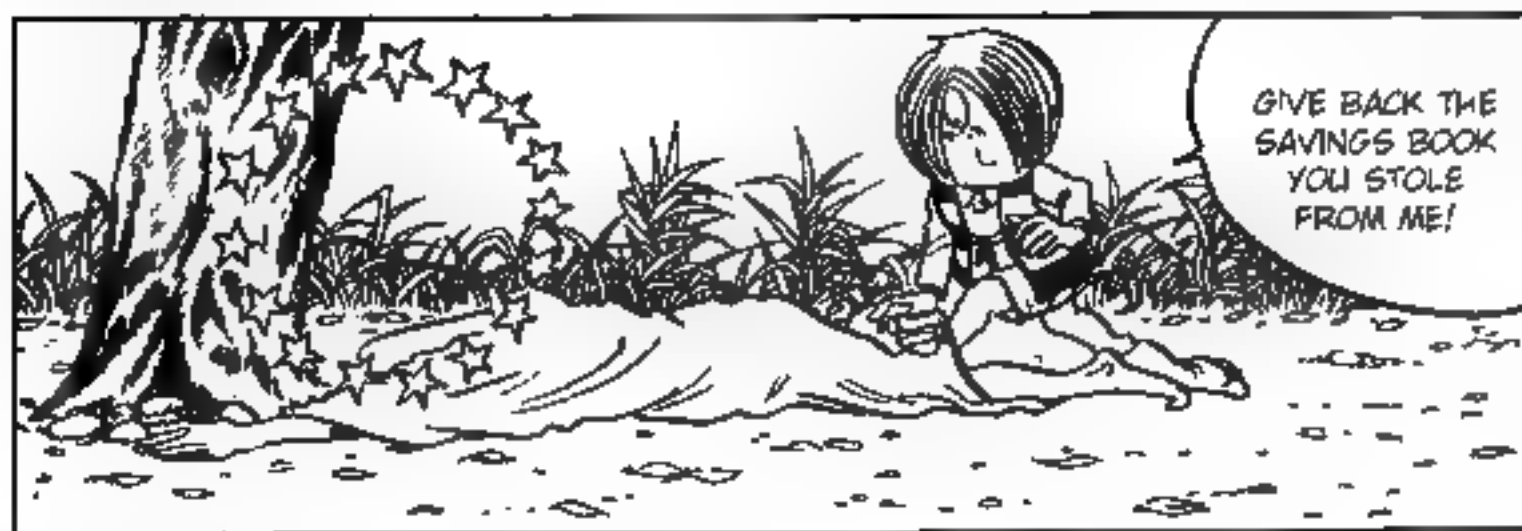

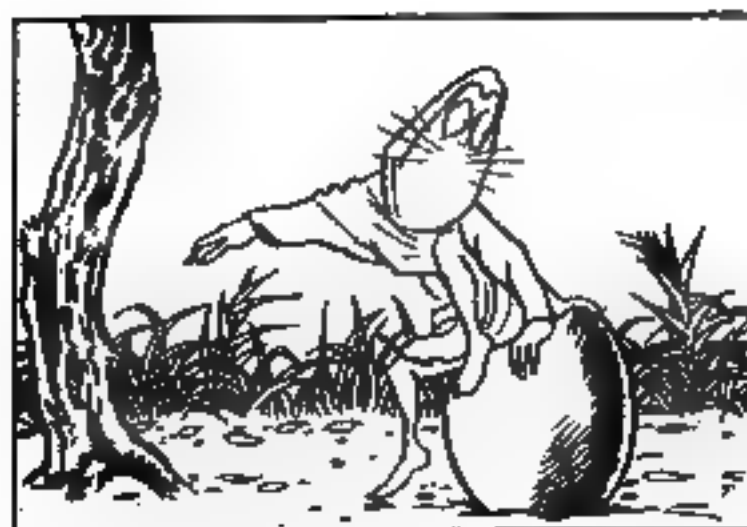

Rat-man had been staring in awe at the giant fruit of the Vampire Tree growing in his lawn.

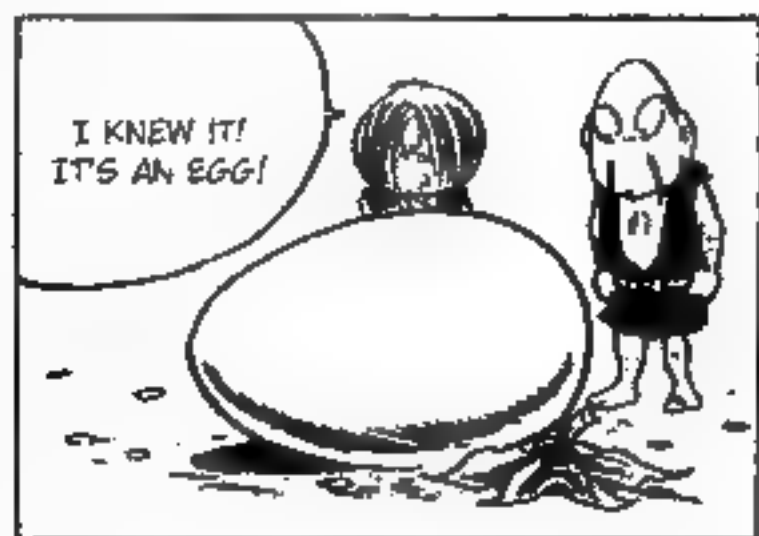

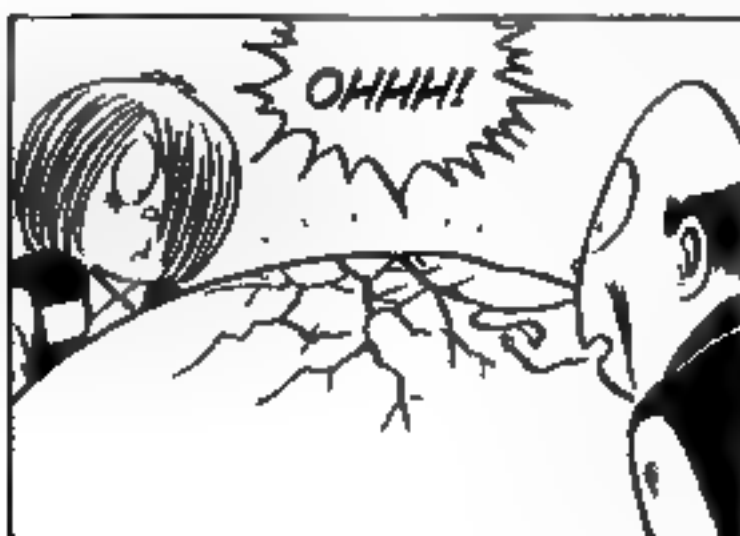

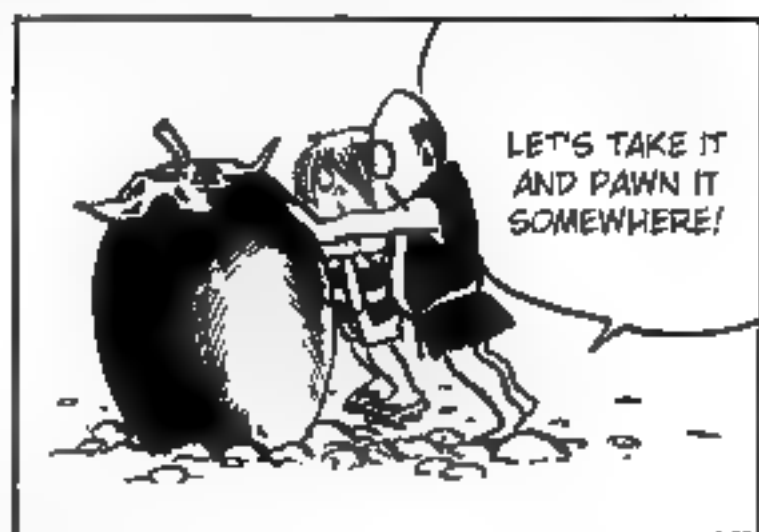

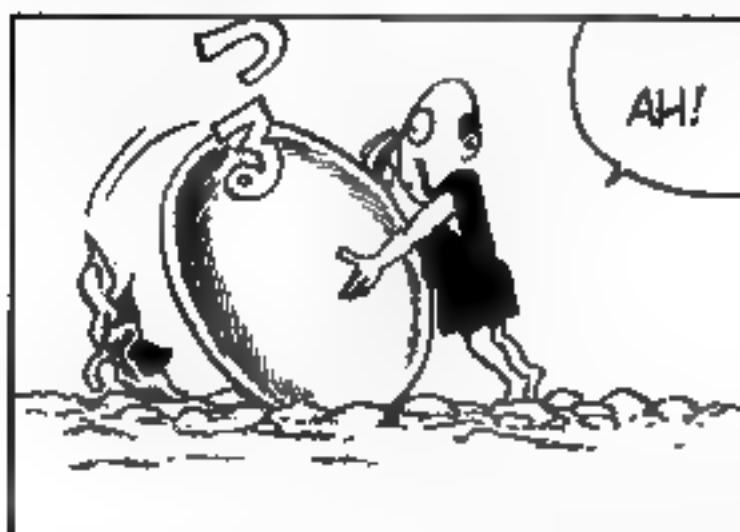

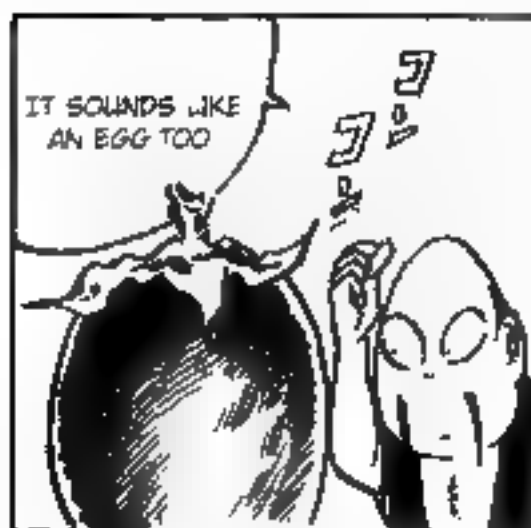

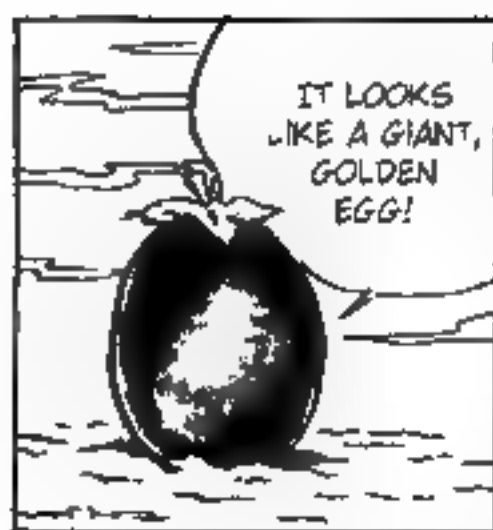

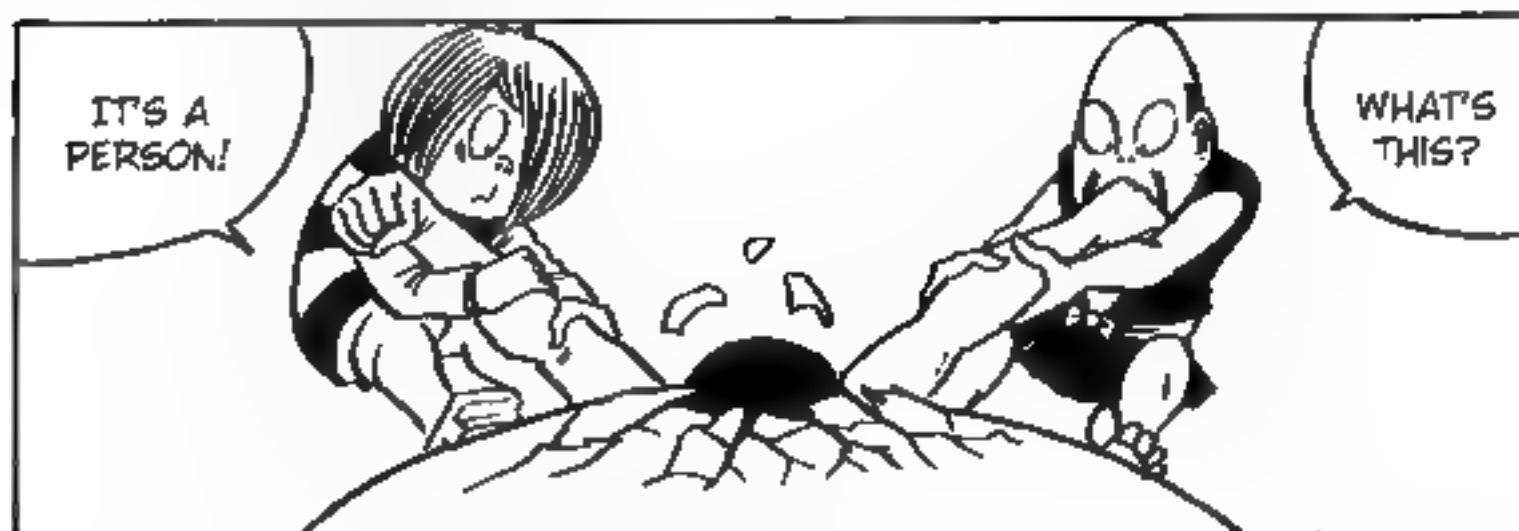

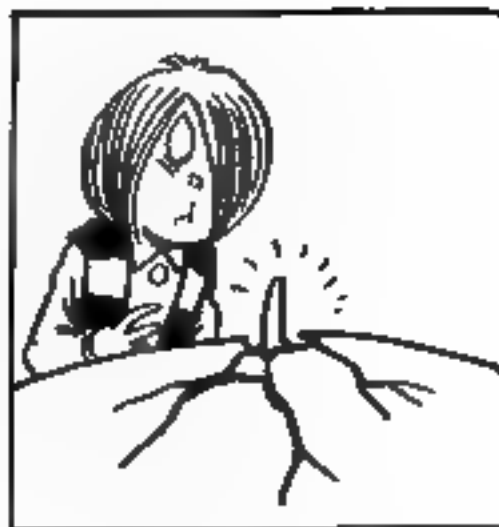

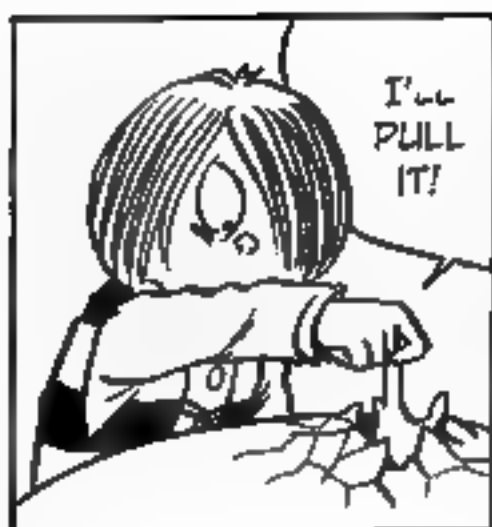

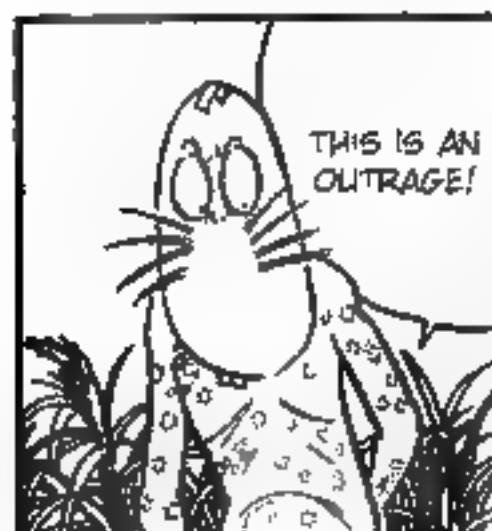

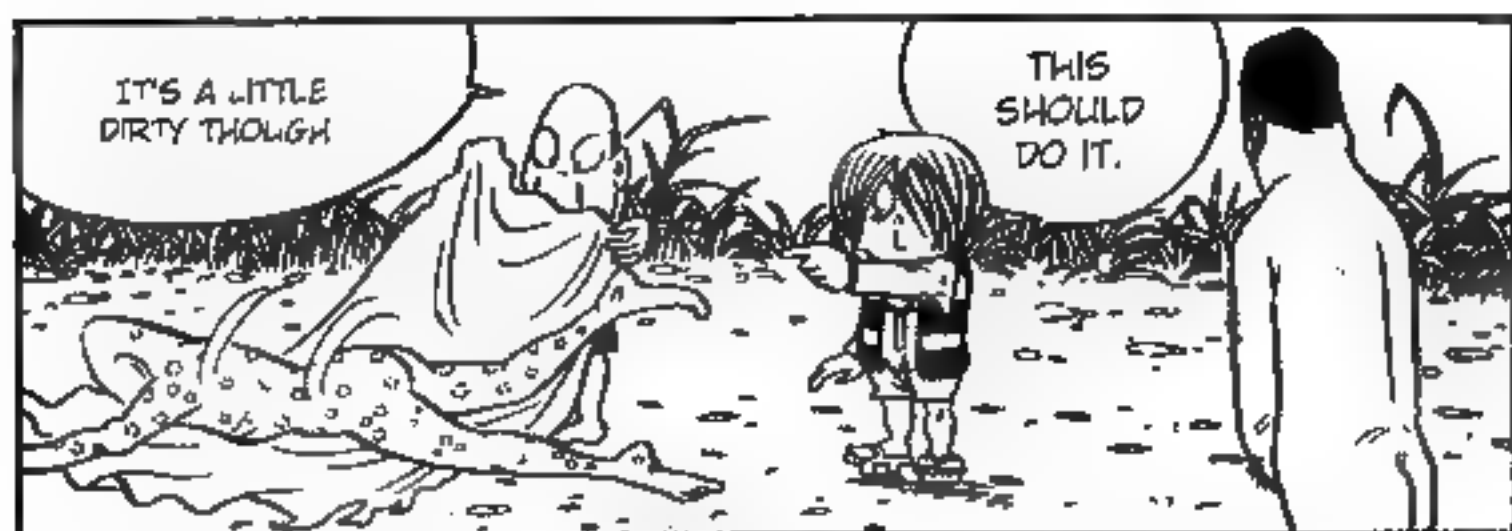

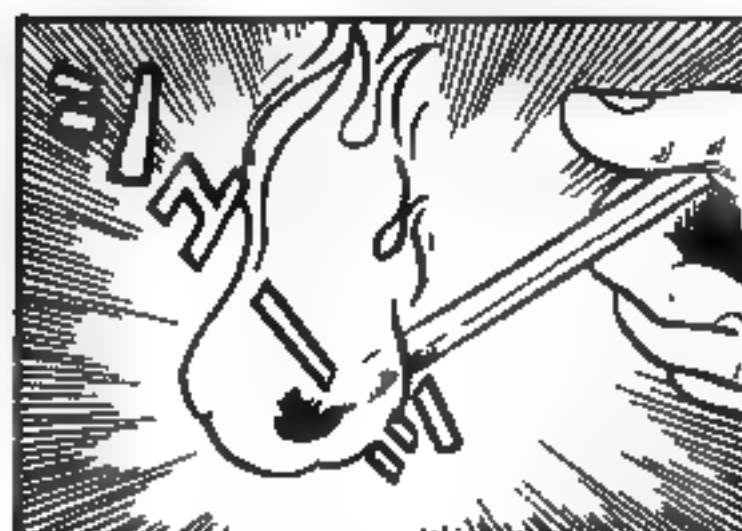

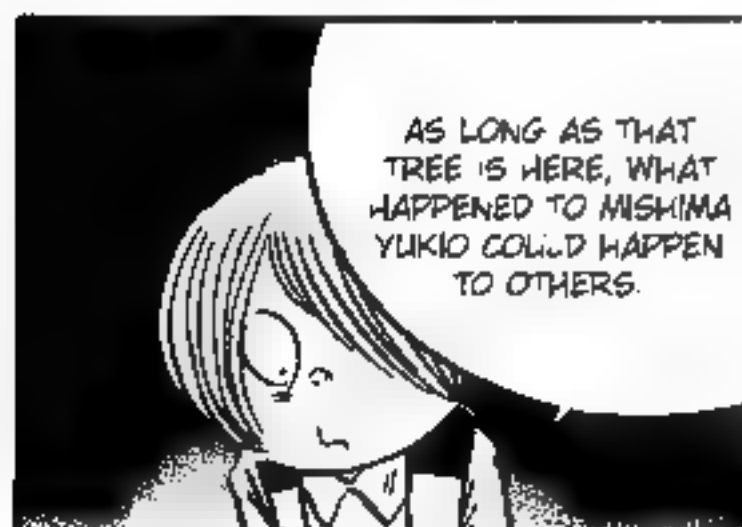

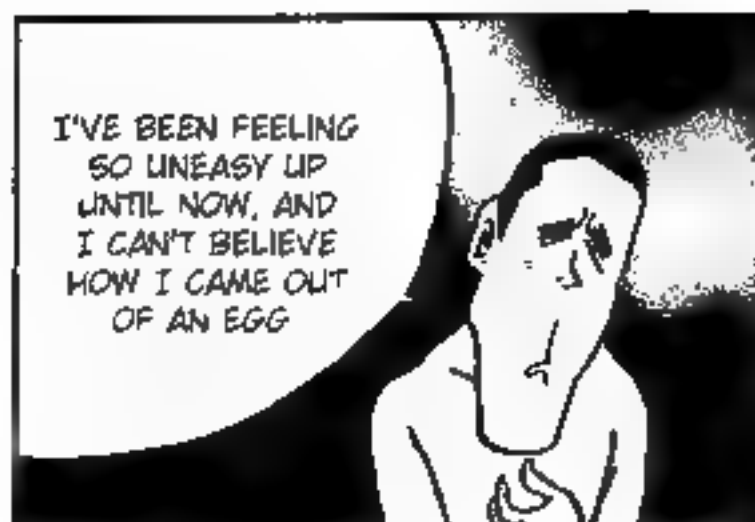

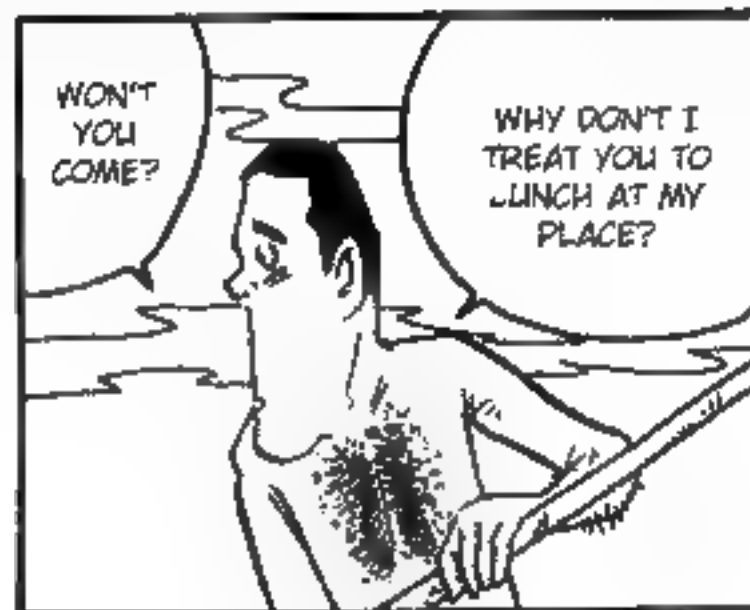

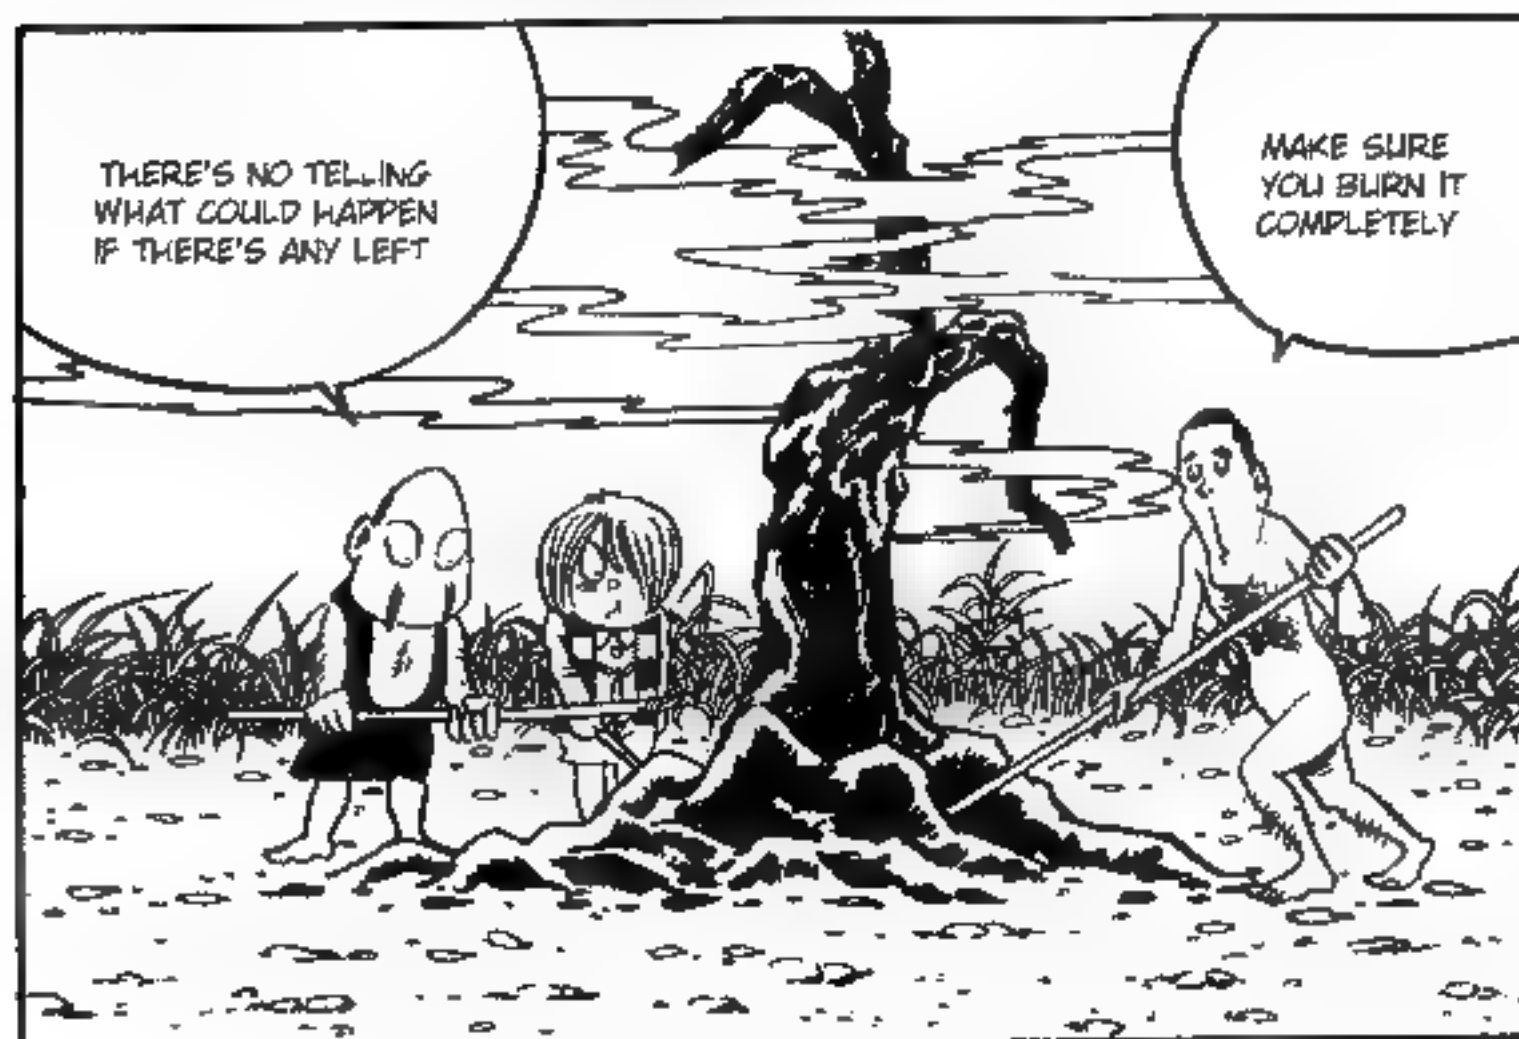

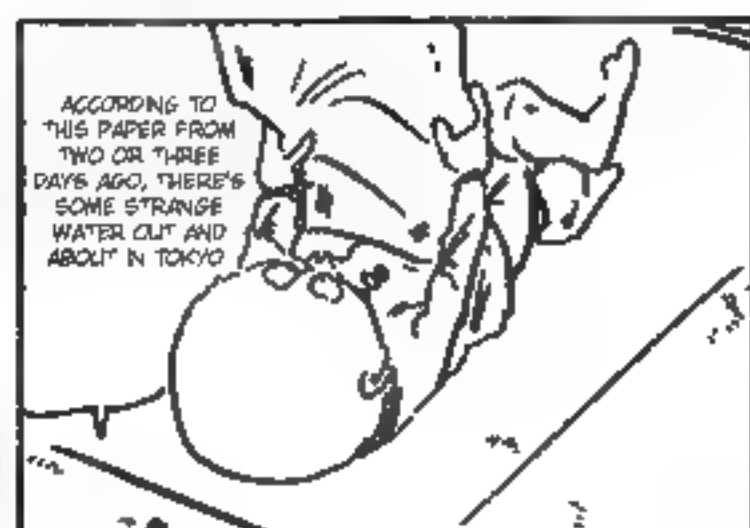

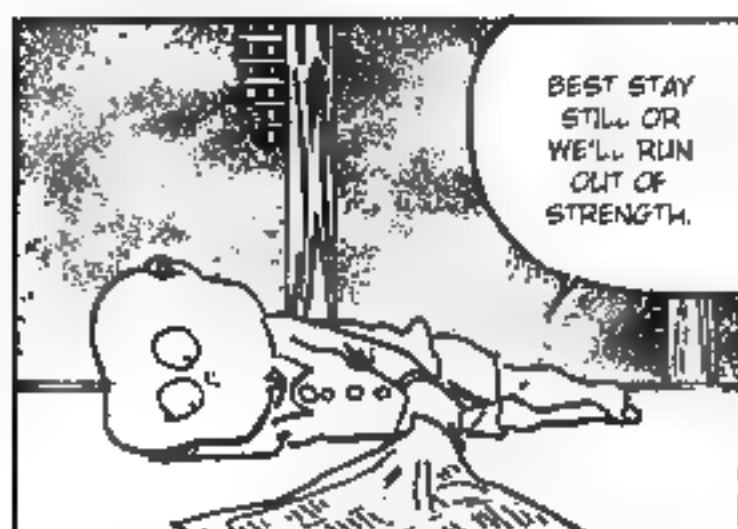

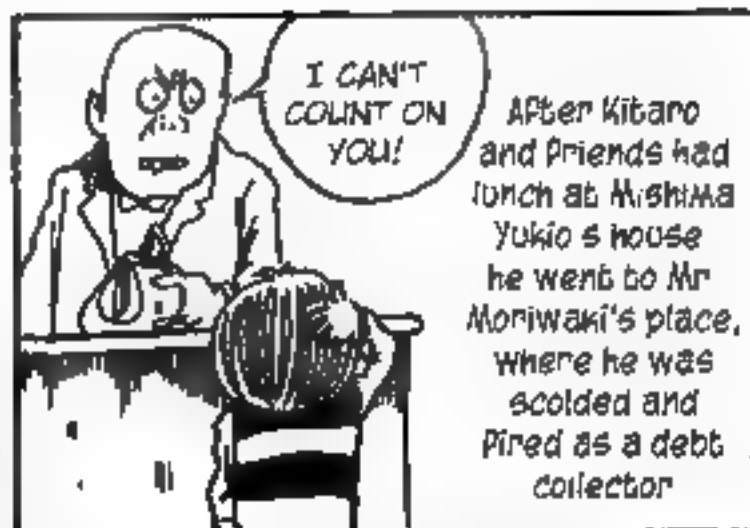

HUH!?

WELL...ABOUT THE  
WATER GOD.. THIS AND  
THAT HAPPENED

WHAT!? IS THAT  
WHAT HAPPENED...?  
DON'T TELL ME THAT  
IT'S THE DREADFUL  
WATER GOD!

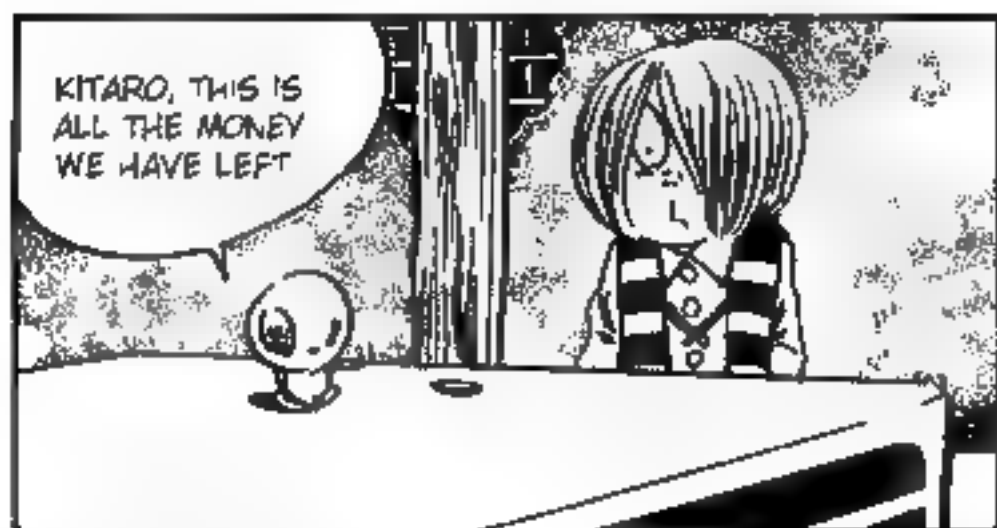

NO ONE'S EVER  
ANGERED THE  
WATER GOD AND  
LIVED TO TELL  
THE TALE!

N-NO  
WAY!

HMM... YOU'VE DONE  
SOMETHING TERRIBLE. YOU'RE  
PROBABLY GOING TO BE EATEN!

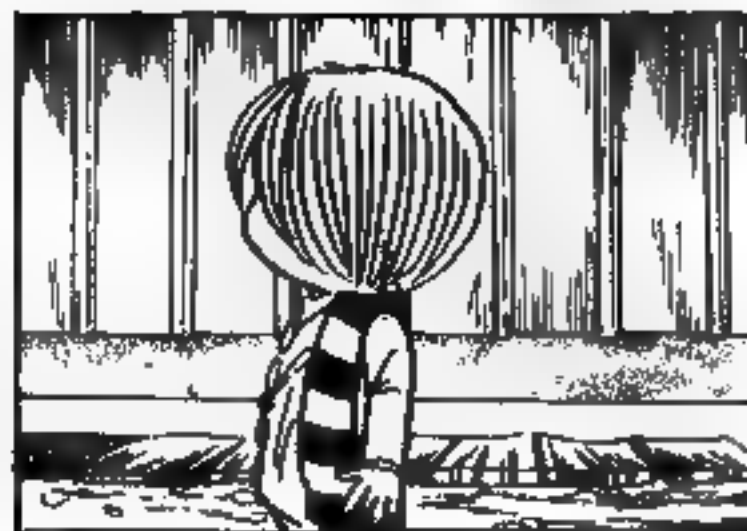

KITARO, THIS IS  
ALL THE MONEY  
WE HAVE LEFT

THAT'S JUST  
SUPERSTITION! I'M  
GOING TO BUY SOME  
BREAD ROLLS!

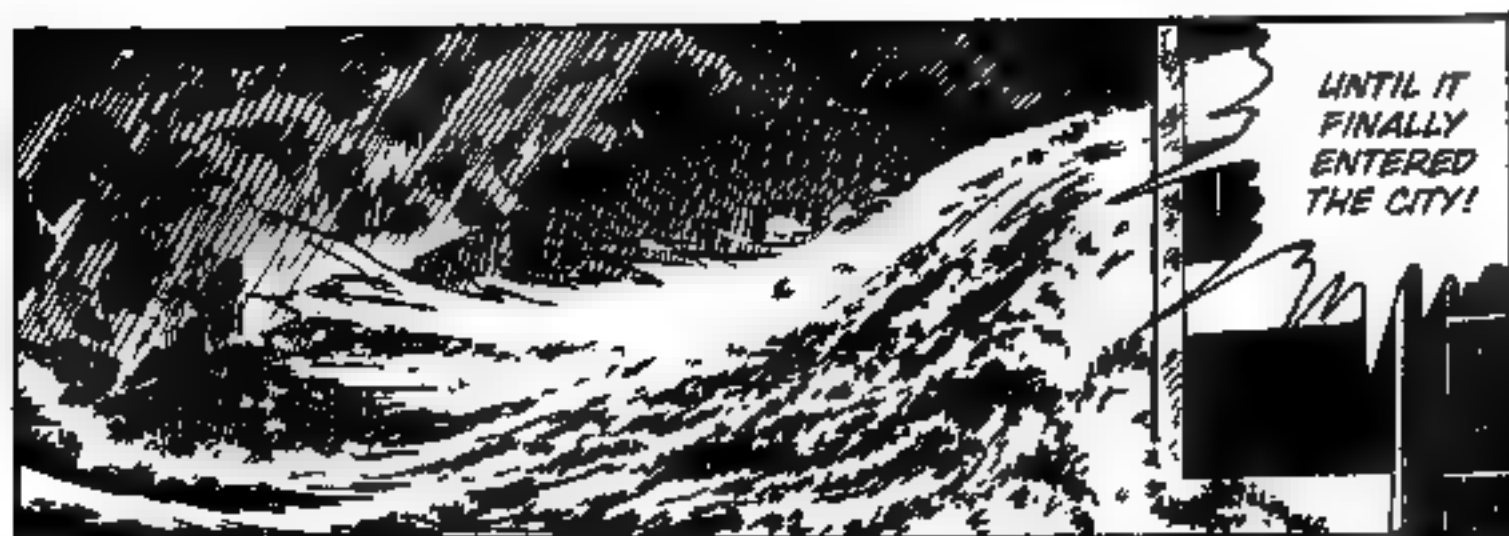

HE DIDN'T NOTICE  
THAT THE SEWER  
WATER...

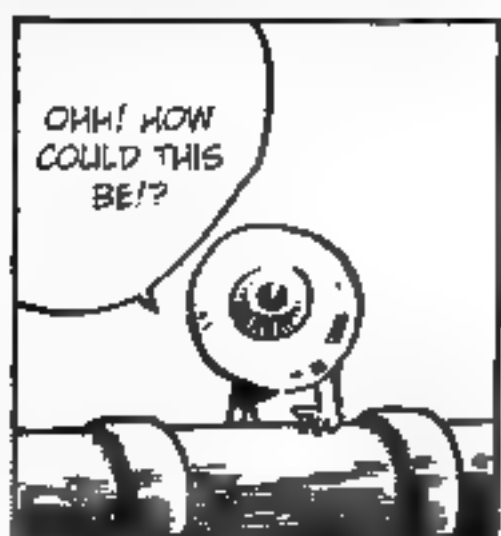

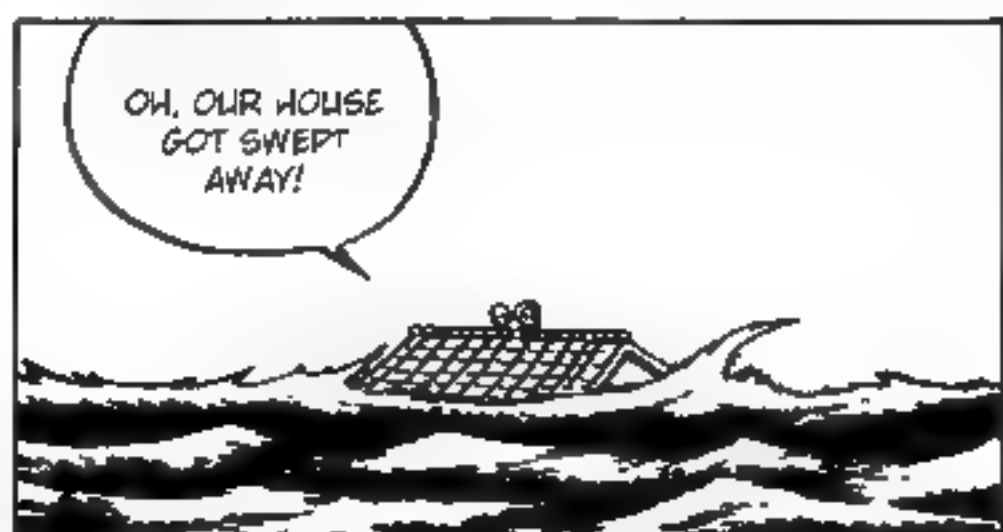

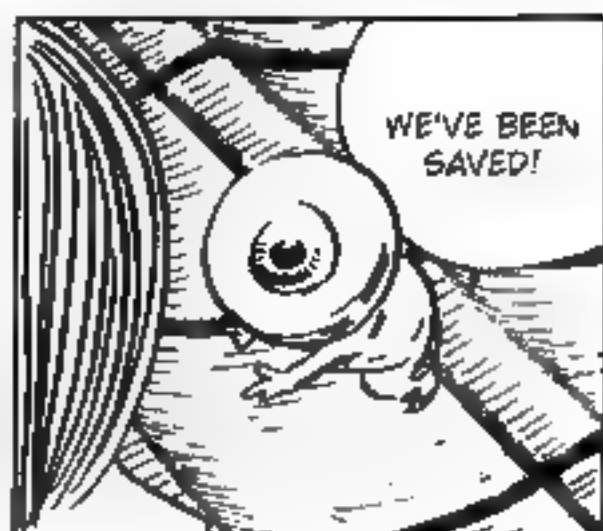

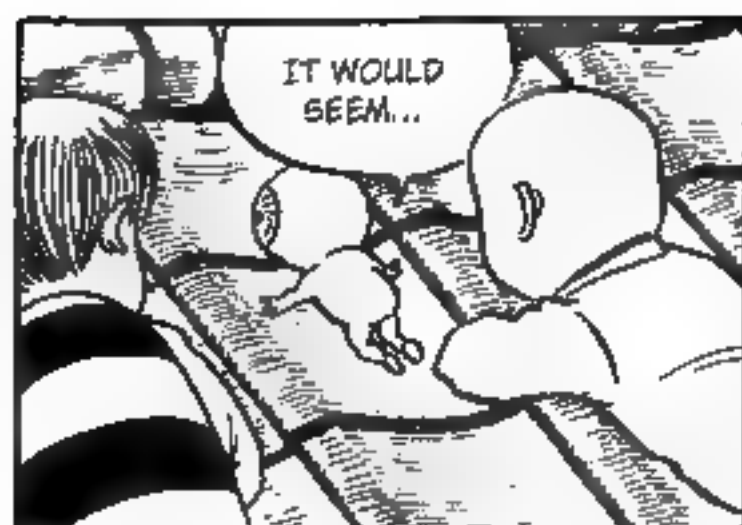

The Water God could not spot Kitaro from the sky, so he snuck into the sewers and searched for Kitaro from there. And then... two or three days later...

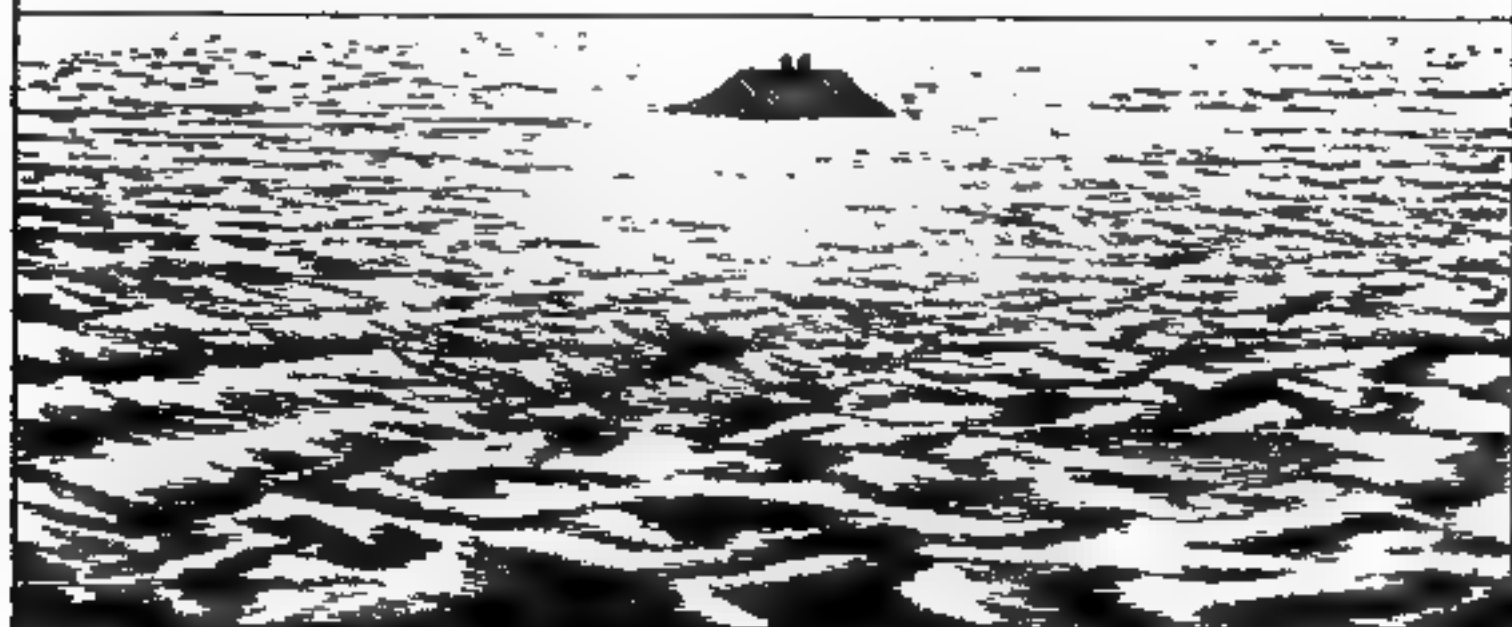

WHERE DO YOU  
THINK WE ARE?  
WE'RE IN THE  
PACIFIC OCEAN!

WELL, THERE'S  
STILL HOPE.

YOU THINK  
THINGS WILL  
GO THAT WELL?  
REALITY IS HARSH!

MORON!

WE COULD  
CALL FOR  
HELP?

WELL, IF A BOAT  
WERE TO PASS BY ..

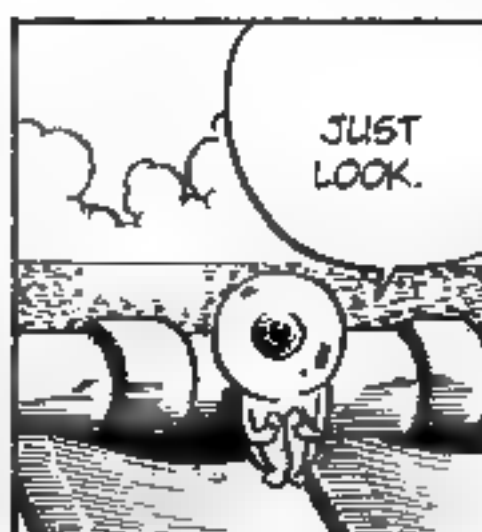

I SAY 'SLOW'  
'CAUSE YOU'RE  
SLOW!

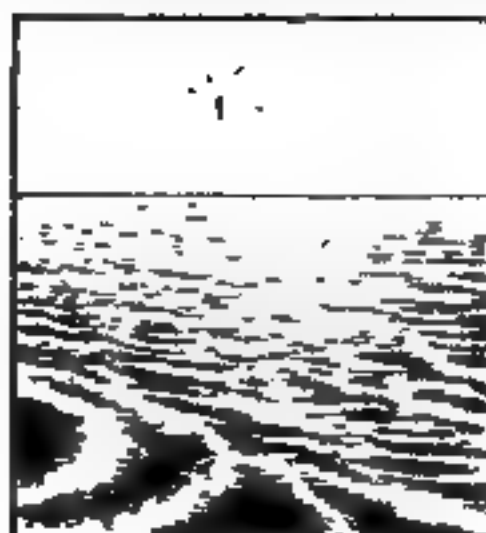

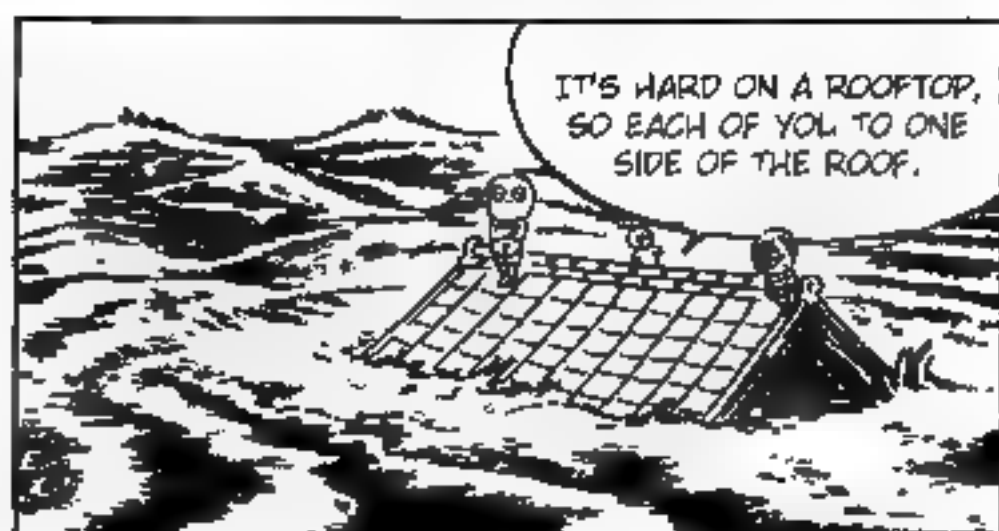

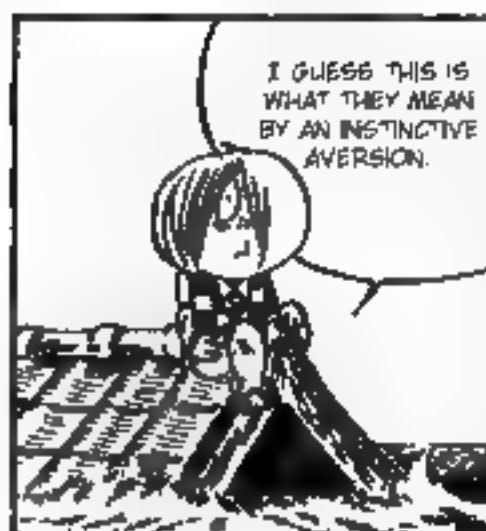

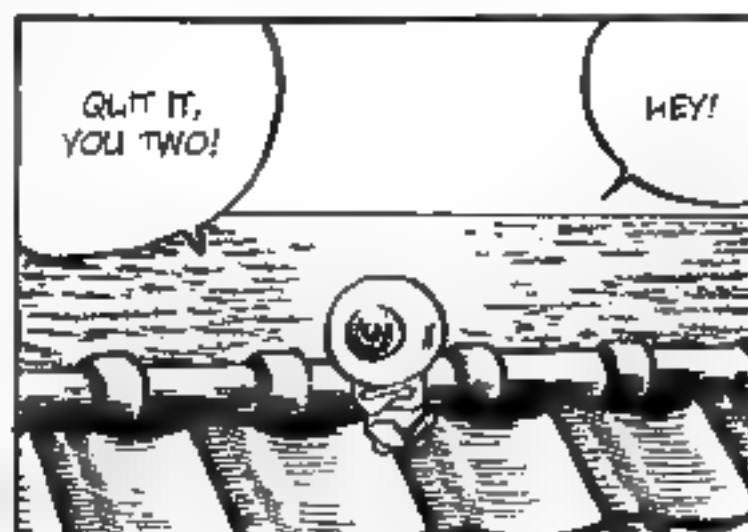

WHADDYA  
MEAN  
'SLOW'?

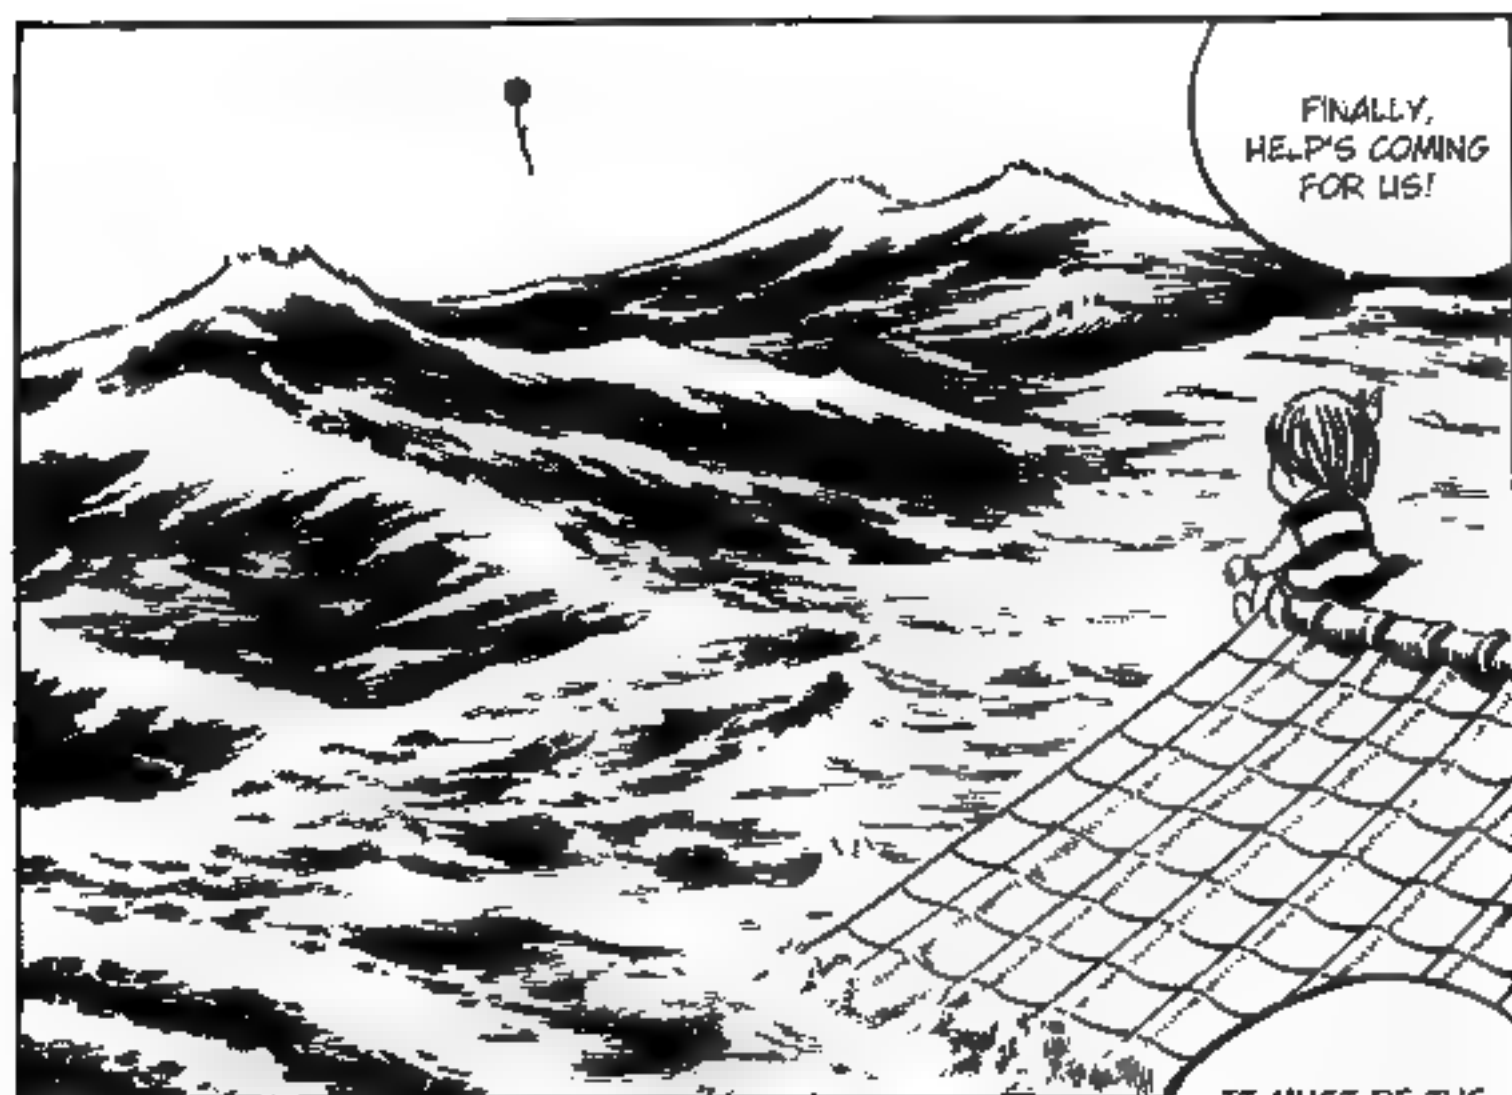

It's

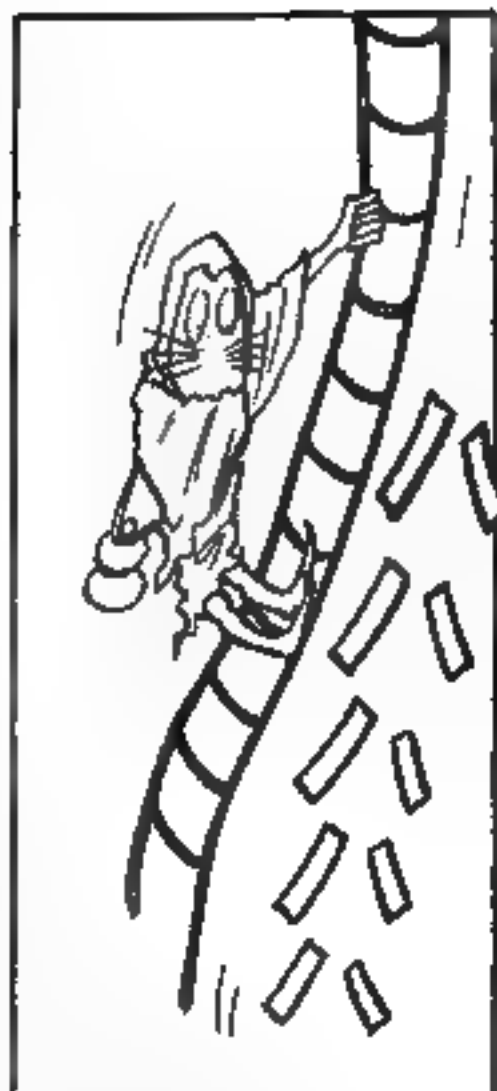

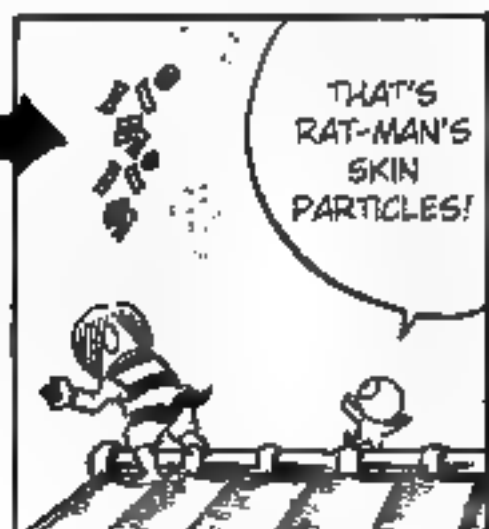

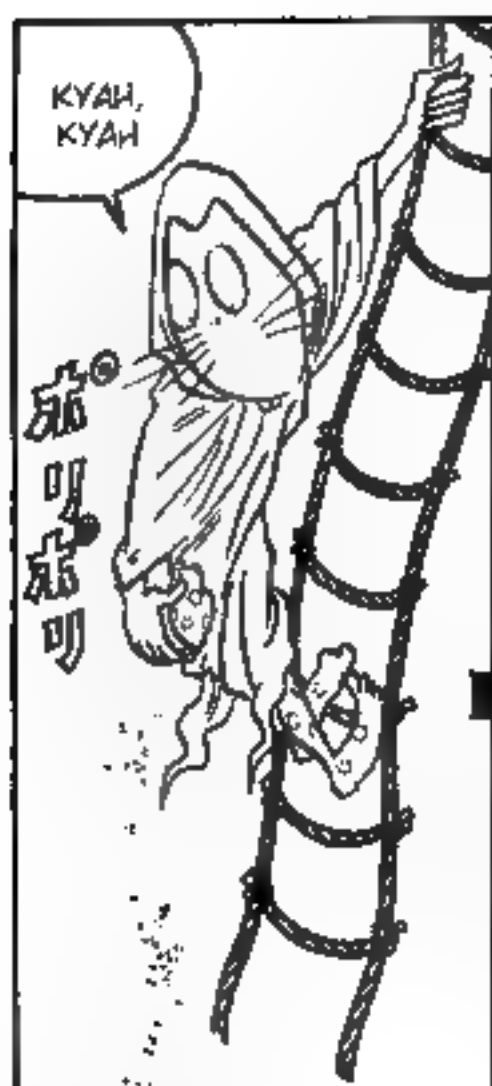

THAT'S WHY  
PEOPLE SAY  
YOU'RE SLOW!

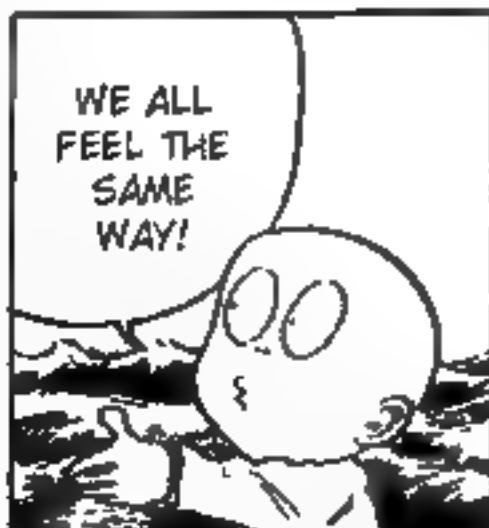

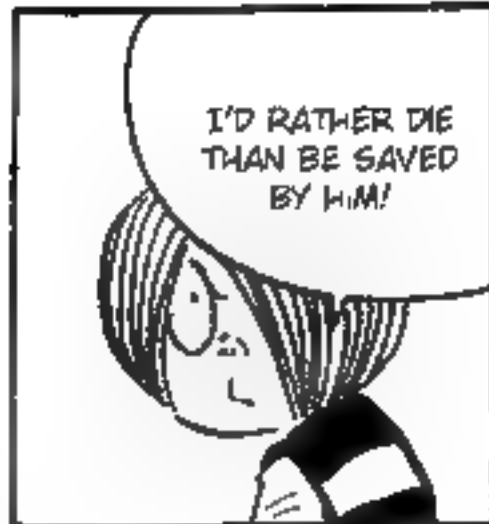

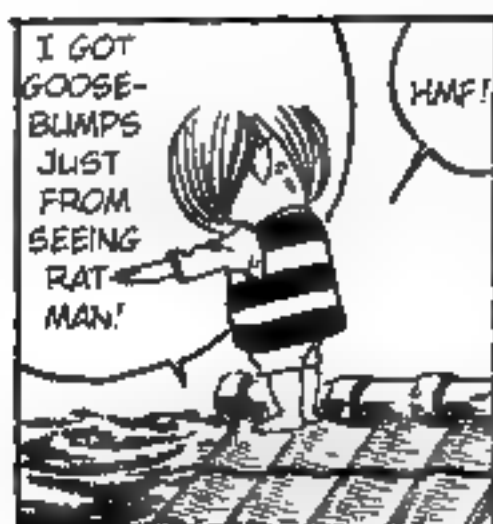

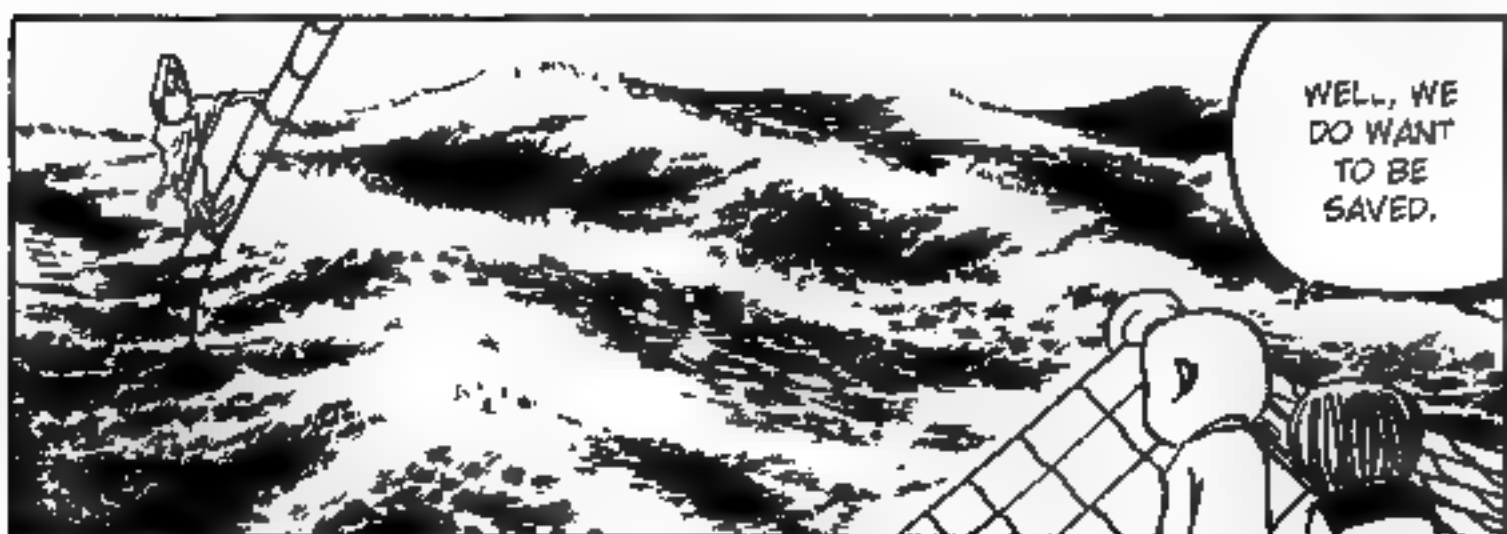

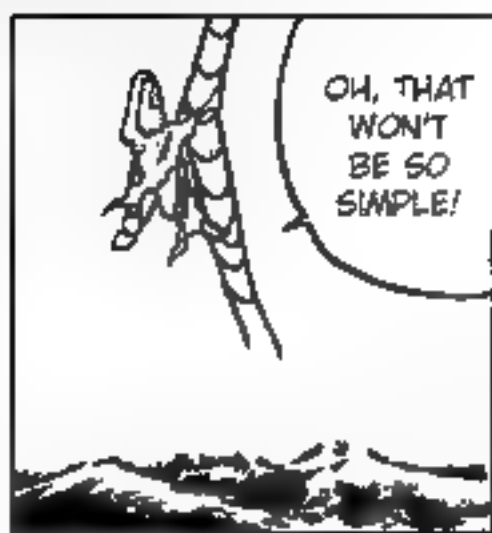

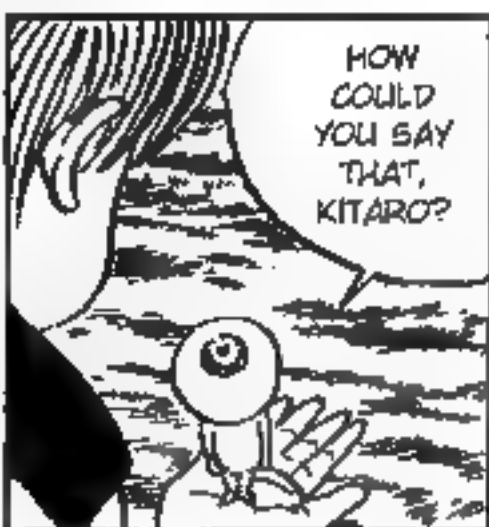

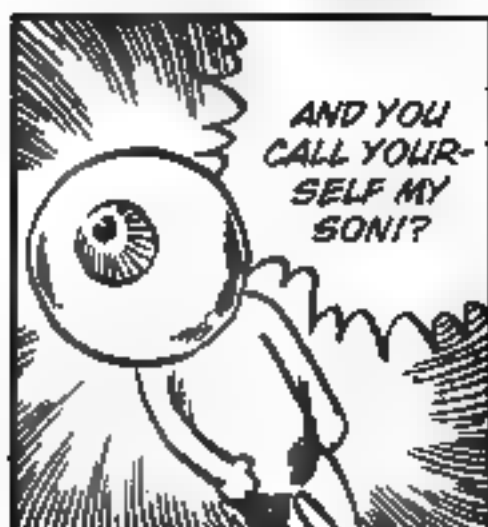

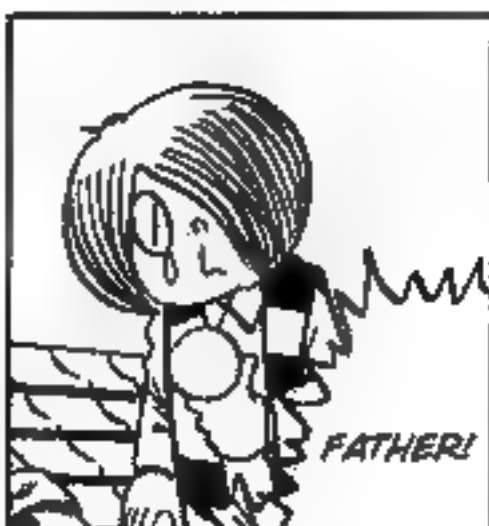

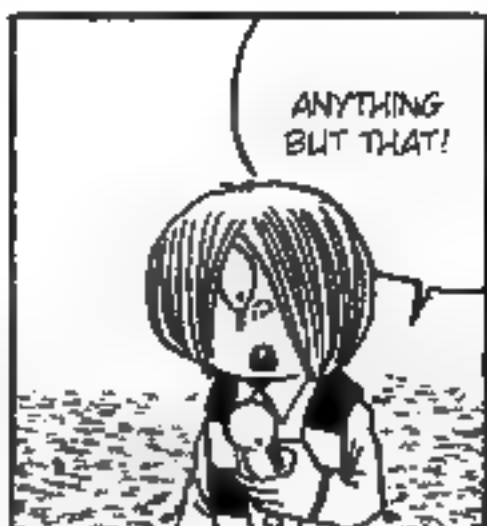

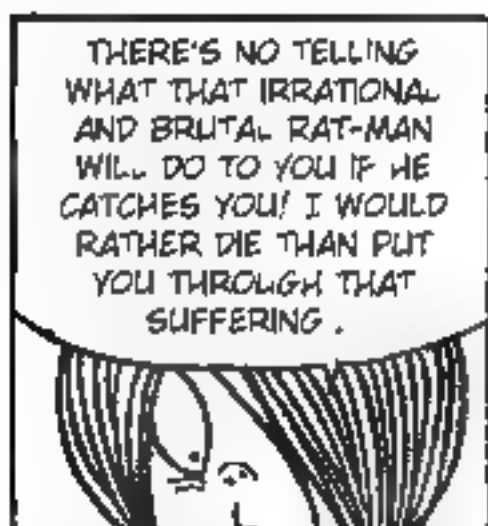

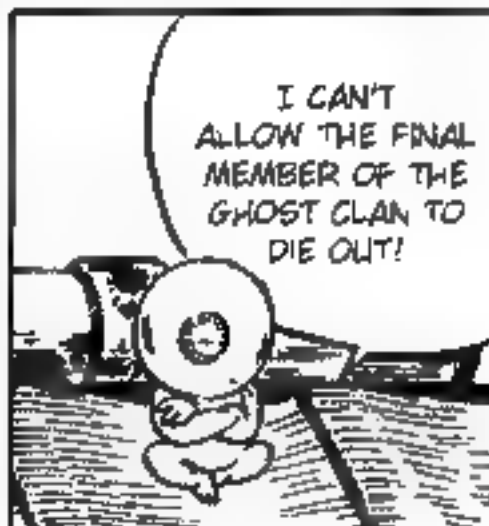

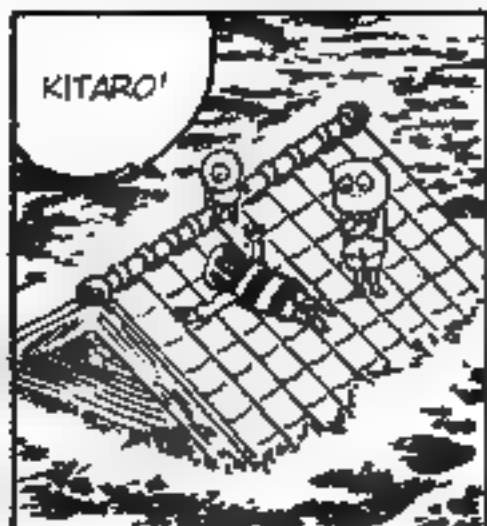

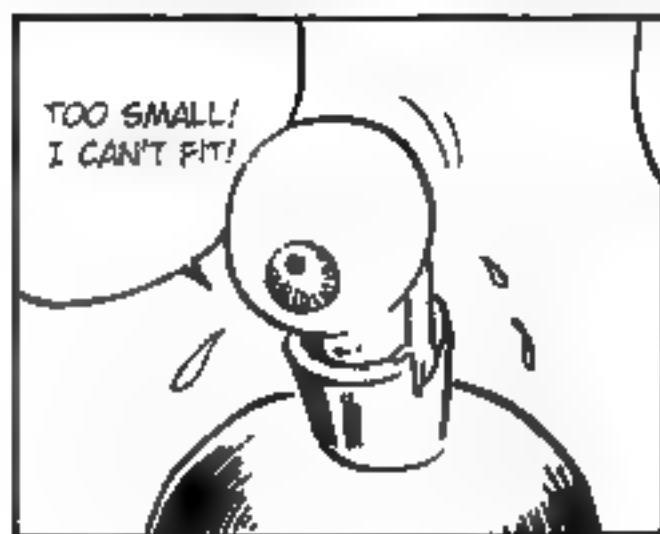

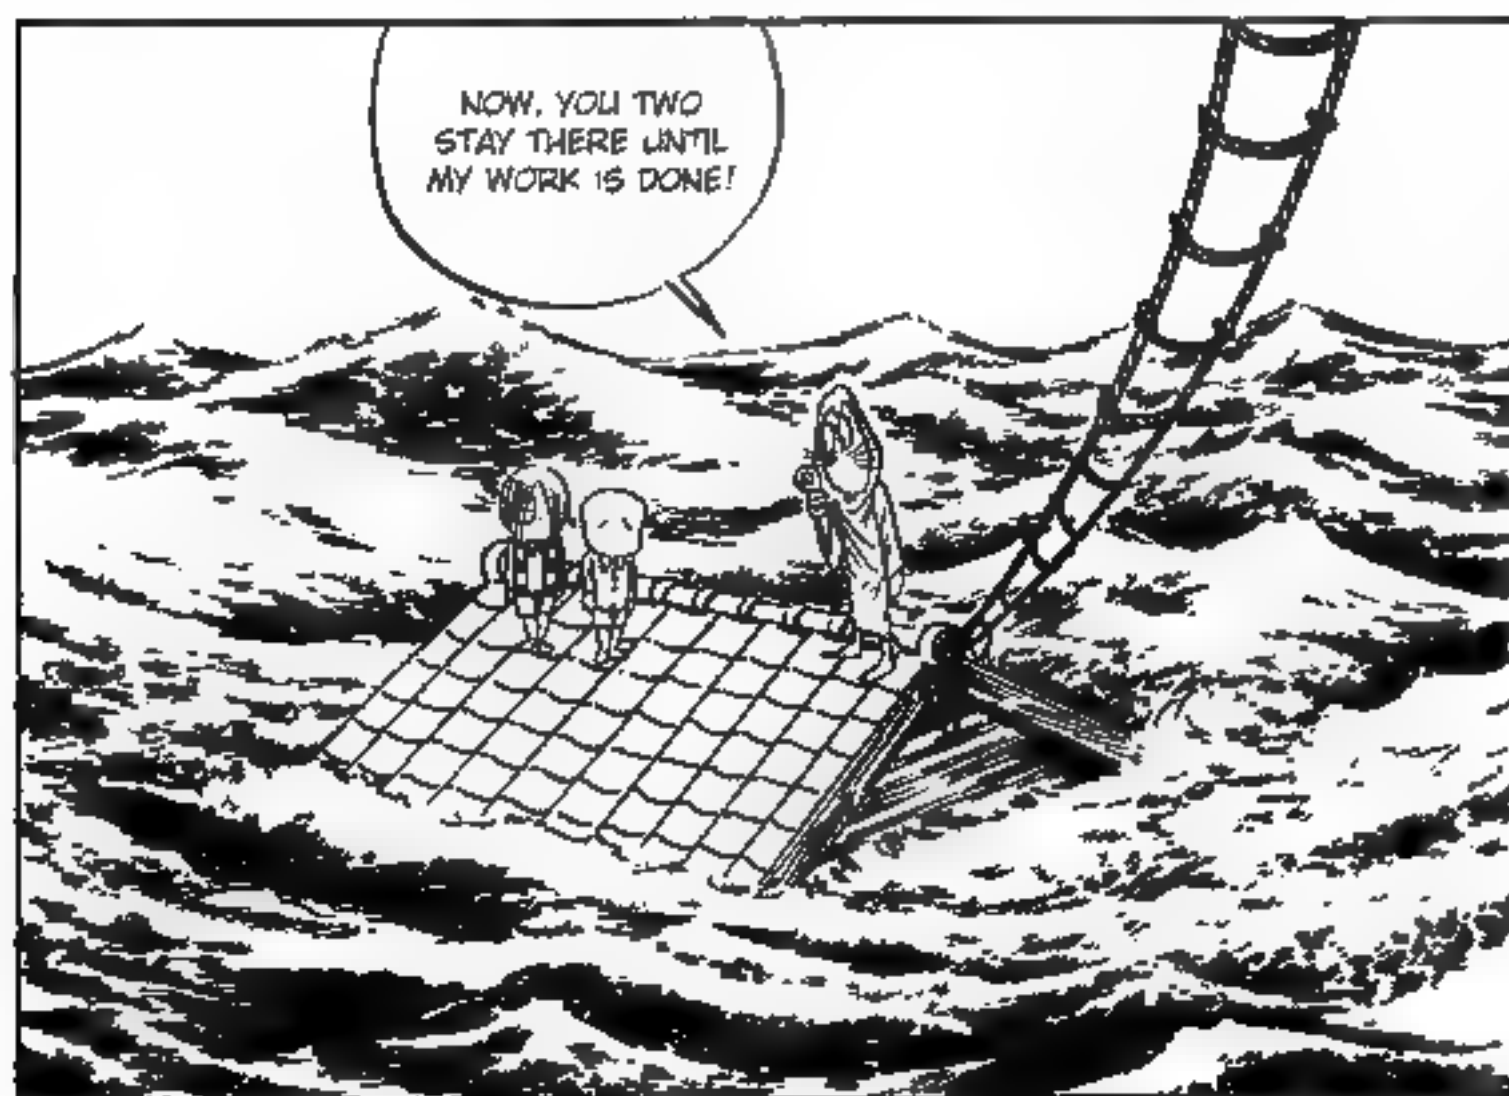

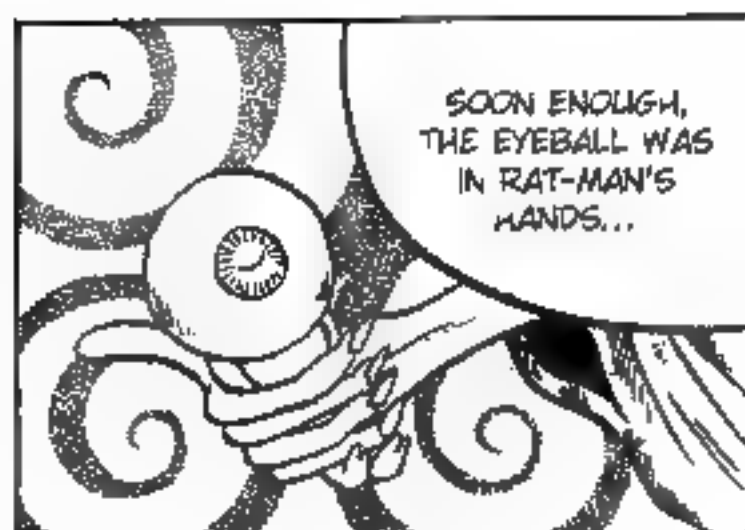

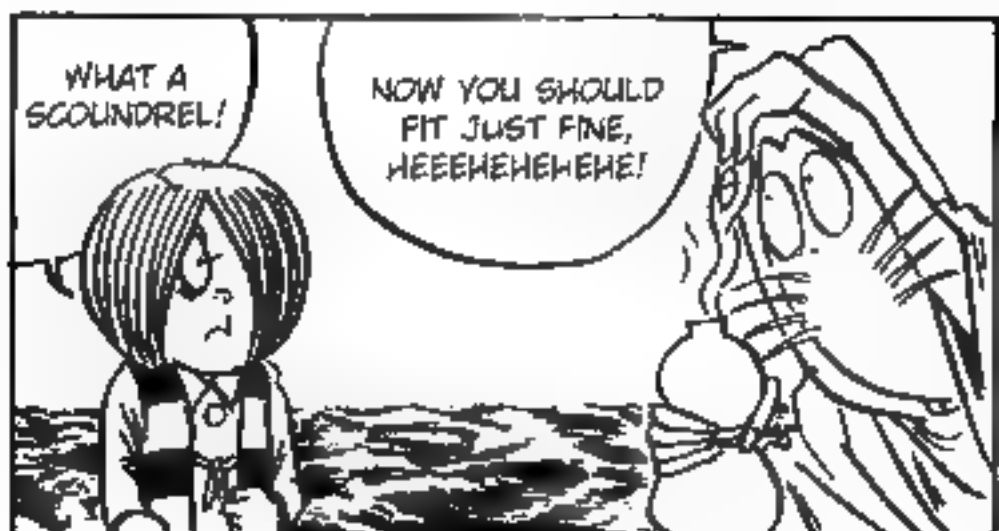

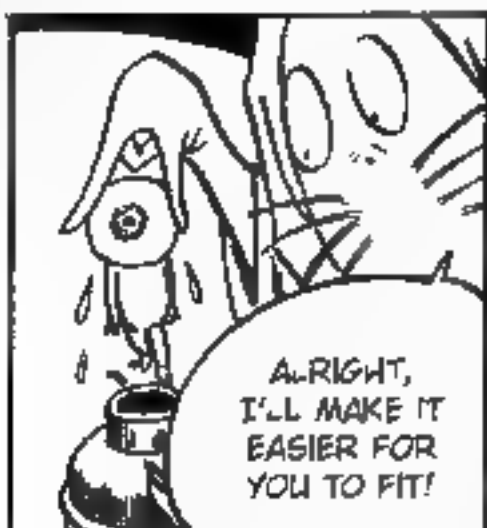

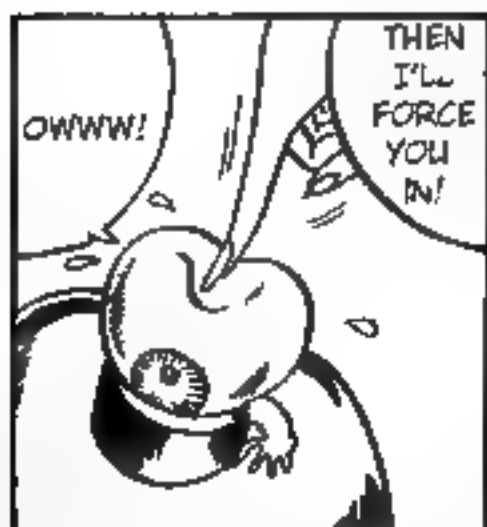

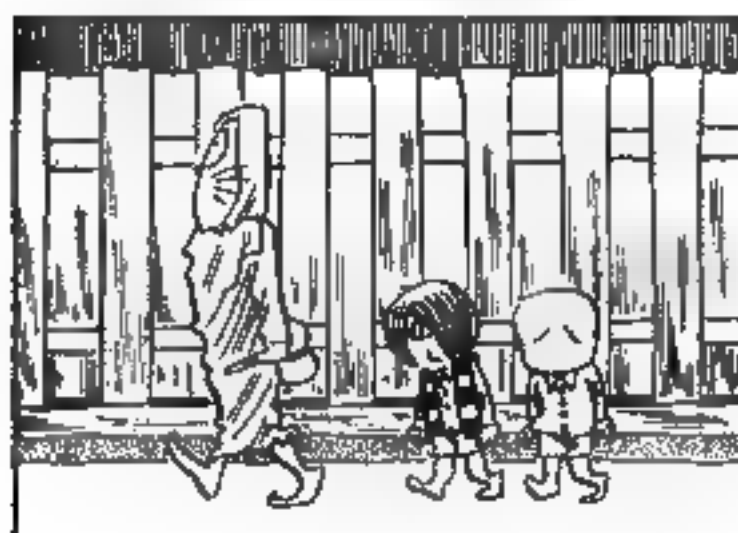

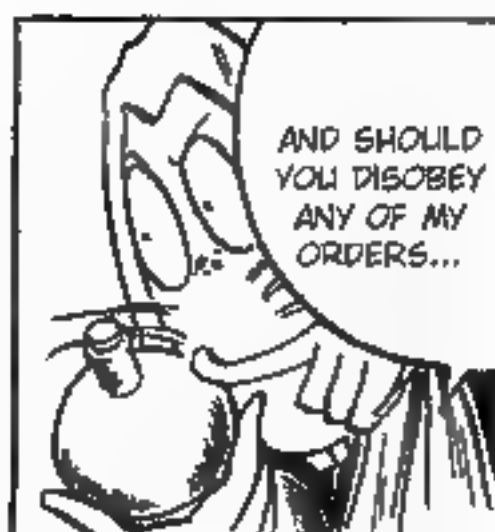

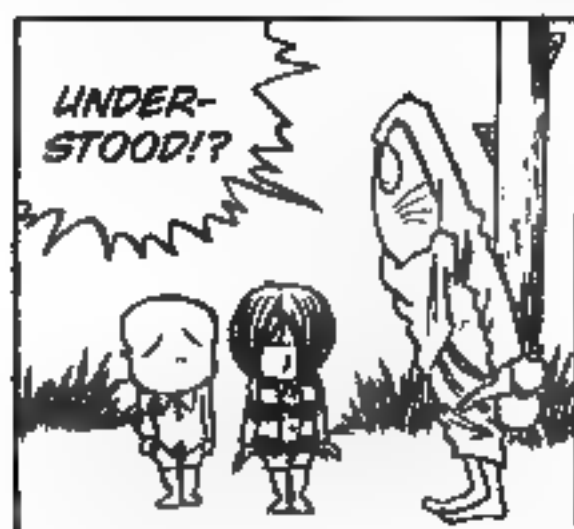

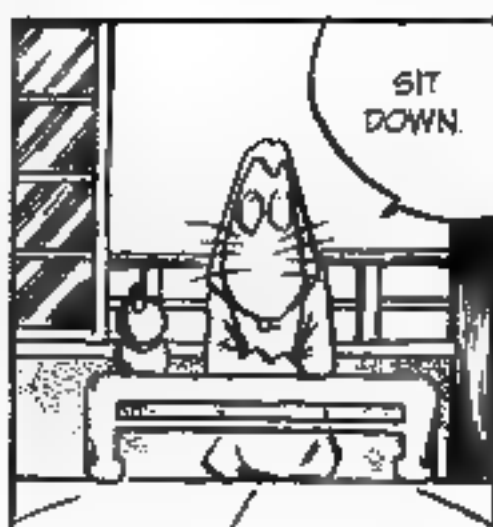

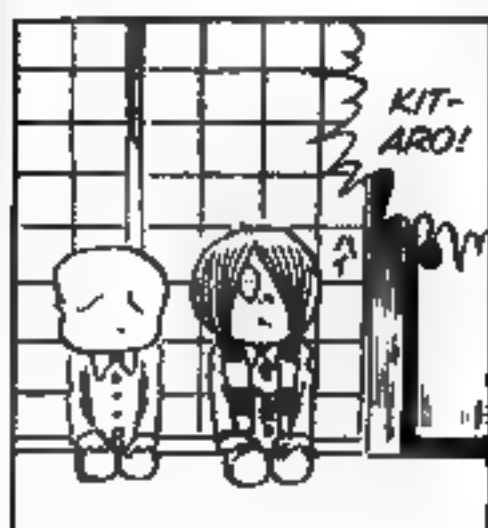

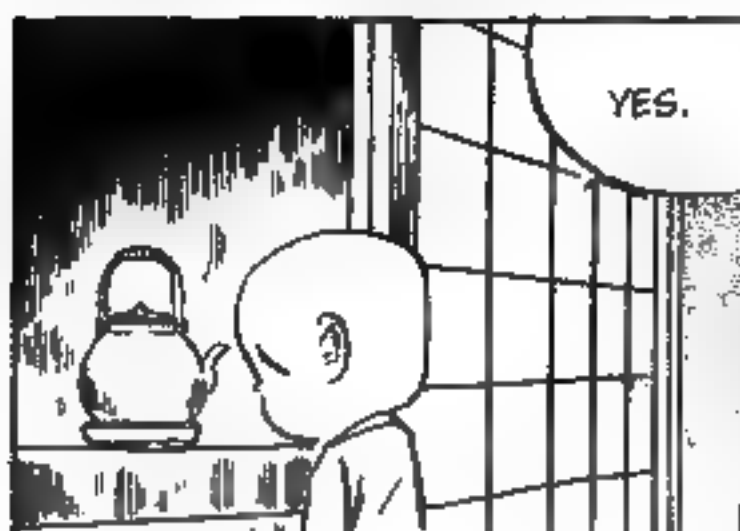

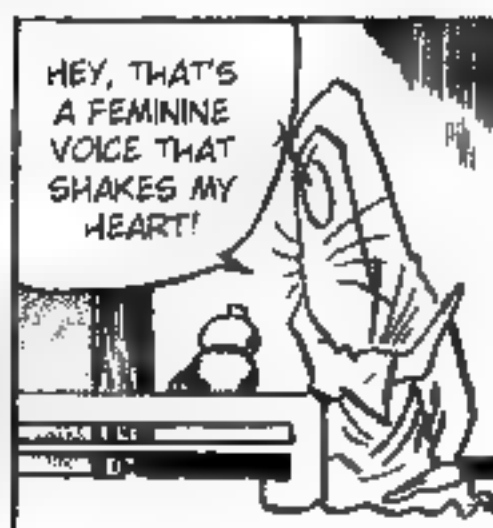

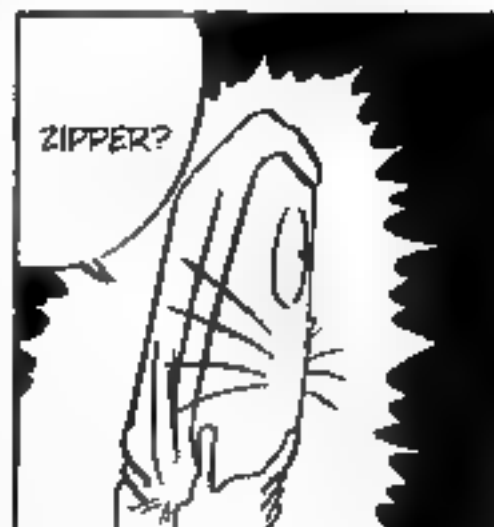

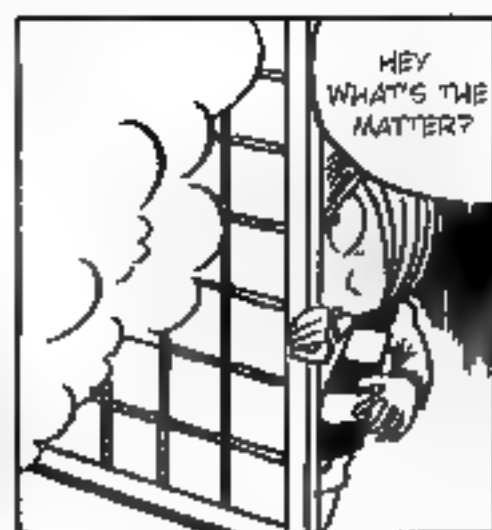

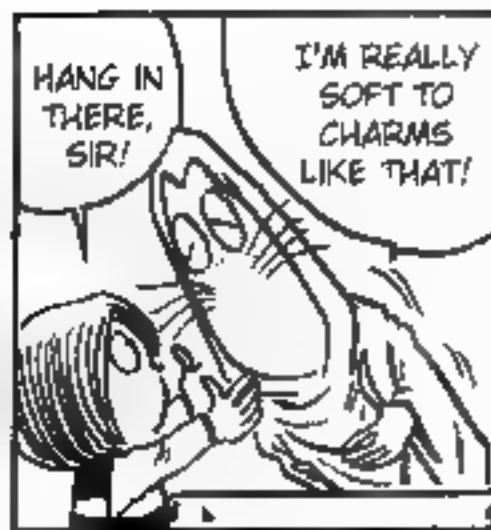

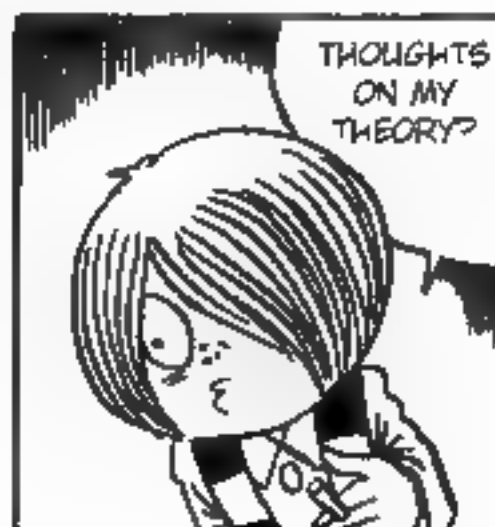

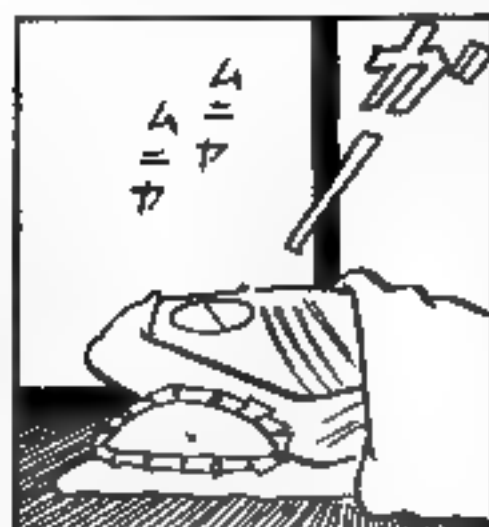

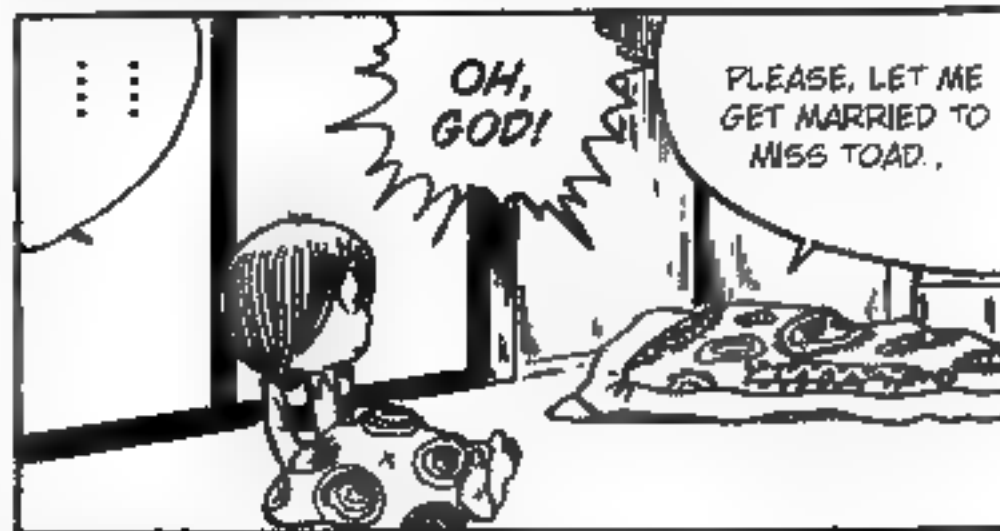

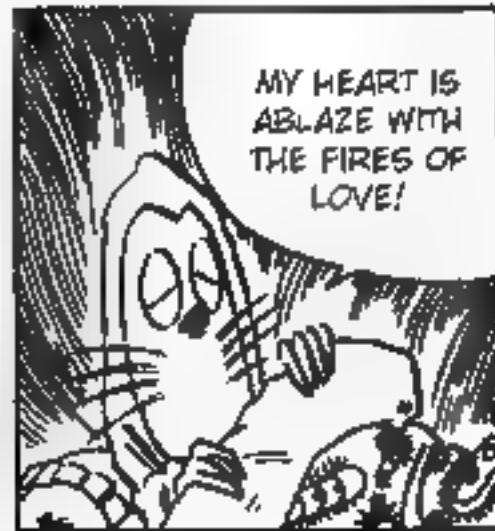

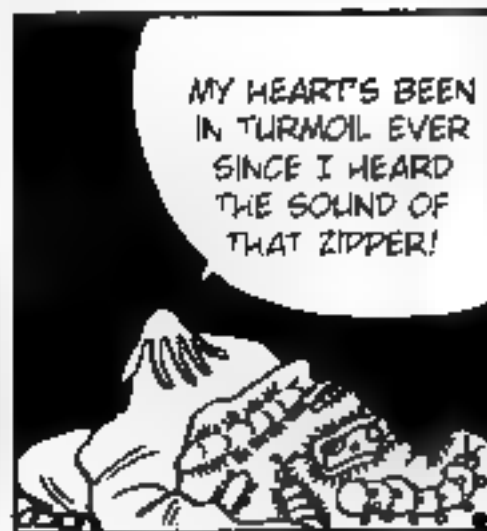

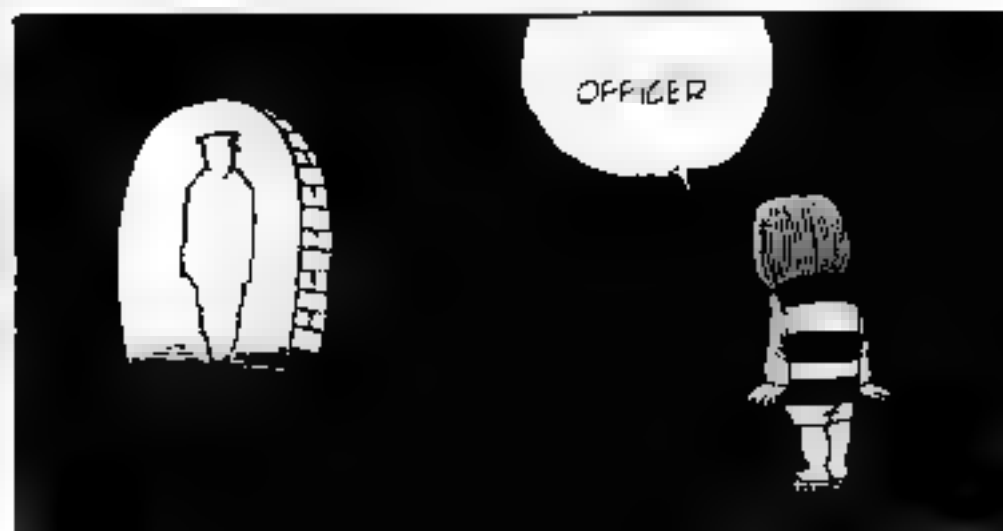

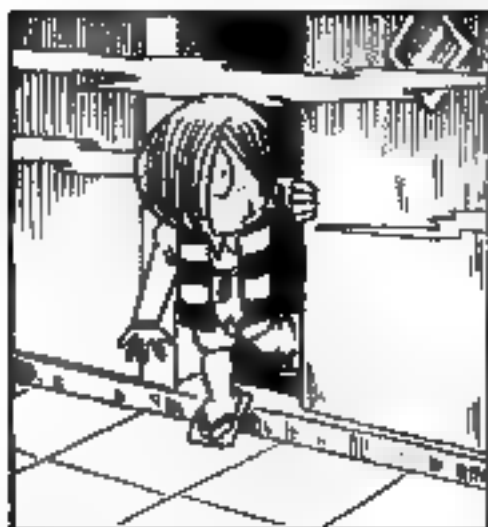

The Water God is clearly in the water source, travelling through the water looking for a chance to eat me. But if I fall asleep, he'll come out of the water supply and eat me! And I'm not the only one in danger!

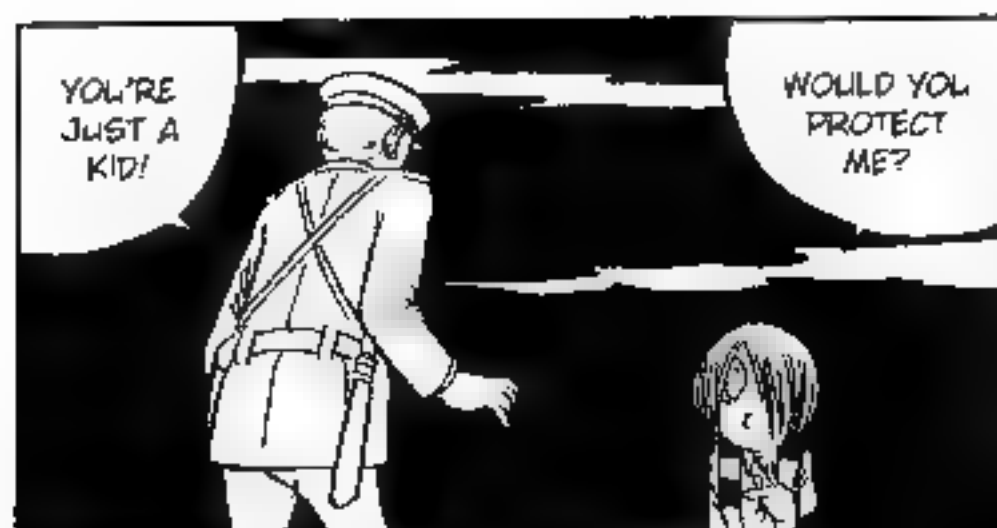

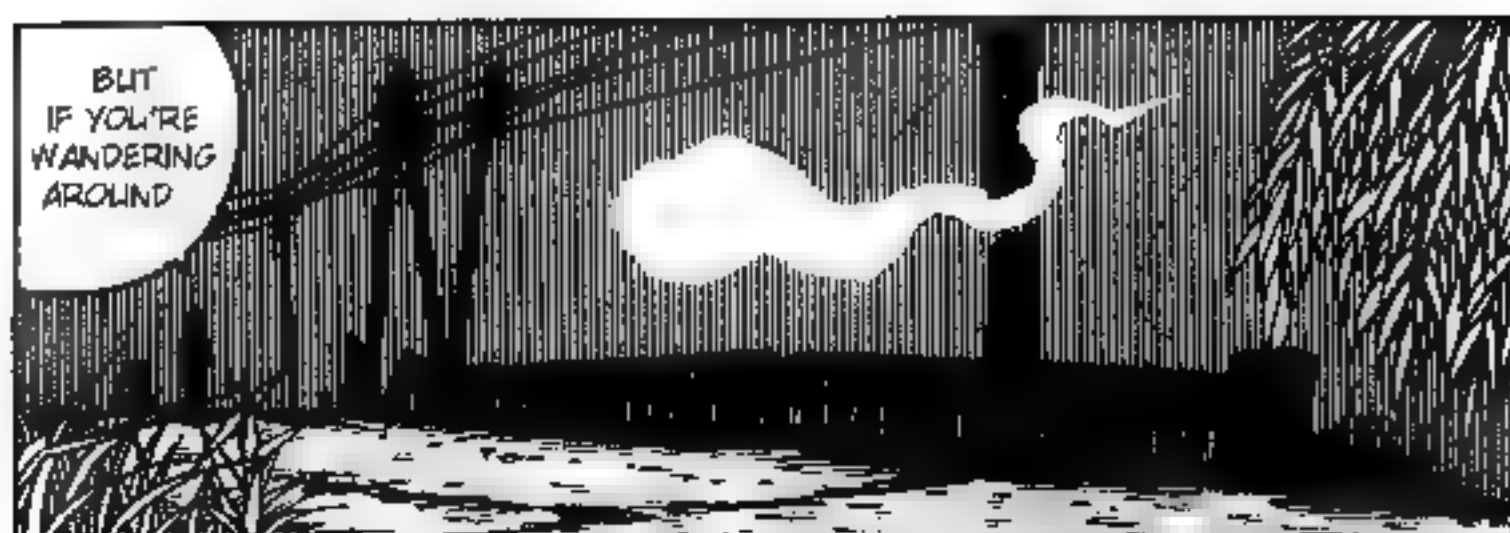

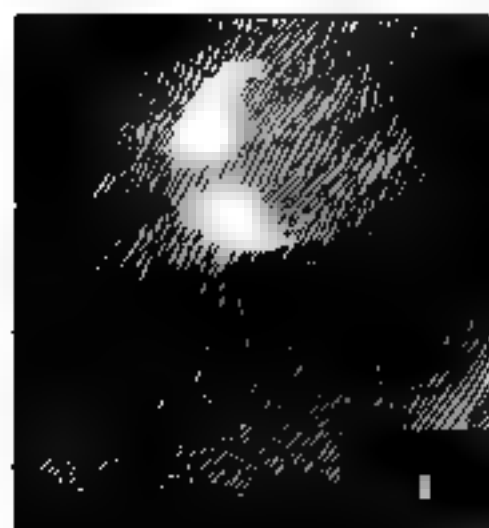

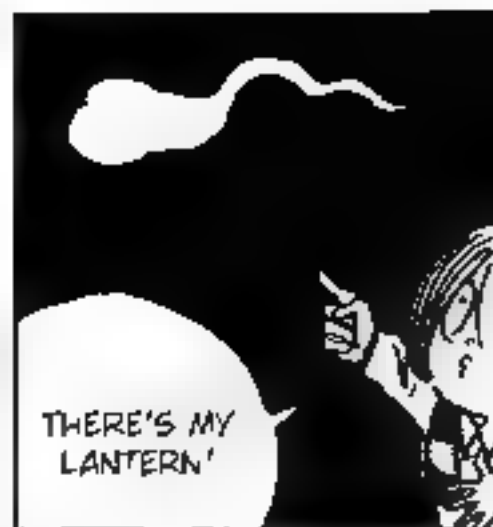

Miss Toad may be eaten when she washes her face tomorrow! And once they're eaten, everything, including their bones, turns to water, so there's no evidence left!

CHAPTER 17

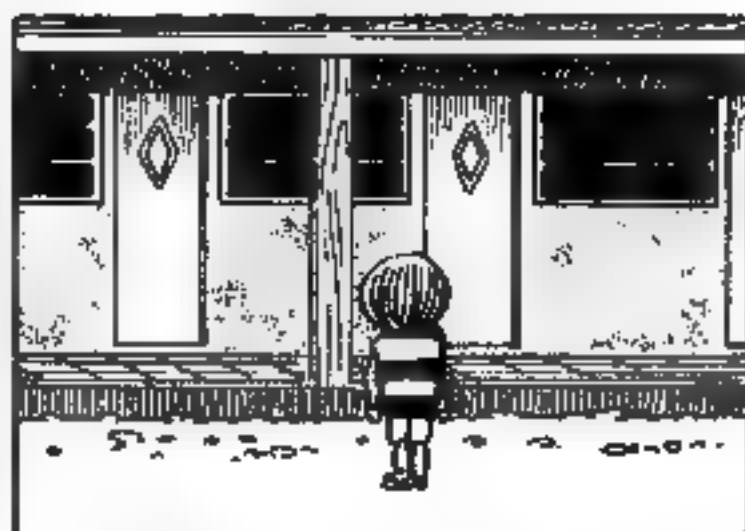

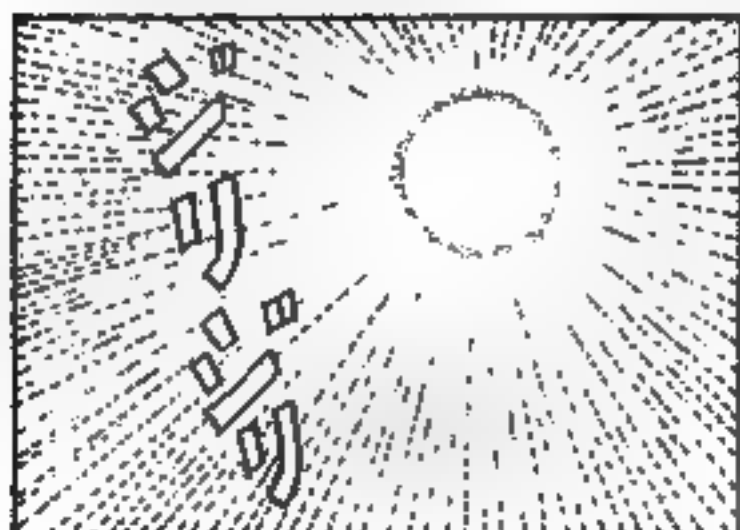

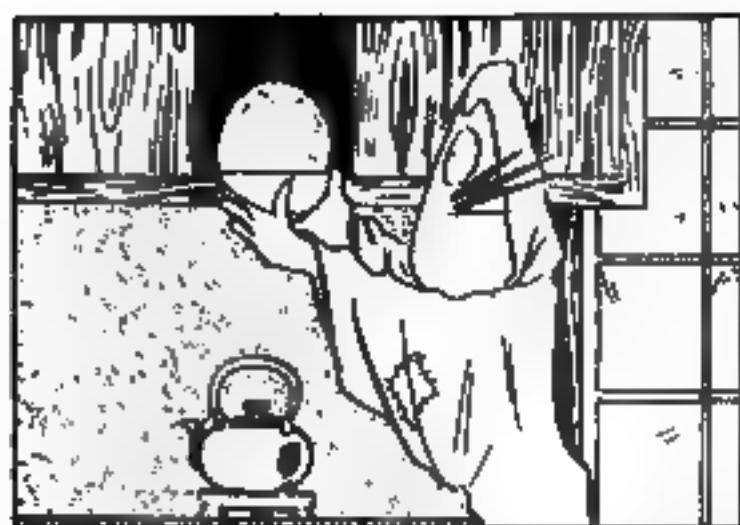

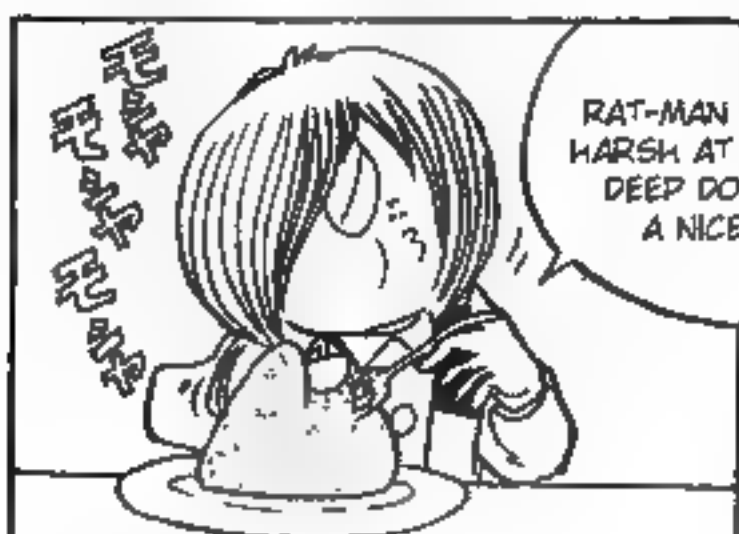

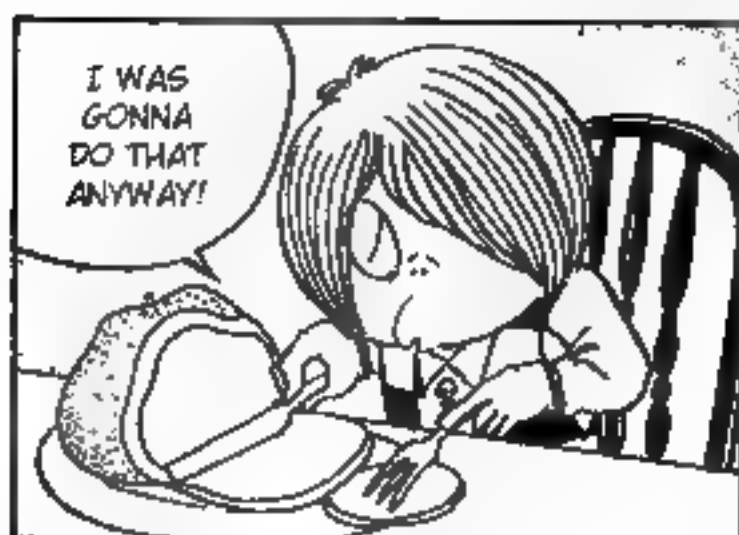

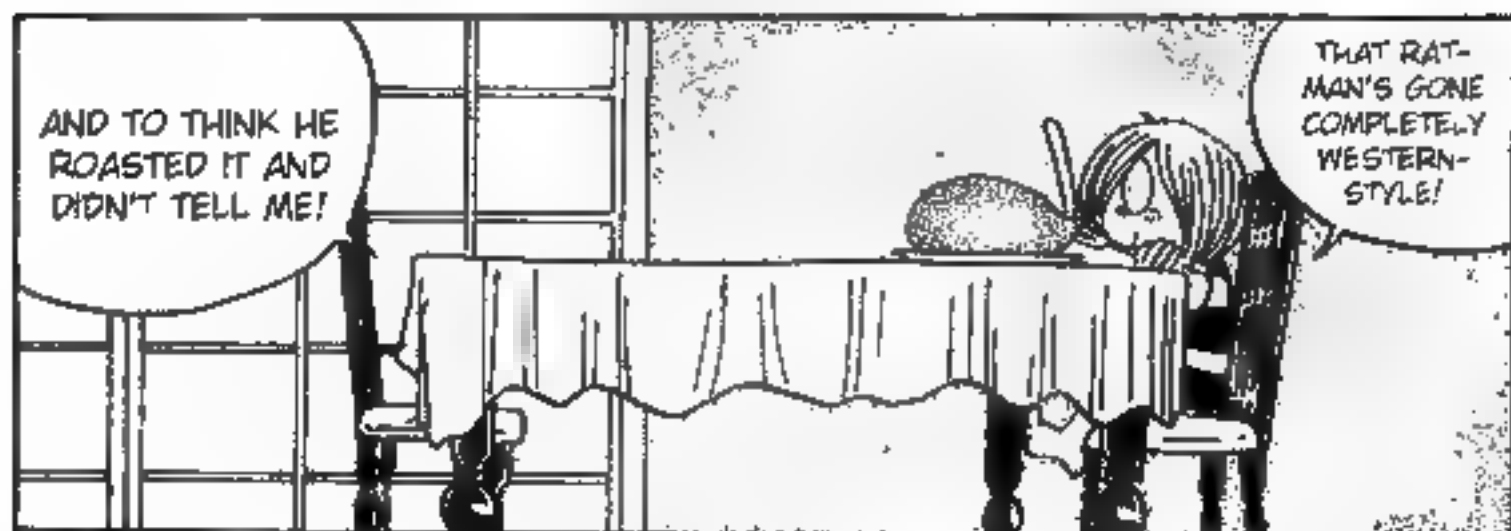

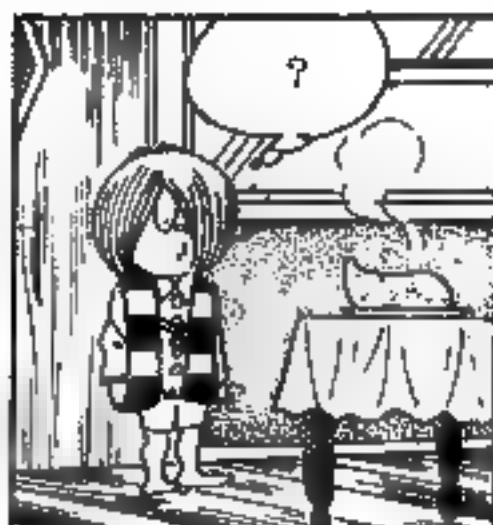

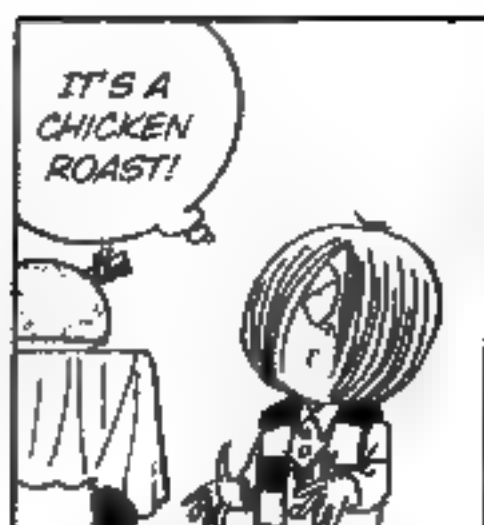

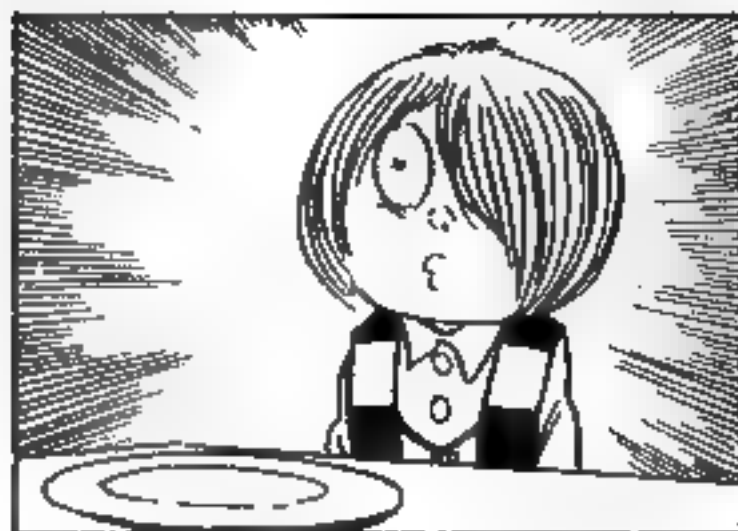

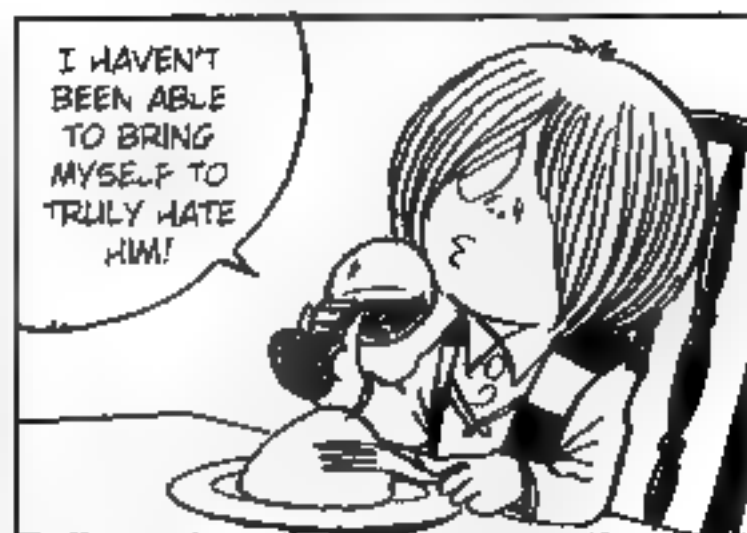

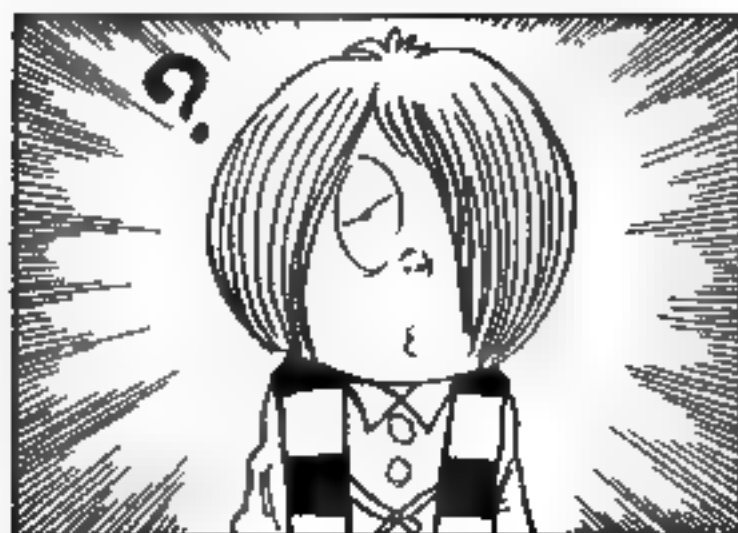

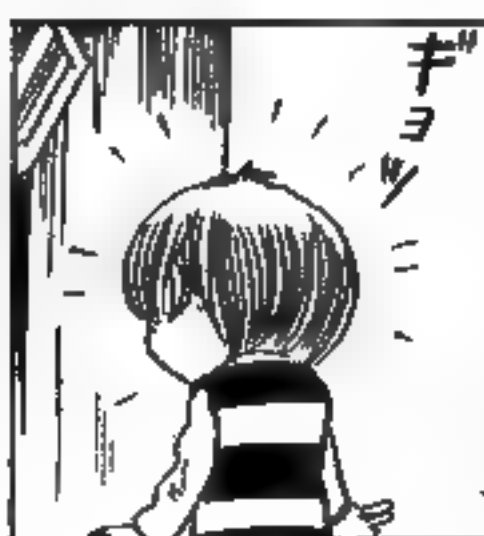

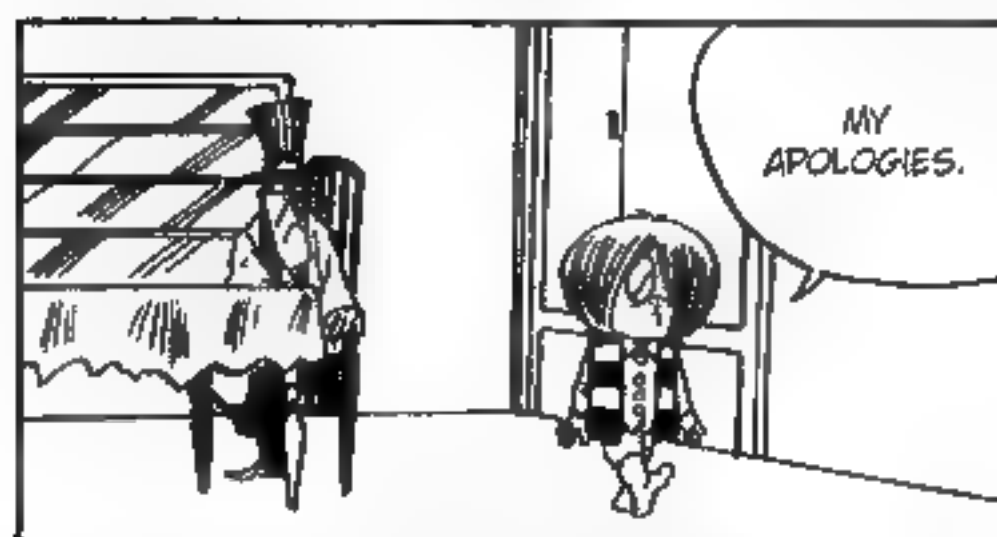

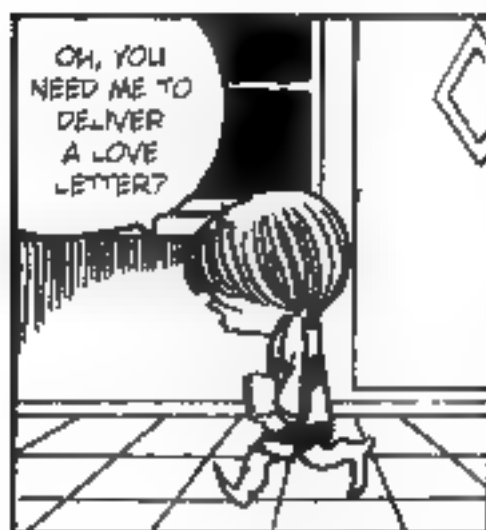

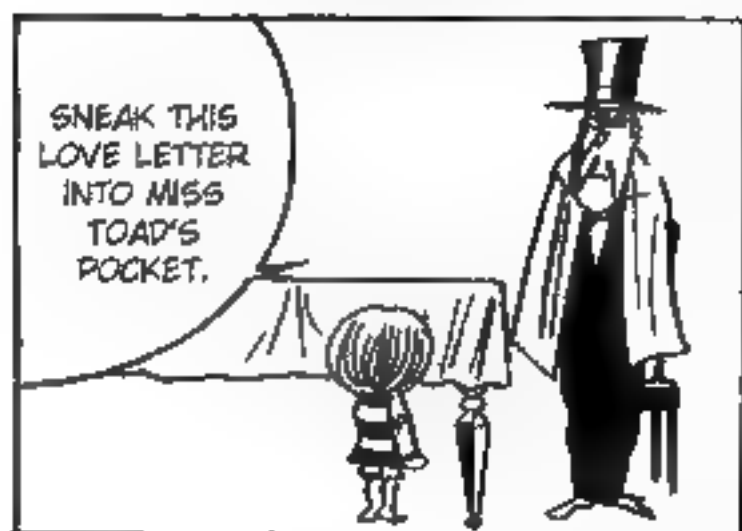

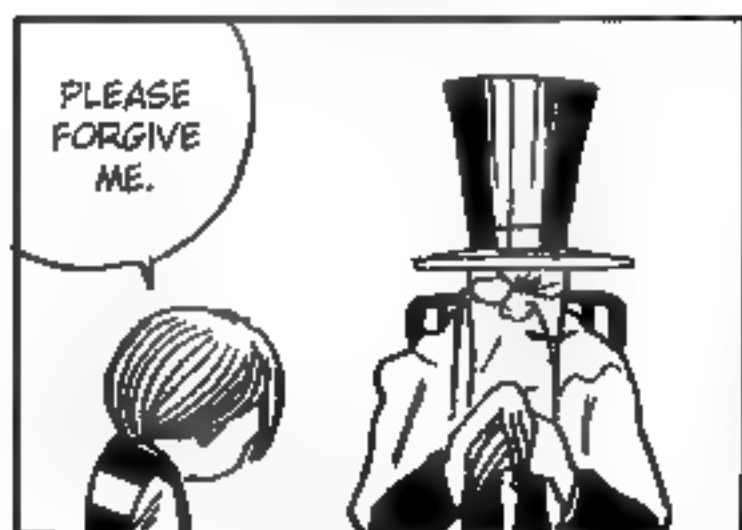

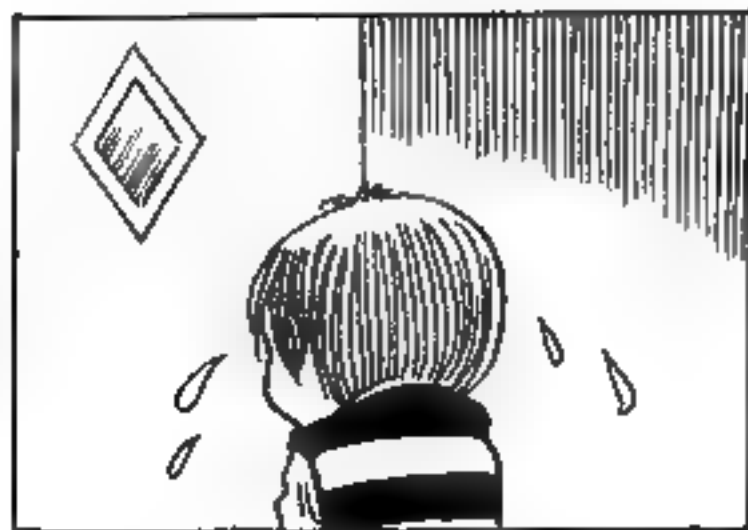

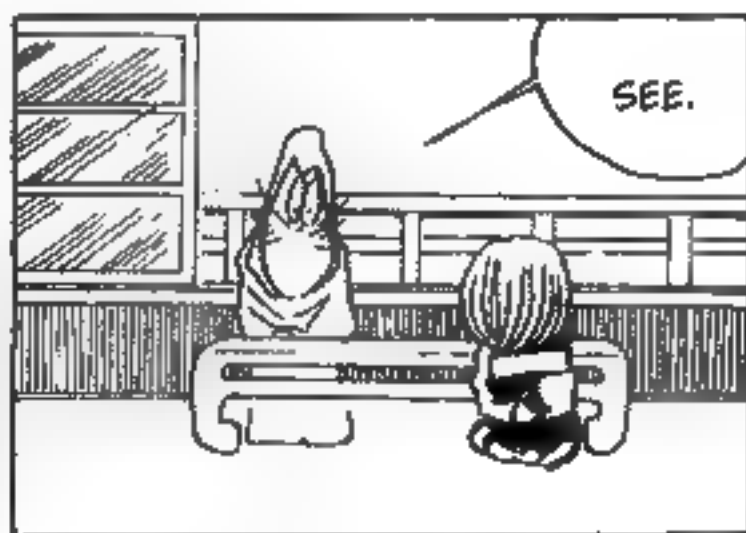

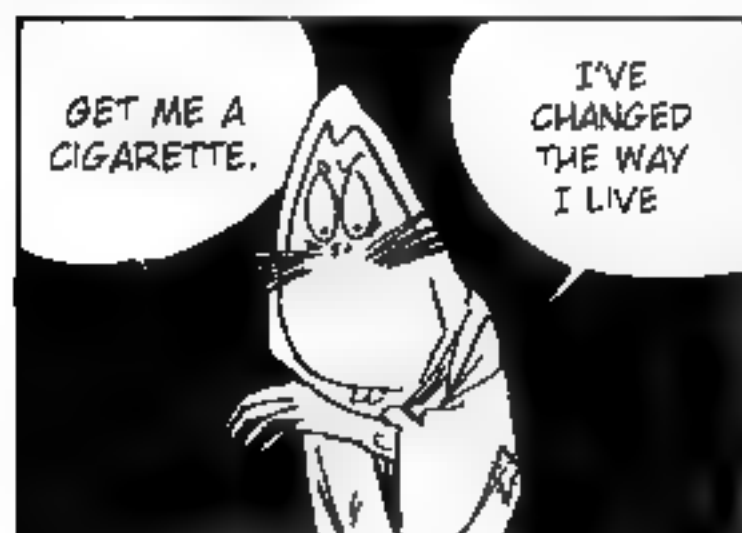

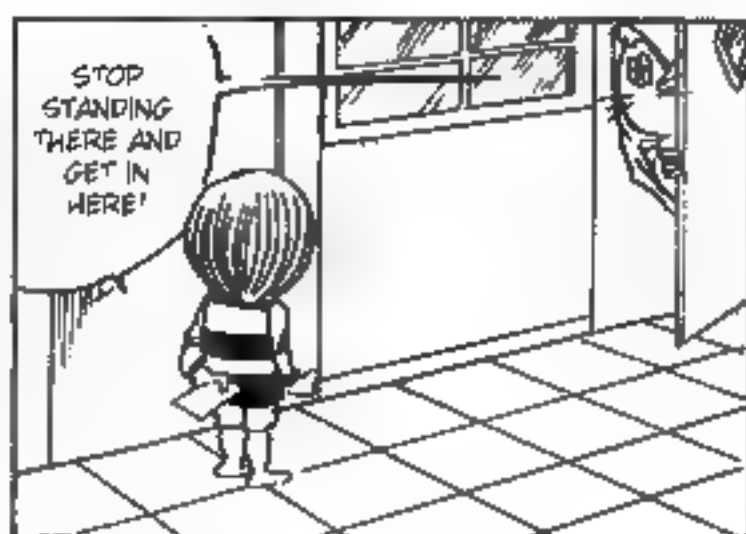

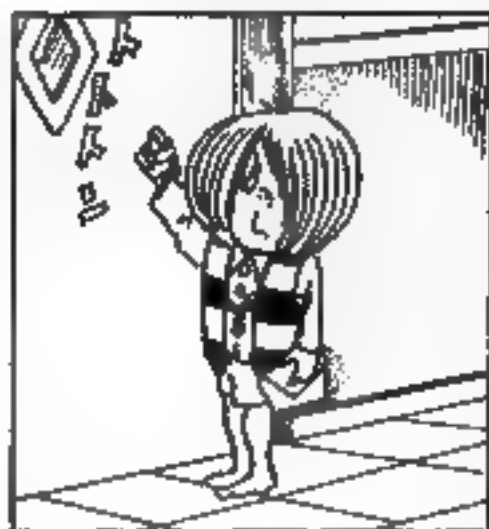

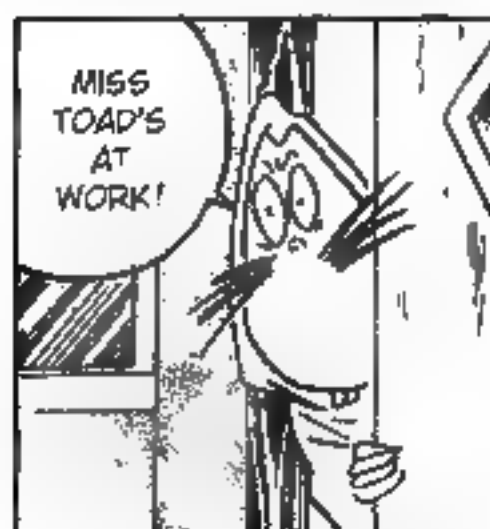

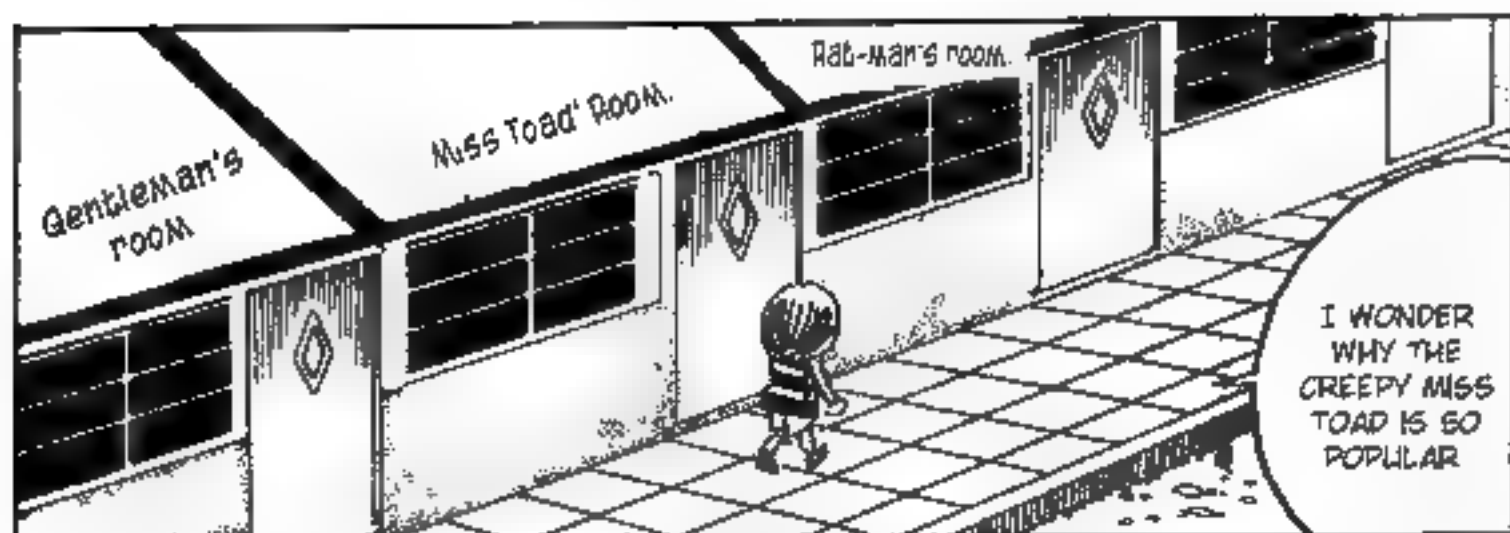

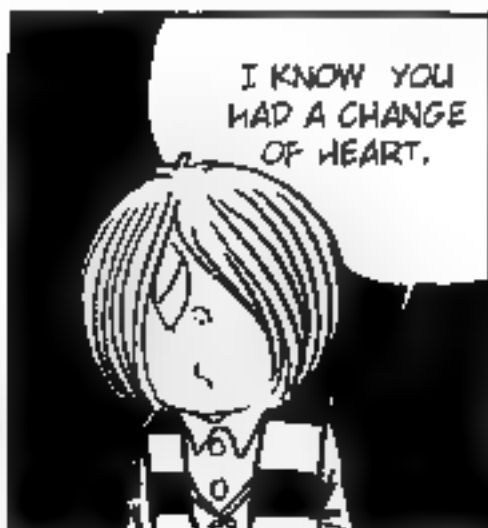

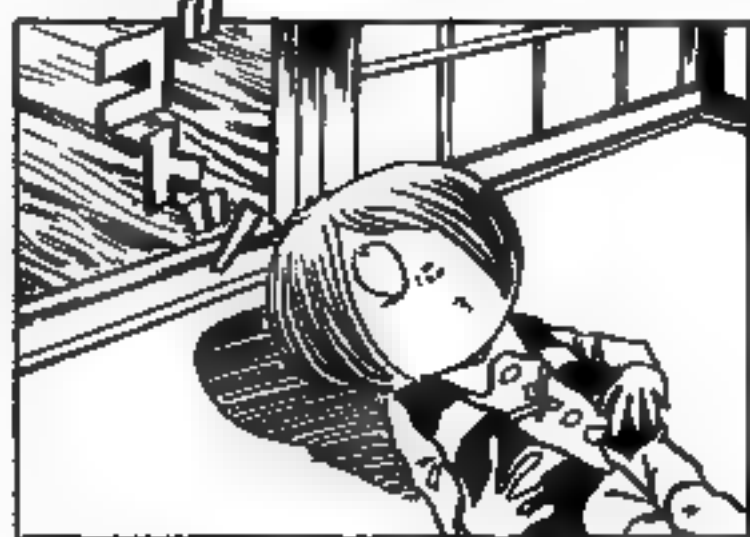

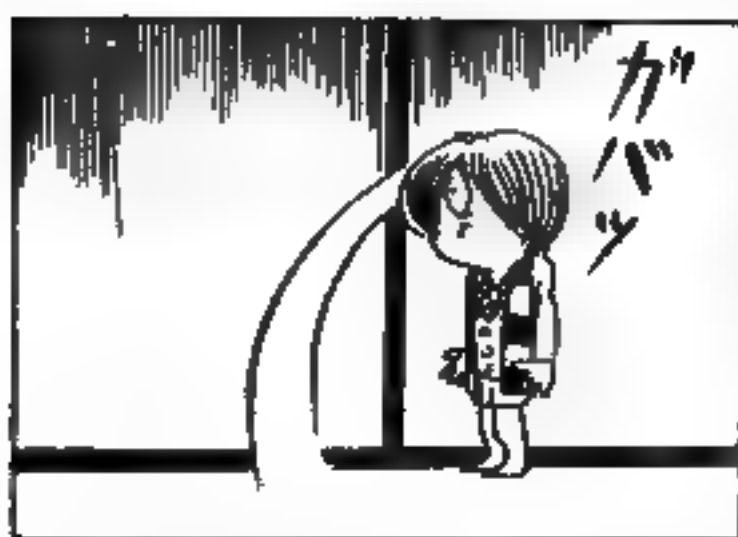

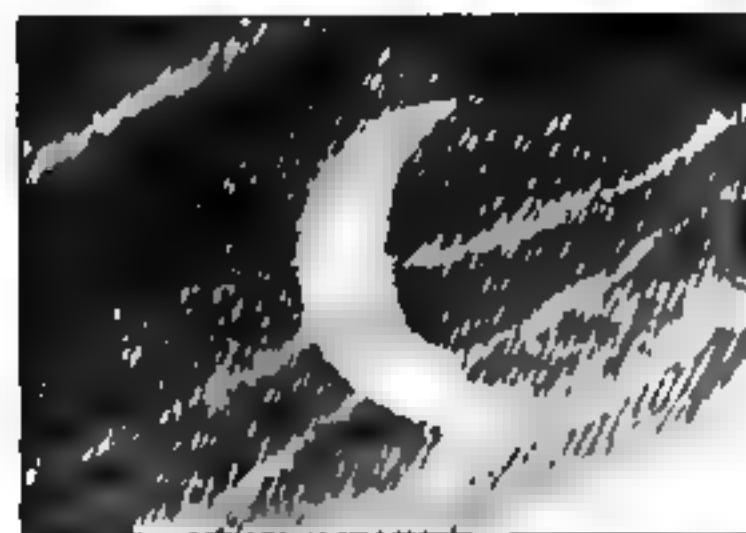

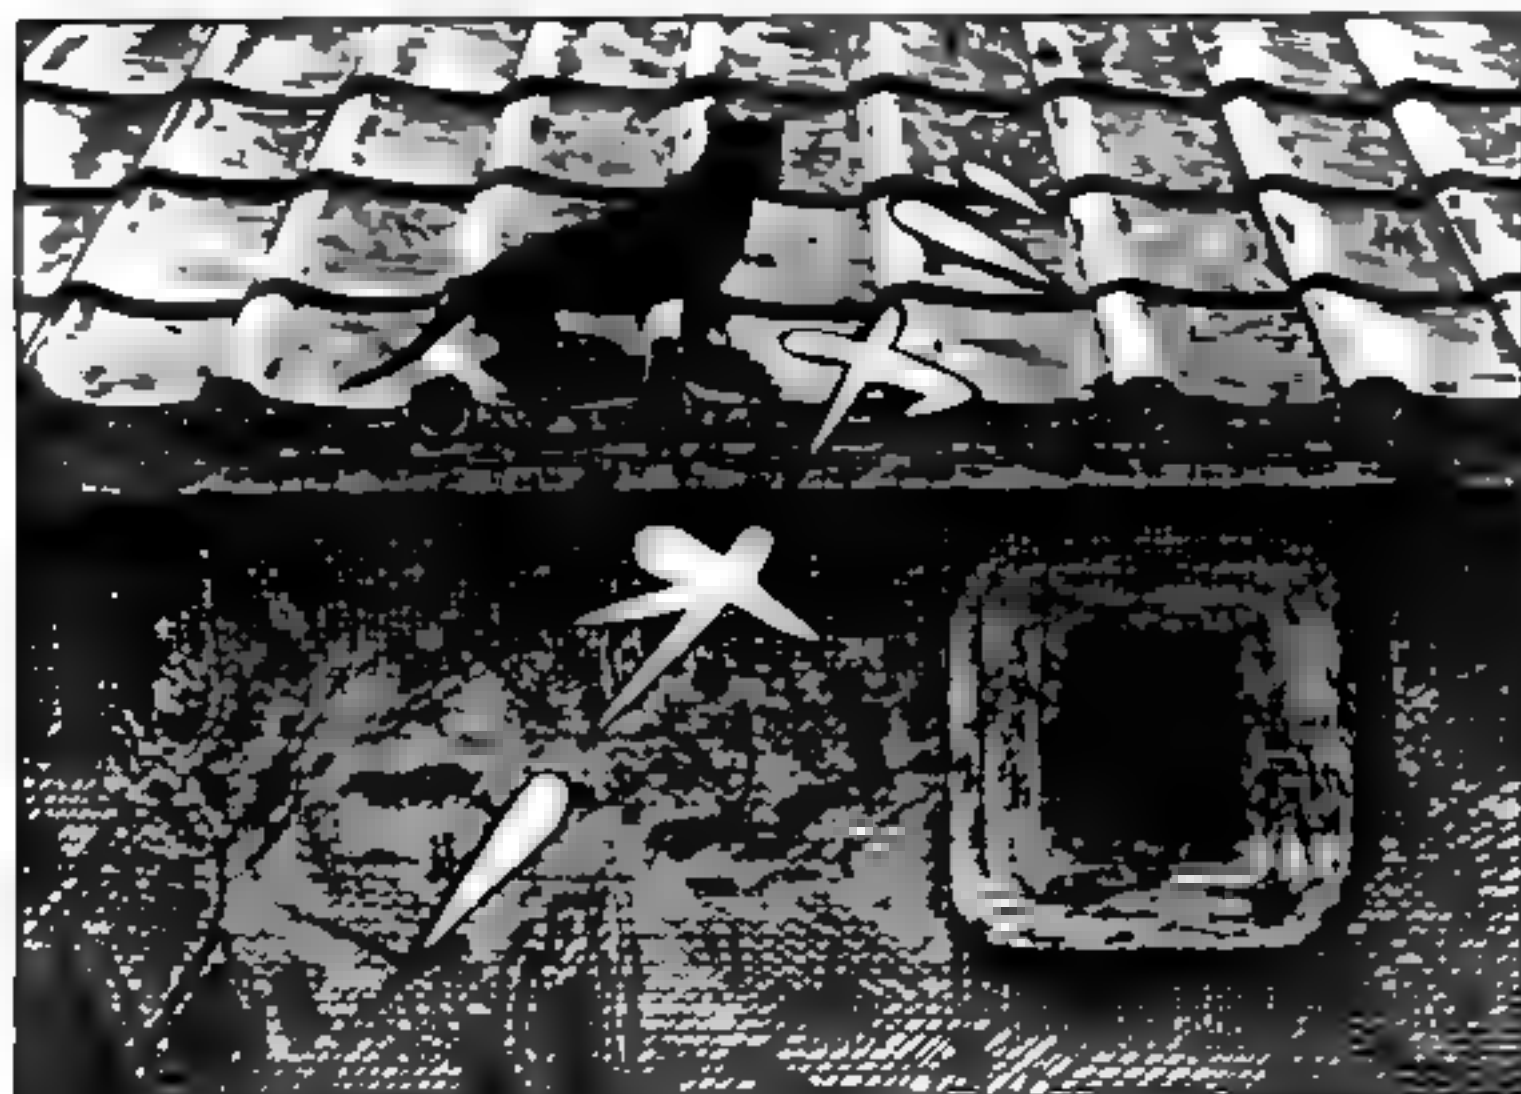

In other words, he would turn into a ferocious wolf! People called him the Werewolf of London, but medically speaking, he was born with a rare disease that only occurs once every hundred years

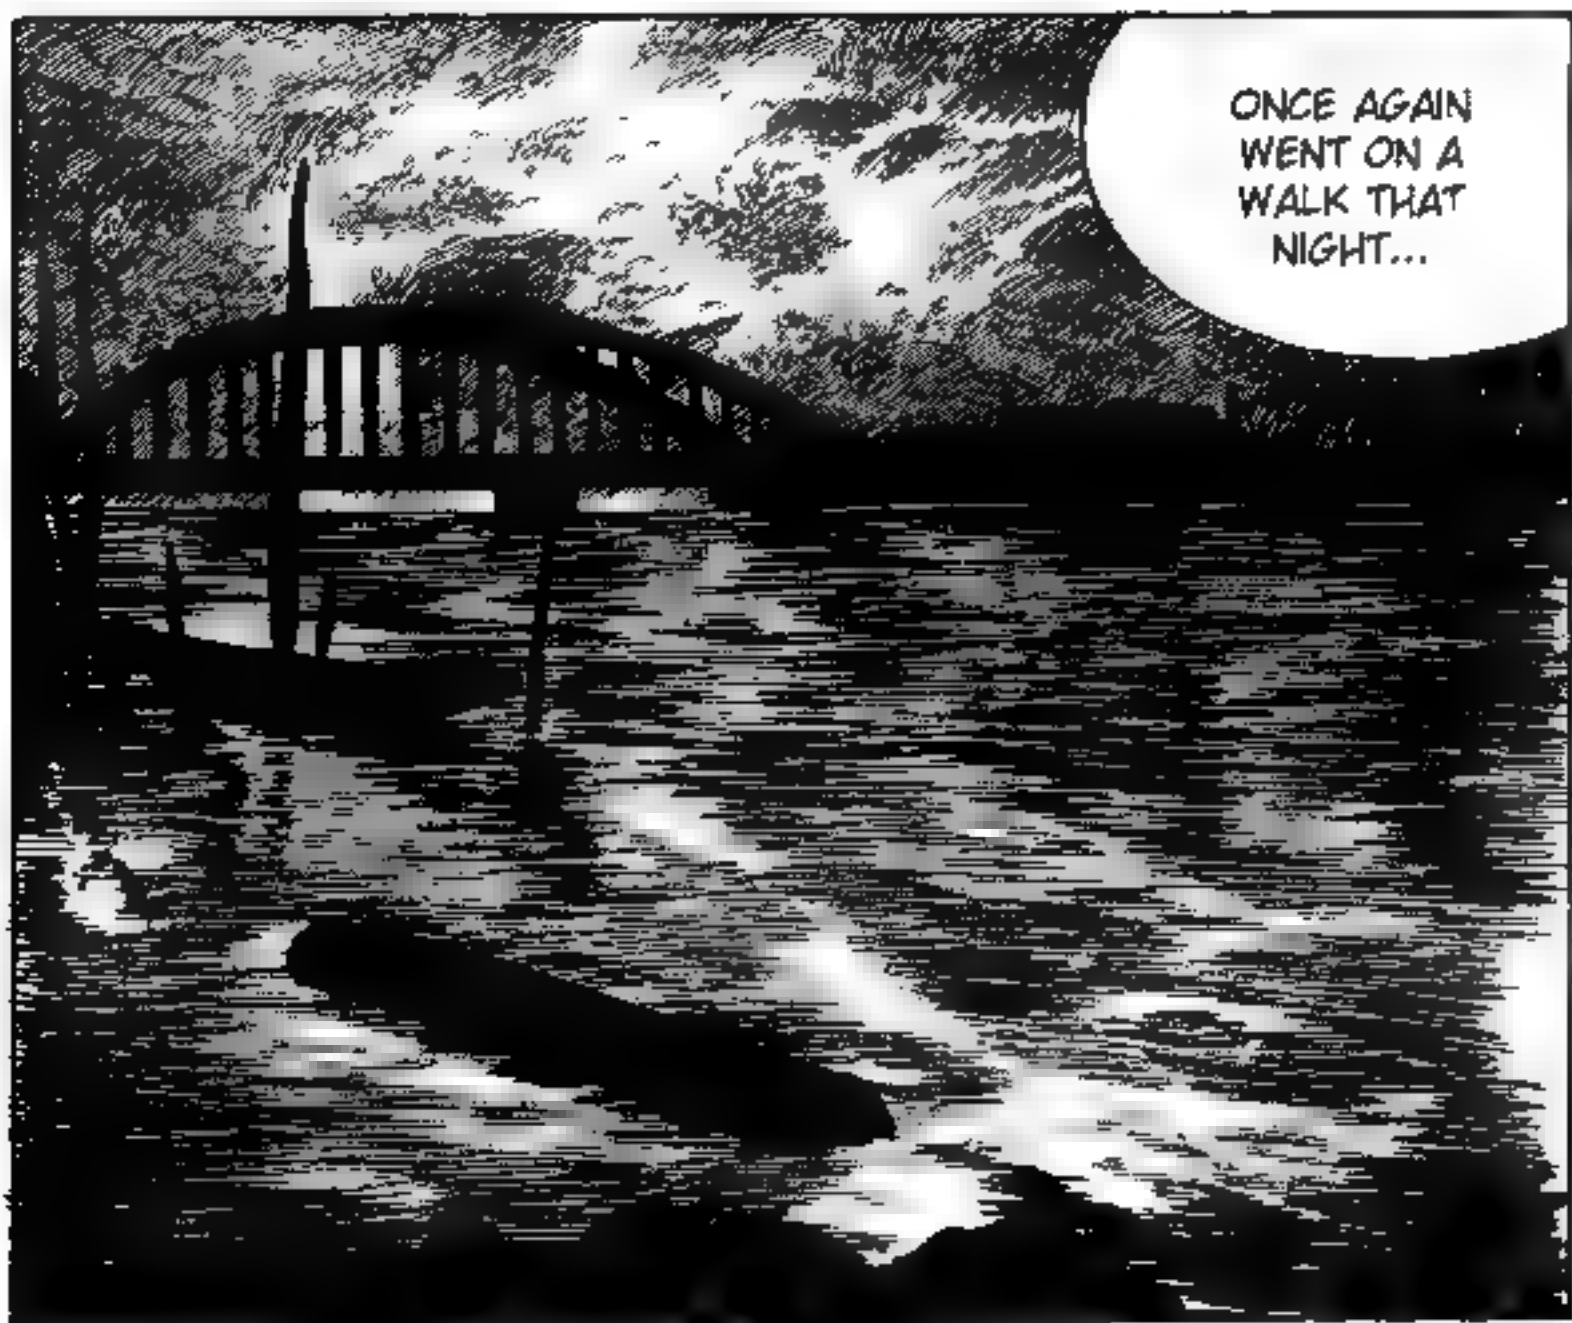

But when the moon hid behind the clouds, he would return to being a gentleman... But the moon was very clear tonight.

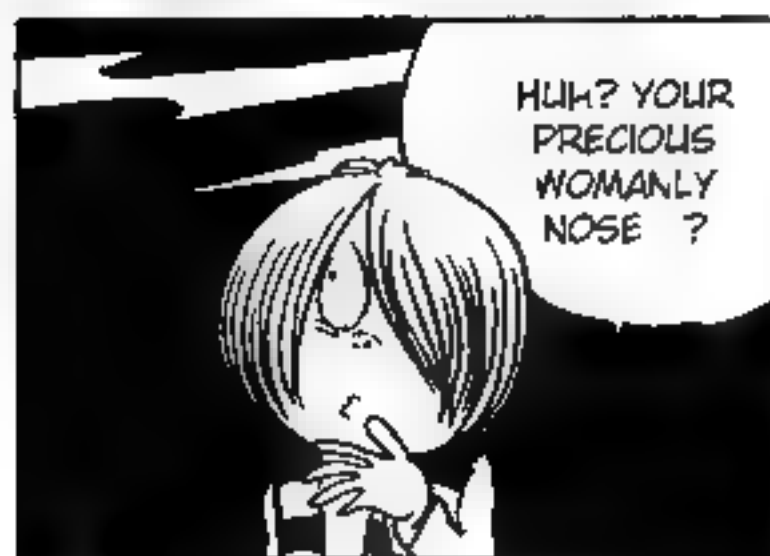

KITARO, STILL  
BELIEVING THAT  
THE WATER GOD  
WOULD EAT HIM  
IF HE FELL  
ASLEEP...

ONCE AGAIN  
WENT ON A  
WALK THAT  
NIGHT...

HOW  
LUCKY

Before long, an Air France plane came and dropped five tons of dry ice into the water source, which froze over. Then fifty concrete mixers came, mixed concrete and filled the lake with it.

FINAL CHAPTER

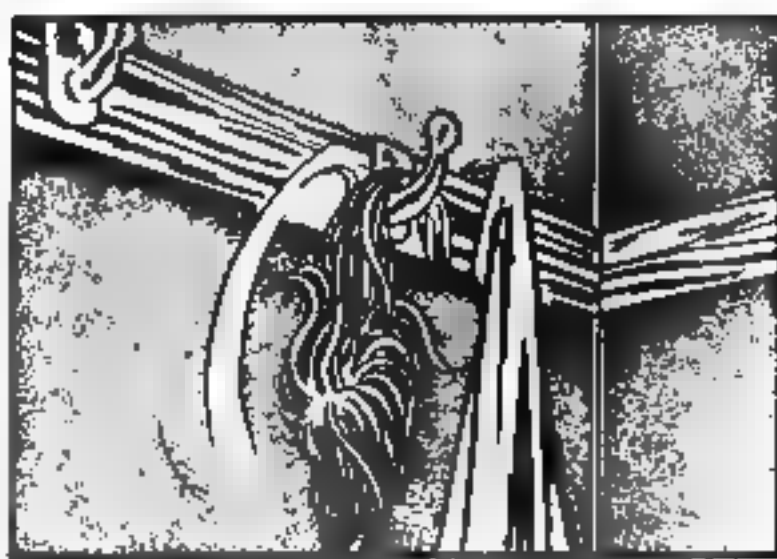

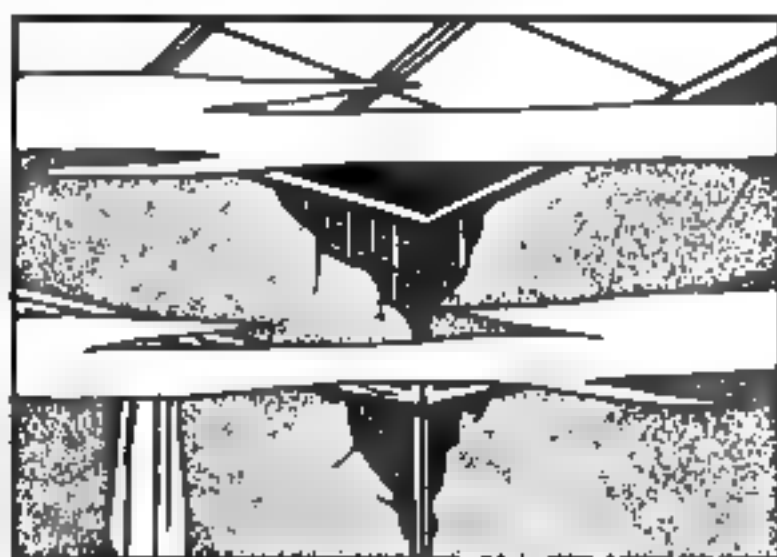

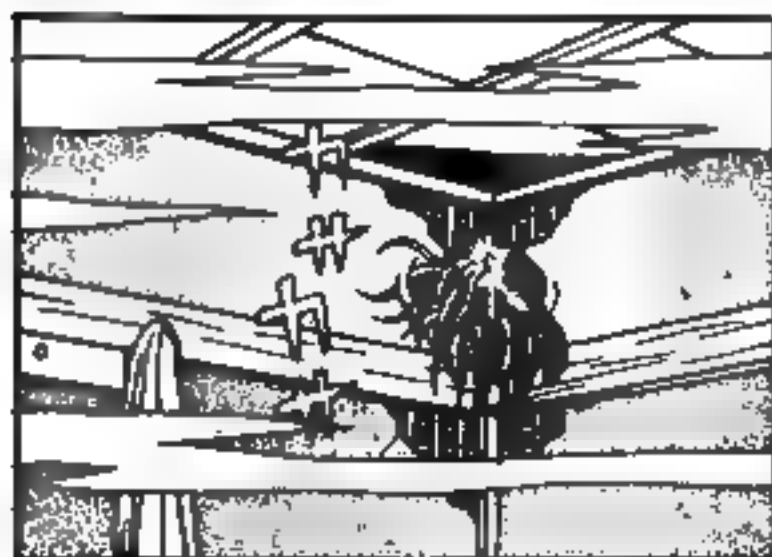

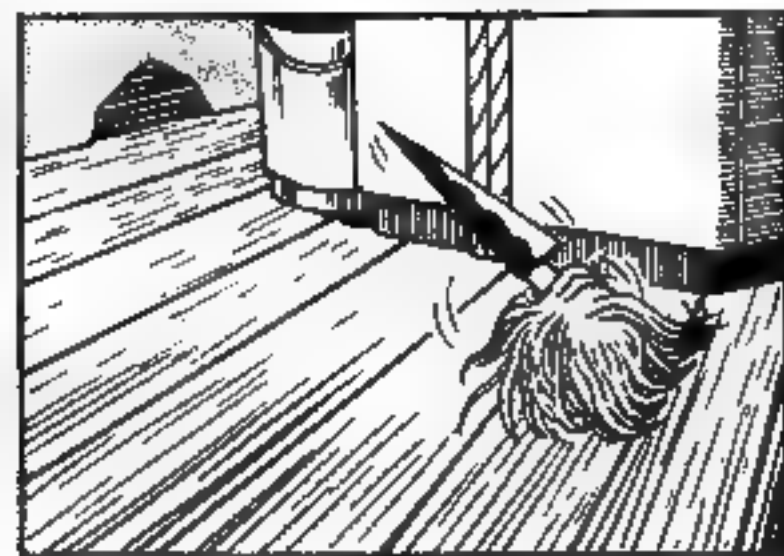

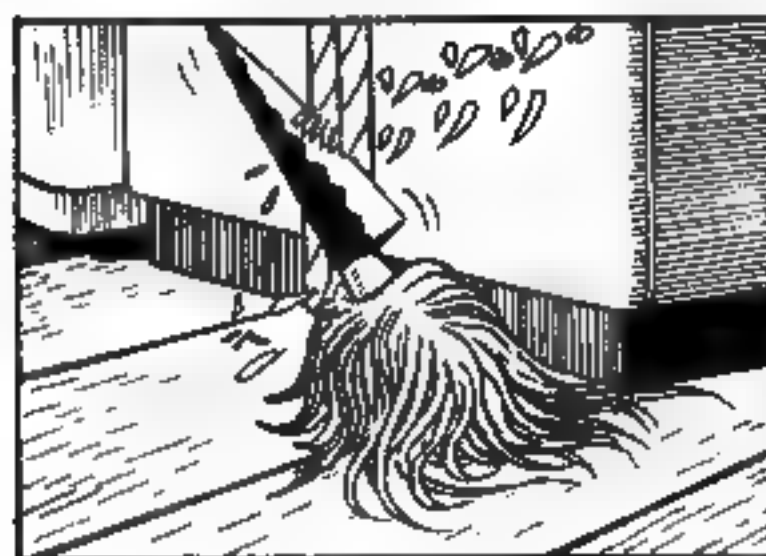

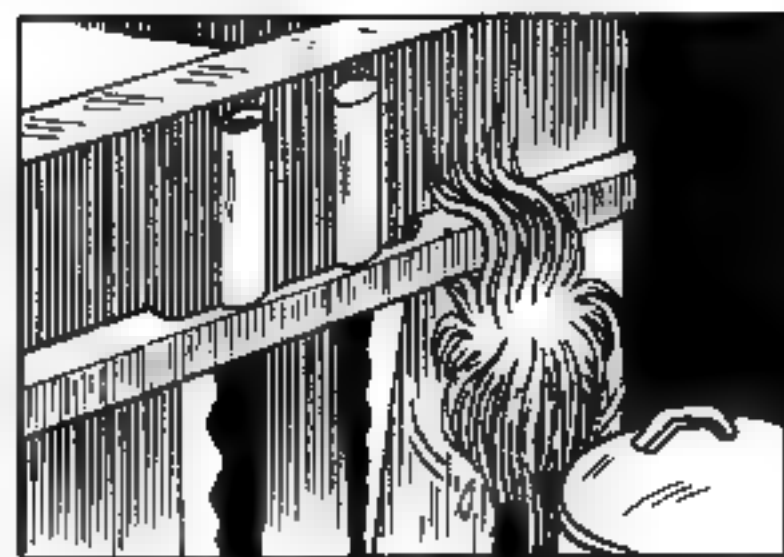

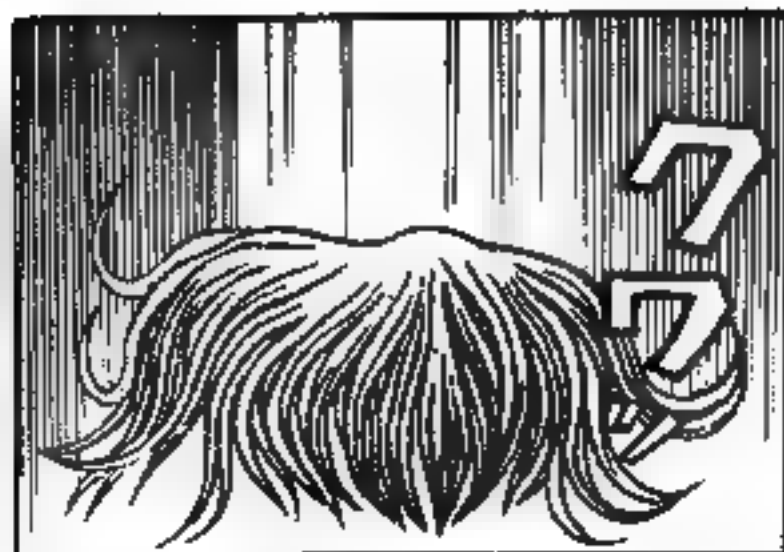

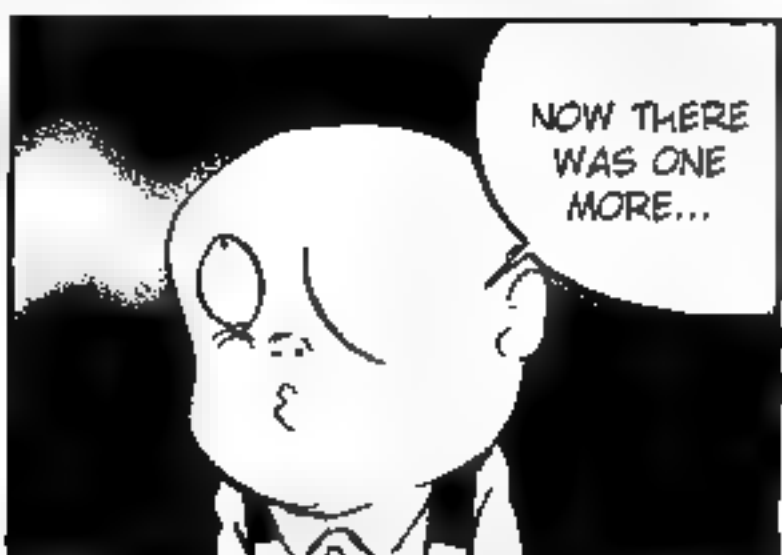

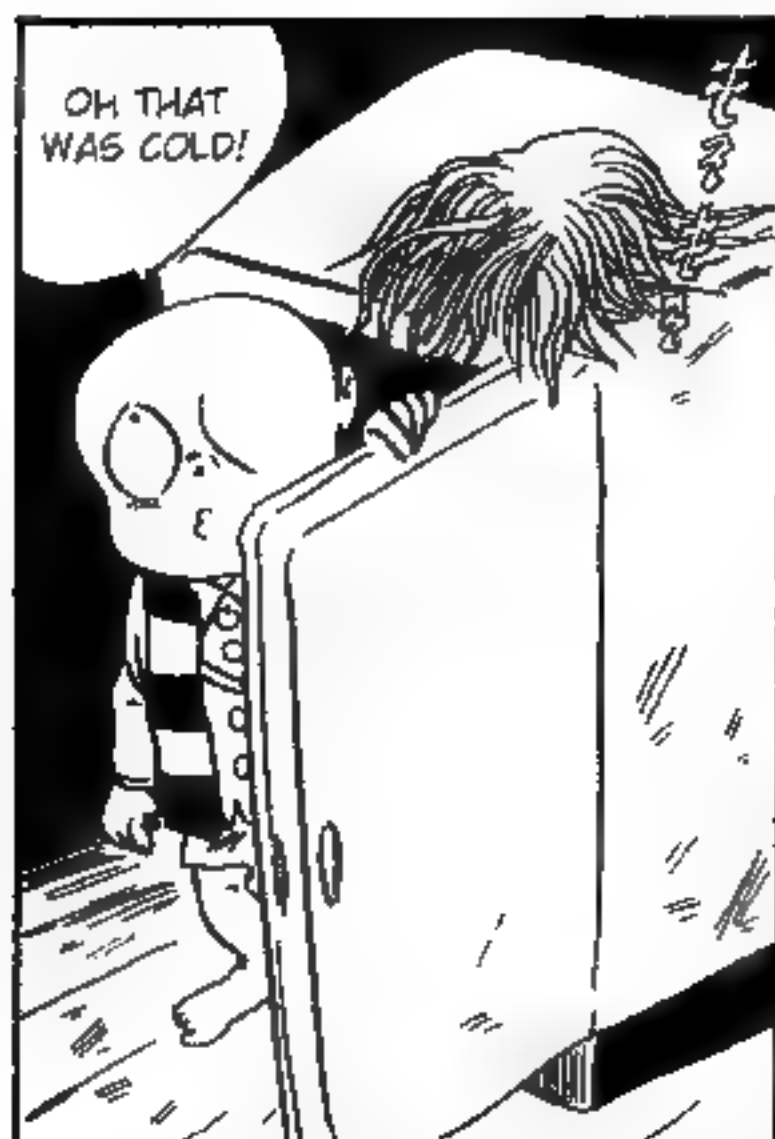

Kitaro may have been a kind of mysterious ghost, but he followed the Earth's laws as long as he lived on the Earth. Kitaro's hair still living was much like a gecko's tail still living after it's been cut off. The reason Kitaro's hair was moving with a will of its own was because Kitaro was controlling it from the refrigerator, like a psychic telekinetically manipulating something.

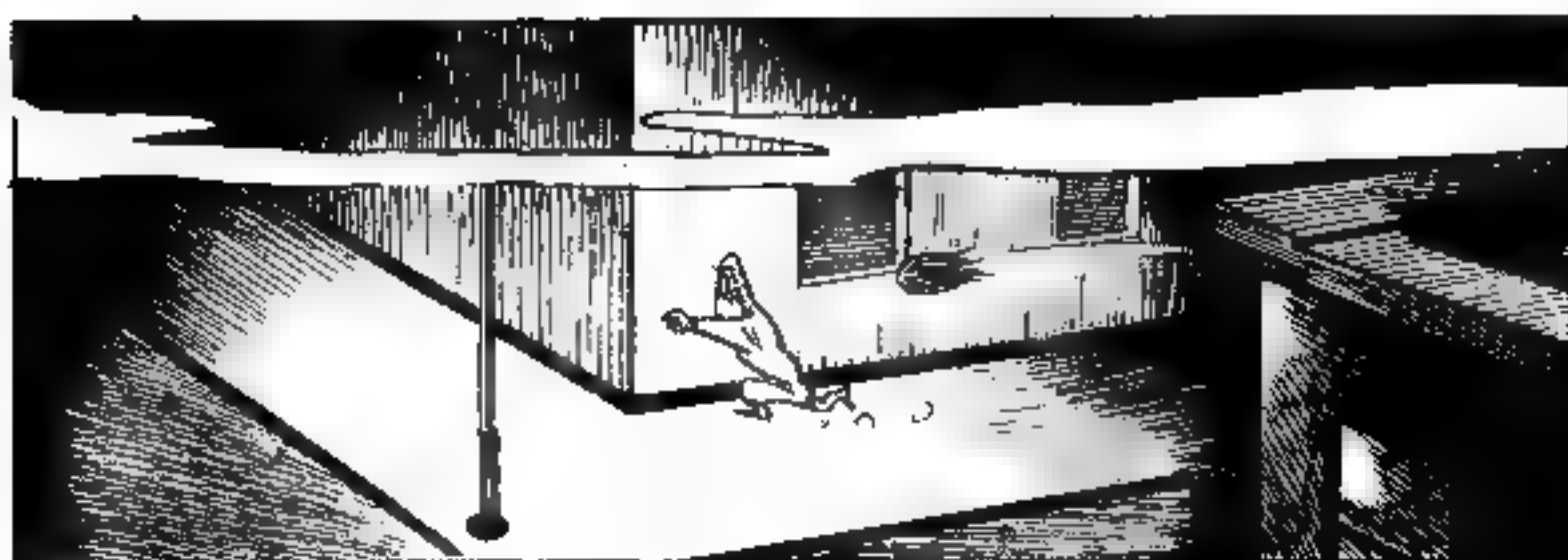

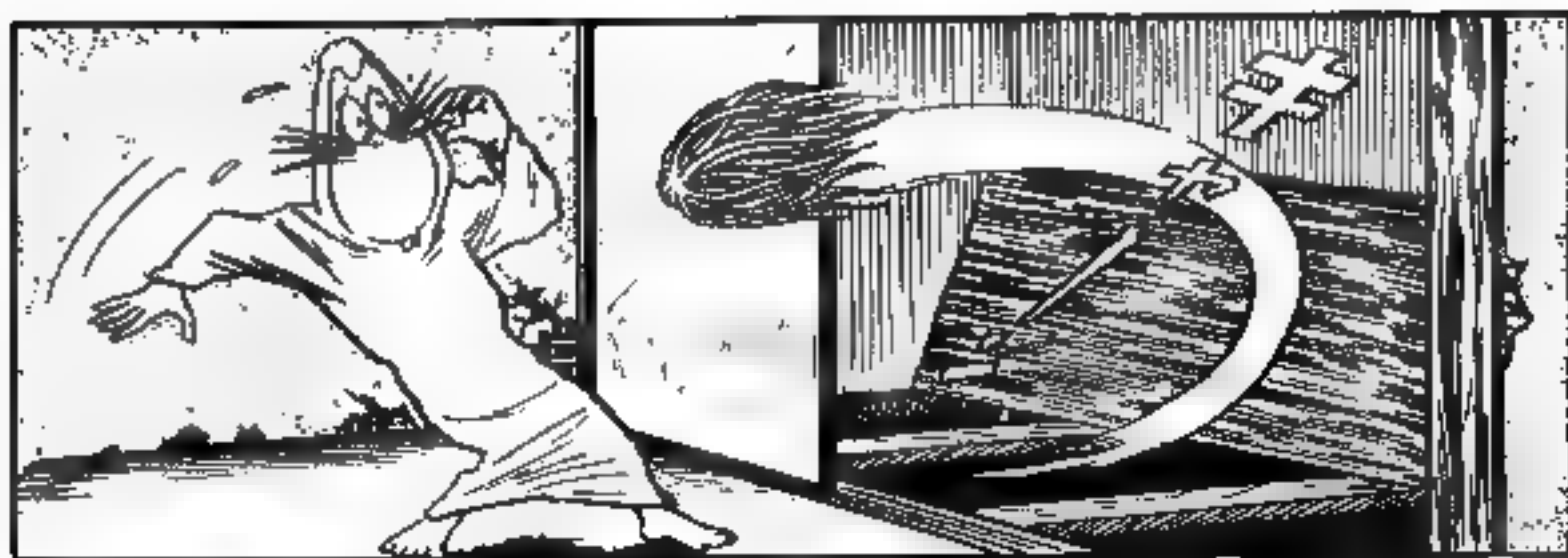

When the hair left,  
all that was left  
was the werewolf's  
shameful corpse.
